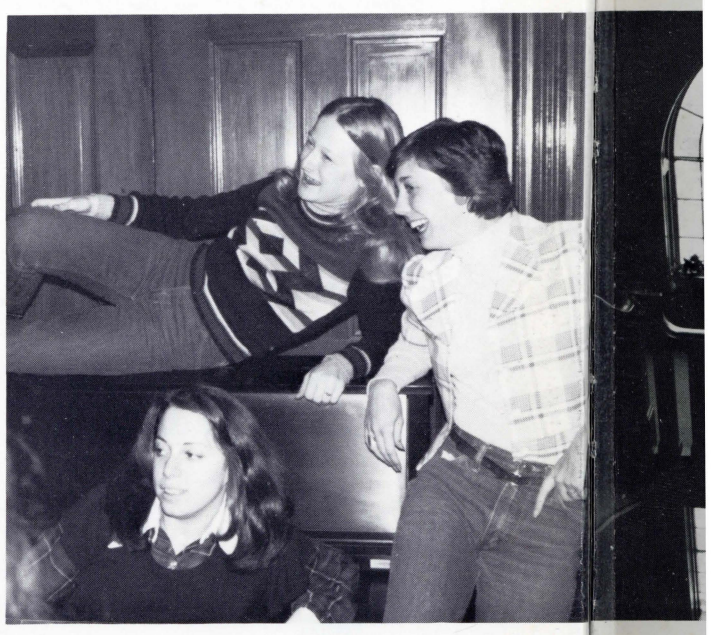
Good morning yesterday,



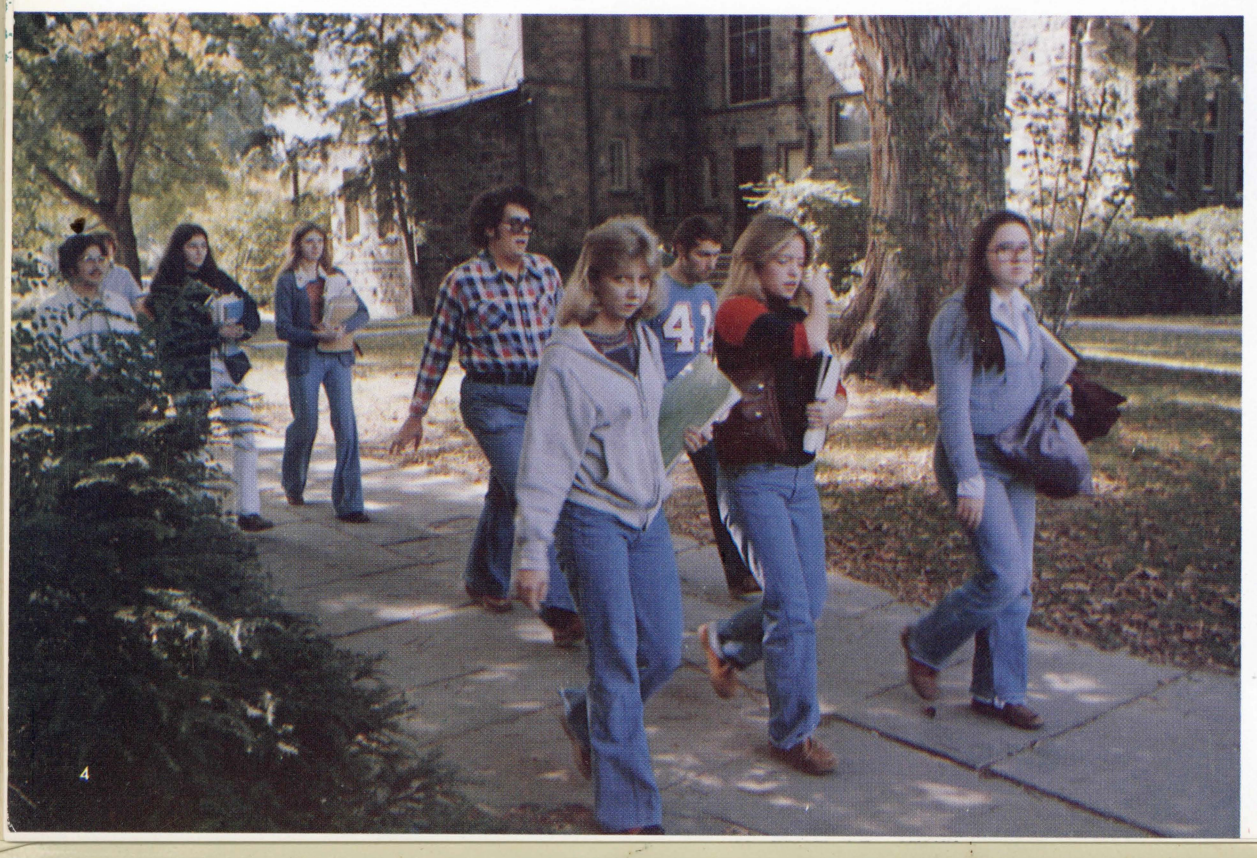
You wake up and time has
slipped away,
And suddenly it's hard to find
the memories
you left behind,

