FRIENDS

I hope today will be a lighter highway
For friends are found on every road
Can you ever think of any better way
For the lost and weary traveler to go

Picking friends for the world to see
Let the people know
You got what you need
With a friend at hand

It seems to me a crime that we should
age
These fragile times should slip us by
A time we never can or shall erase
As friends together watch their
childhood fly

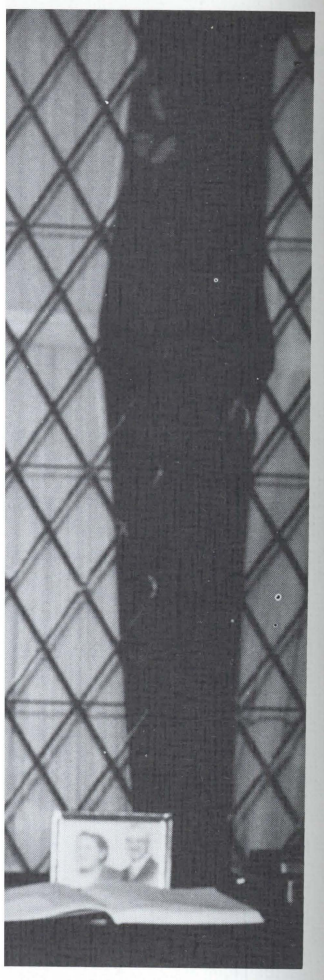
President's Message to the Class of 1977



Each of you from the class of 1977 has written your unique page in the history of Wilkes College. Each of you in the class of 1977 has also taken a unique page of Wilkes College history with you as you leave this institution. You take with you fond memories, lasting friendships, and above all, precious knowledge. Knowledge indeed, will be your greatest commodity in an ever changing, ever growing world. Beyond these sentiments, is the hope that you recognize that knowledge is never terminal — but is rather a vigorous pursuit that should motivate you for the rest of your days. You will never learn all there is to be known, but in the continued pursuit of knowledge you will find life's greatest rewards, and among the finest of these will be the extension of the frontiers of your thoughts and aspirations.

Ours is a world quivering with change and yet brimming with opportunity. I have frequently said that education should be habit-forming, and the campus the place where society's most civilizing habit is built. Hoping, then, that the fine habits with which you have written your page of history at Wilkes will be nurtured through regular use in your post college plans, I commend to your custody this last bit of advice . . . your education has equipped you, I hope, with an enduring appreciation for the life of the mind, and with the value of developing that mind to its fullest. It should be your consummate ambition to move as far as you can in acquiring additional knowledge and developing your greatest potential.

I welcome you to the long list of fine people that comprise the Wilkes College alumni and I wish you the very best in discovering new horizons, and going beyond these horizons. I wish you growth and prosperity, wisdom and enrichment of spirit, tempered always by the virtue of human compassion. When all is said and done, the warmest feeling of achievement will be that indeed you have become something greater for having been here.

On behalf of the Wilkes College family, I am

Proudly and Sincerely Yours,

Robert S. Capin

With a young and inexperienced team the 1976 Football Colonels faced a disappointing season. The strength on the squad was its defense. Tony Pace, Chris O'Brien and Tony Couto were its leaders. On the offensive side Paul Wengen and Don McDermott provided the spark.

The Colonels ended the season with victories over Juniata and Delaware Valley which could indicate that the team began to put it all together and it looks like next year will be an improvement over this one.

MAC Tournament Fourth Place
Overall Record 8-4
NPWIAA Record: 3-0

The 1976 Field Hockey squad enjoyed possibly their finest season ever repeating once again as NPWIAA champs with an unblemished 3-0 record. Heading the team were senior co-captains Penny Bianconi and Sue Ann Knight. Freshman Jerry Ann Smith made history being the first ever placed on the first team of Susquehanna All-Stars. Placing on the second team was Junior Barb Gorgas and another Freshman Mary Jo Frail received Honorable Mention.

The Colonelettes also equaled last year when they brought home the fourth place trophy from the MAC Tournament. After losing their first game in this double elimination tournament to Dickinson the girls fought hard to stay in it and defeated Drew U. and Juniata assuring them of a trophy. Elizabethtown edged the team out for third place honors defeating Wilkes in the Finals of the Consolations.

Receiving the MVP Award for offense was Ronna Colvin, a Junior transfer from Keystone Junior College. The defensive MVP Award went to Freshman Jerry Ann Smith.

The Colonelettes are expected to continue their success as they are expecting a fine group of Freshmen next fall.

Sophomore Mario Apuzzo led the scoring stats with 10 goals and 1 assist. Juniors Len Vekkos and Tony Apostolaros had fine seasons as well as Freshman Tim Reynolds.

It looks bright for next year as the team will only lose 2 lettermen.

Although the Harriers did not have a winning season this year, there were some bright spots for the Cross Country team. An increasing amount of runners each year will eventually provide the depth that is needed.

Freshman Dave Boris led the team over the course with Sophomore Jeff Davis, and Junior Steve Standiford.

The Harriers will look to next year without the navigation of Coach George Pawlush who will be surrendering his squad to a new coach.

Plagued by turmoil and tension within the club, the Cagers were disappointed with the outcome of their season.

Senior Captain Tom Donahue however, should be singled out as a true leader on the court. Donahue will be missed next year but if the team can get together, Coach Bearde can expect a great year.

It was a highly successful season for the Colonels in their second year of Div. I competition. The grapplers under the leadership of the quad-captains Rick Mahonski, Dave Gregrow, Lon Balum and Bruce Lear, scored victories over such large schools as Navy, Hofstra, Army, East and North Carolina. The team also took the team title at the Binghamton Invitational.