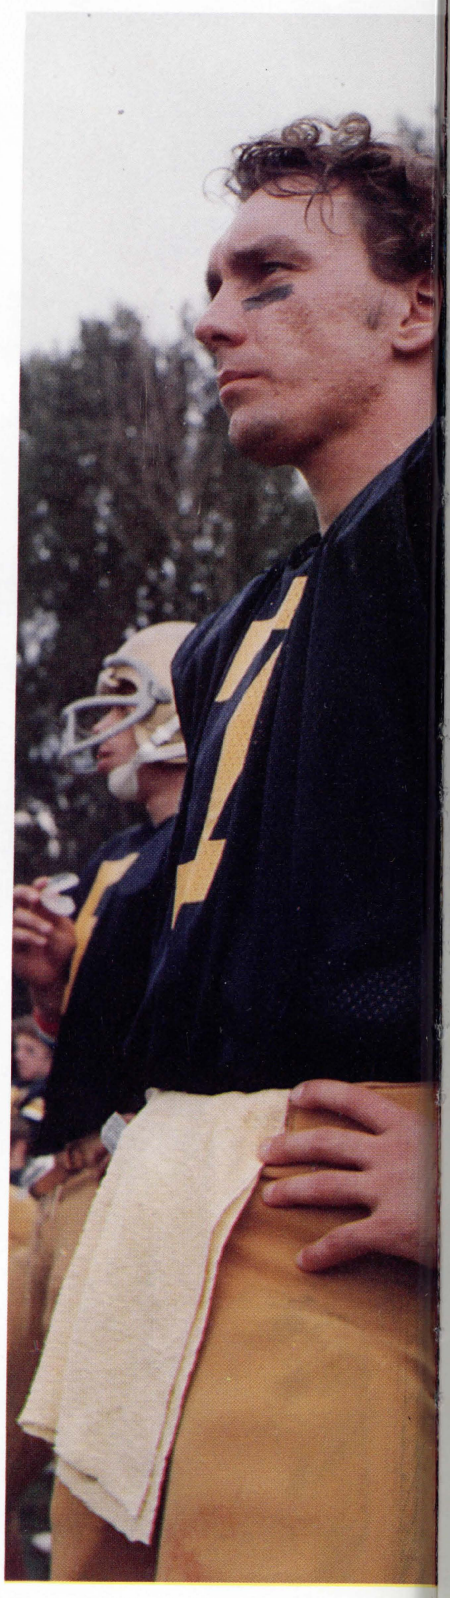
Remember —

Do you remember —

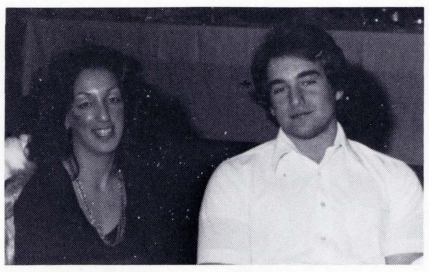
the laughter and

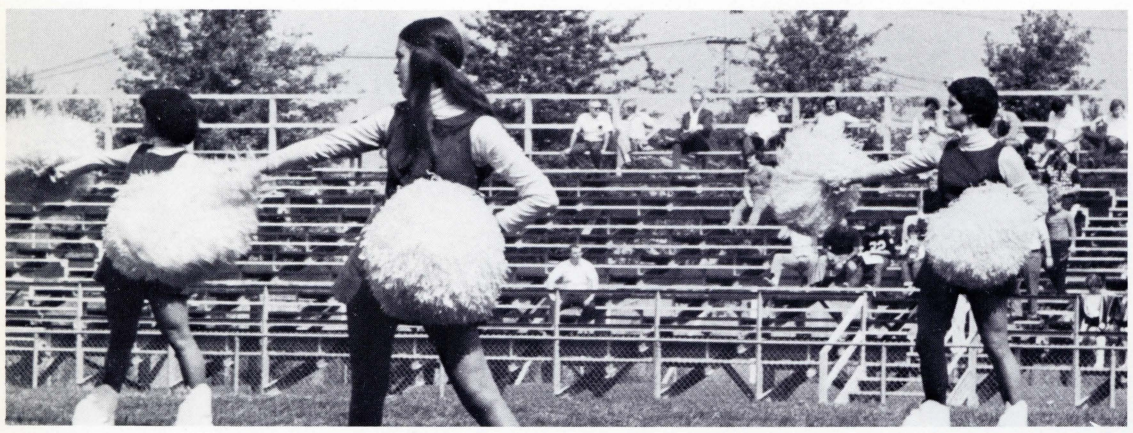
the tears,



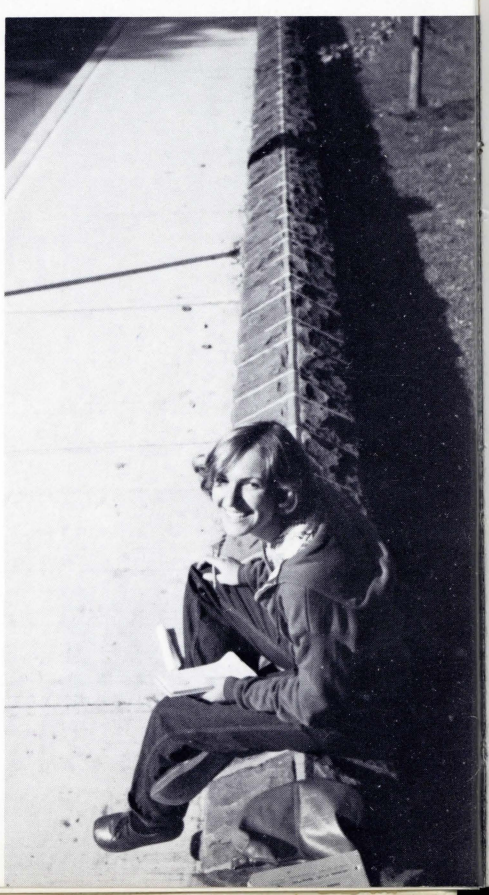


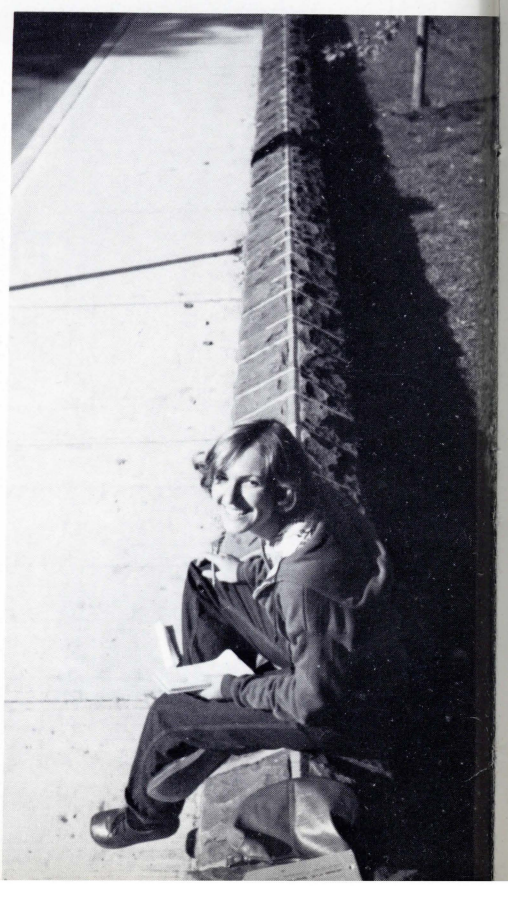
The shadows
of misty yesteryears?