Individually, Dave Gregrow and Lon Balum enjoyed 16-4 records, while Brice Lear had a 17-3-1 log. Dan House finished the year 15-5. In the Wilkes Open, Dave Gregrow took third, while Lear grabbed a fourth place finish.

In the Eastern Tournament, the highest finishers for the Colonels were Lon Balum with a second, Dave Gregrow and Bart Cook, each with thirds, and Bruce Lear fourth. All these four wrestlers qualified to go to the National Tournament in Oklahoma. As a team, Wilkes had 6 points in Oklahoma, which is a new record.

This being the last year for two separate swim teams for men and women gave incentive for a true team effort. The swimmers with especially fine seasons were Paul Neidzwiecki with an 11-0 dual record, and Cindy Glawe.

Junior Captain Jeff Jones should be credited with his leading the team this year.

In the MAC Tournament Cindy Glawe came home with the only medal — a second. Overall in the tourney the Wilkesmen placed seventh while the women placed sixth in the event.

It was a frustrating and disappointing season for the Women Cagers, fighting their way through a 21 game season. The female Colonels being led by their third coach in as many seasons had trouble with consistency.

Looking through this were some bright spots however, as the Colonelettes collected 7 victories — more than ever before. Freshman Mary Jo Frail and Junior Karen Olney were named to NPWIAA Second Team All-Stars, an honor never before awarded. Also an asset on the court were co-captains Sharon Wilkes, who will be assisting Coach Bloomberg next season, and Senior Dotty Martin.

Wilkes Baseball has become one of the most highly respected sports in the area. For the first time in history the team won the MAC Championship outright. The team had a batting average of .342 and a pitching ERA of 2.67. The pitching staff dazzled its opponents by striking out a total of 200 batters in 189 innings.

The overall season record was 20-4, which tells the story in itself.

There will be only three seniors graduating this year. Don McDermott, who batted .357 and set a new school record with his 33 RBI's. Manny Evans and Jim Stehle both pitched to 6-1 records and their combined efforts accounted for 12 of the 20 team victories.

In playoff action however, the team was defeated two straight cutting short their dreams of repeating as Mideast Champs.

Wilkes Lacrosse was dealt a setback when top offensive player Bruce Davis suffered a separated shoulder in preseason play and missed most of the year. Coach Mattei was not ready to give up but because of the injuries, the team ended the season with a 4-6 record.

Big Guns for the squad were Bill Adams and Freshman Tim Smith. Scoring however, came from a large array of stickmen so next year should prove to be a successful one.

Only in its second season at Wilkes, the Women's Volleyball team has greatly improved since last year. Volleyball is not well established in this area, but is gaining interest at Wilkes. This year, the Spikers, coached by Doris J. Saracino, had a total of 21 players. Among these, they are losing seven seniors: Joan Chemnitius, Sharon Clune, Barb Gorgas, Debbie Orbinati, Karen Snow, Mary Ann Toth, and Sharon Wilkes.

Next year, with co-captains Sally Steele and Karen Polomski, the Volleyball team will be looking forward to a winning season.

The Colonelettes added yet another sport to their agenda as softball was introduced. Under the direction of Coach Gay Meyers, the women finished their first season with a 2-3 record.

Standouts for the team were MVP Anita Meehan who ran up a batting average of well over .600, and Karen Olney, who caught and also pitched.

The team was plagued by injuries to their pitching staff with starters Mary Jo Frail sustaining a fractured finger and Debbie Welliver a dislocated collarbone. However, next year looks encouraging as the team will only lose two starters and fields many young players.

This season was successful for the Wilkes Netmen, ending with a 4-6 record. Of the starting nine players, only seniors Judd Davis and Mark Abbruzzesse will not be returning next year. They have had a great year and will surely be missed. With this year's experience under them, Coach Tom Rokita is looking forward to a winning season for next year.

"Congratulations"
Class of 1977

From the
AMNICOLA STAFF

Note of Appreciation

I'd like to take this last page to thank all the people who helped make this yearbook possible. I'd like to thank them for all their time, effort, and patience:

Matt and Vince Lynott — Thank you so much for all the time you both spent guiding me along with the publication of this yearbook. Without your help I would still be lost and confused.

Mr. Colson — Thanks for being a great advisor, and also for being there when I needed your help.

Ace Hoffman Studios — Special thanks for all the pictures you took for us and also for putting up with me, especially those last few demanding weeks.

Nigel — Many thanks for being a great student photographer, and for taking and developing the hundreds of pictures used throughout the book. Also, thanks for the great job on the Events section.

Debbie — Thanks for the help with the Senior section, and also for doing the Clubs section.

Karen — Thanks for helping me with the color section, and also for doing the Dorms section.

Ellie — Thank you for being a great business manager, and for doing the patron and the advertisement sections. Good luck with the 1978 Amnicola.

Sue Ann — Thanks loads for doing the Sports section, and also for helping with the advertisements.

Lisa — Thanks for getting all those identifications.

Patty, Karen, Lisa, Ilene, Mary Ellen, Peggy, Kathy, Maureen, Steve, Kim, Sharon, Paulette, and Art — Thank you for being a great staff, for selling all those yearbooks, and for all your help that was needed to put out a great book.

Please remember that "everyone makes mistakes," and I apologize for any mistakes, misspellings, or whatever.

With all the time and effort spent in putting together this yearbook, the 1977 Amnicola will be a success. To me, it is, and I hope it is to you too. I have enjoyed being the 1977 Editor of the Amnicola despite all the time and work involved, and in the years to come, you can look back and enjoy it too.

Thanks again to everyone that has helped me with this yearbook, and I'd like to wish the "Class of 1977" all the Luck and Success in the world, and to always remember the good times we've had at Wilkes.