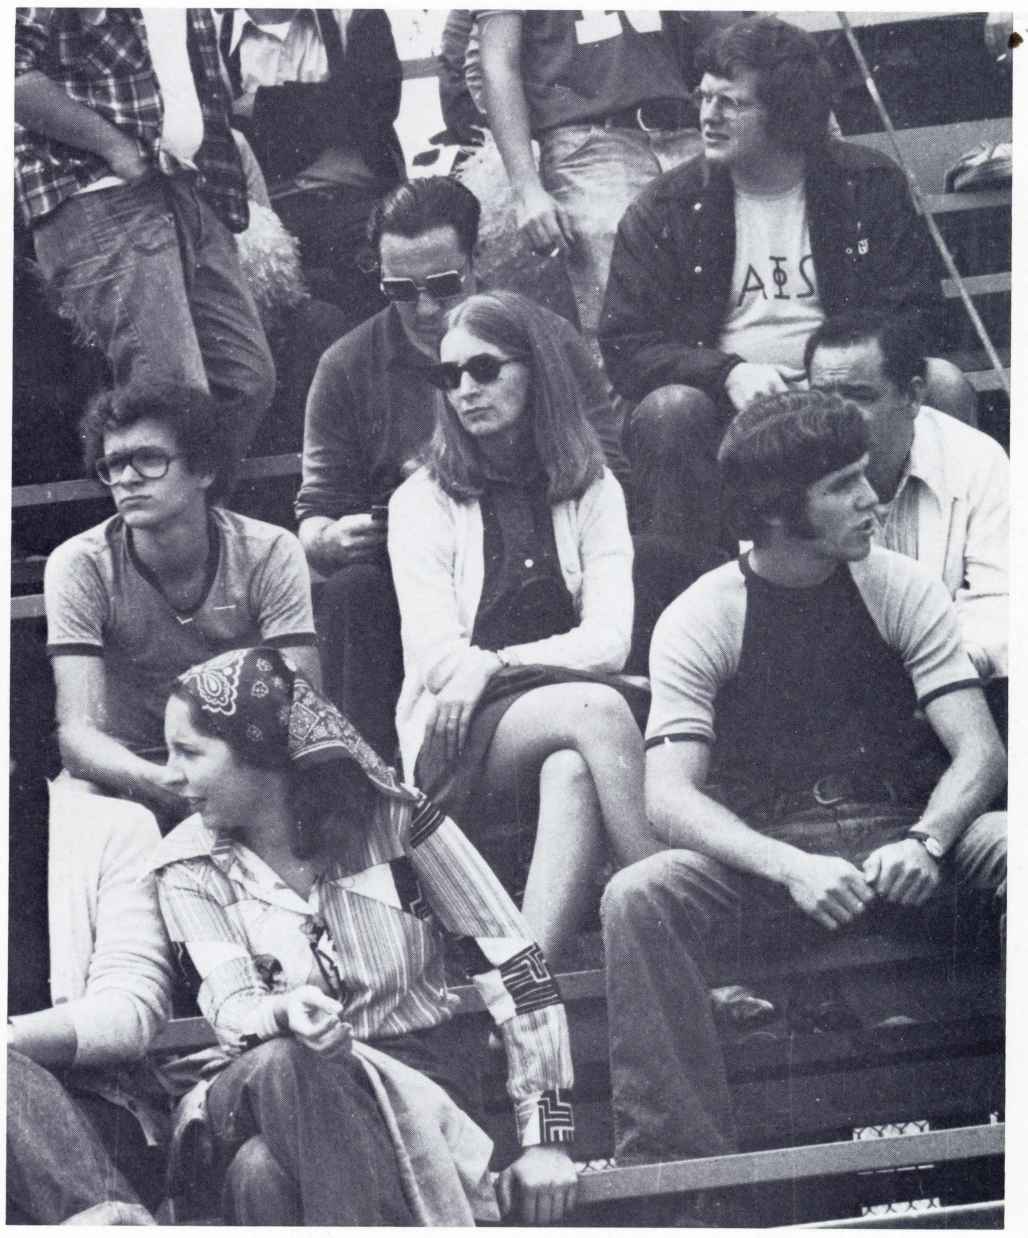




The good times and
the bad you've seen
and all the others
in between,

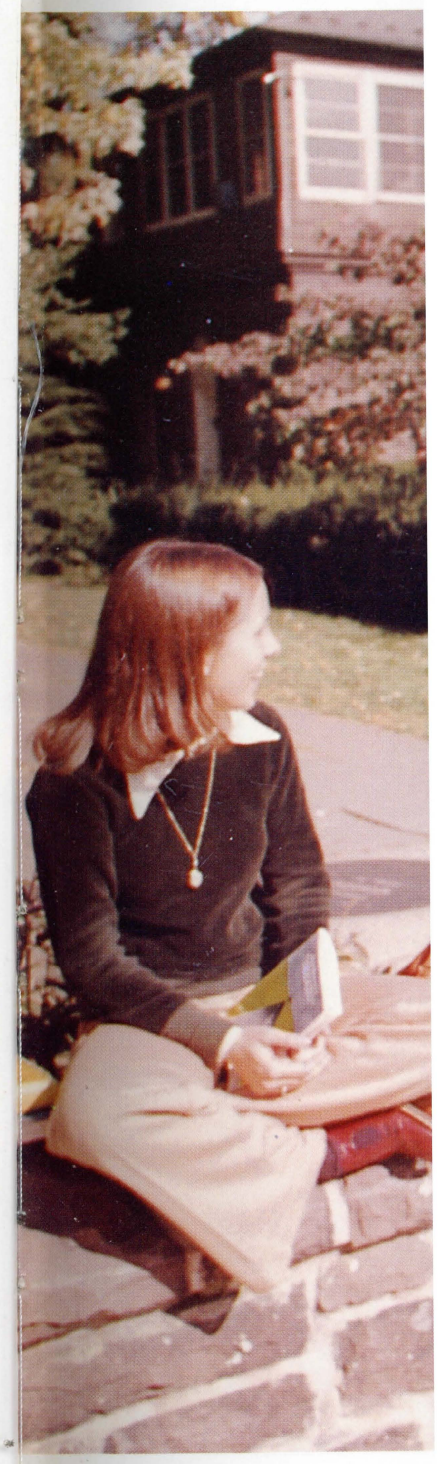


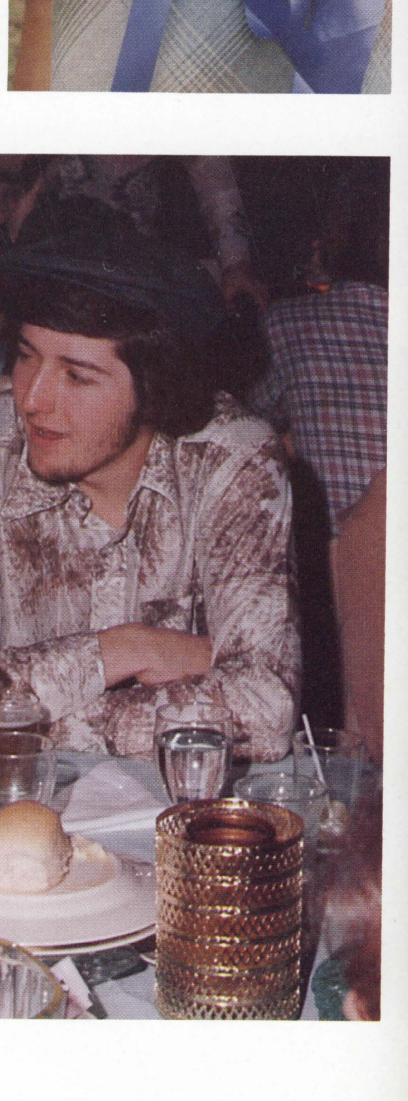




Remember
do you remember
the
times of your life?

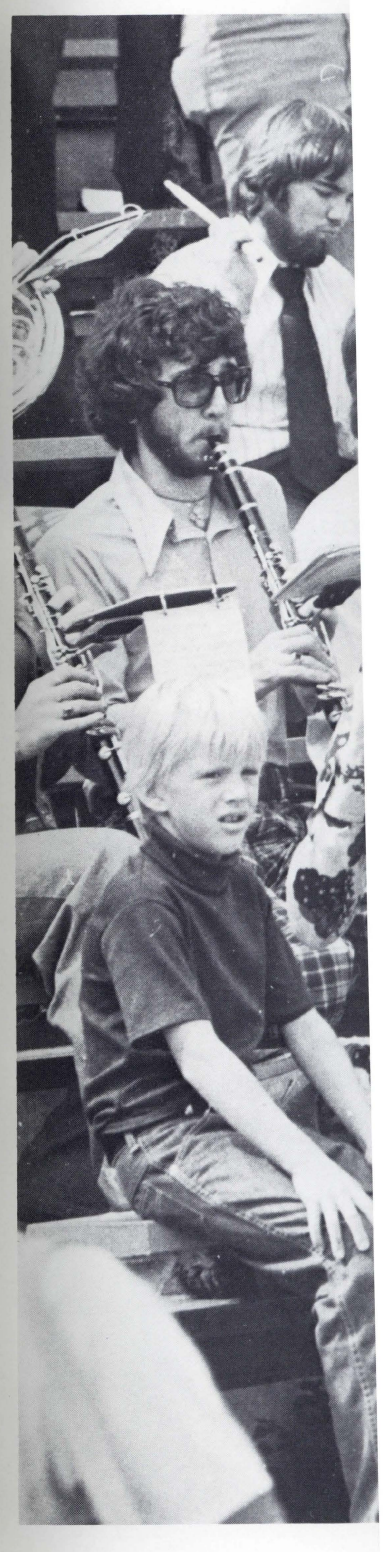
Reach back
for the joy
and the sorrow,

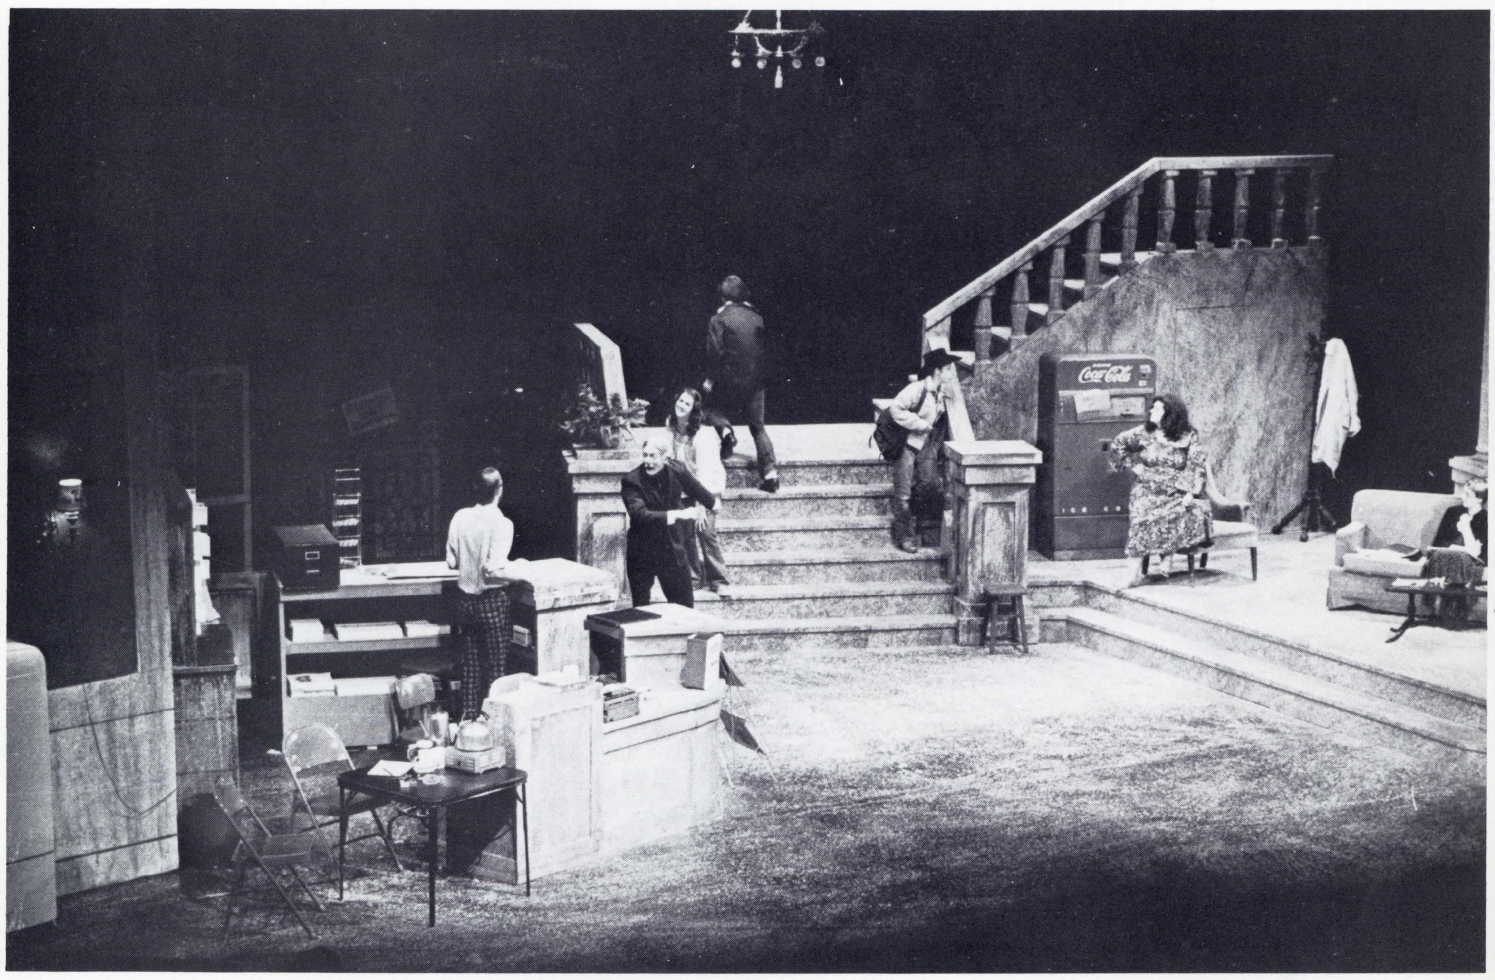




Put them
away in
your mind,

for mem'ries are time
that you borrow

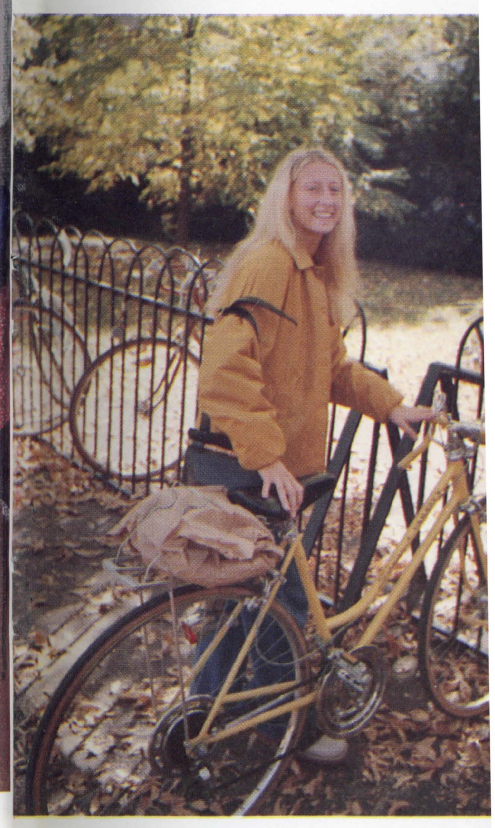




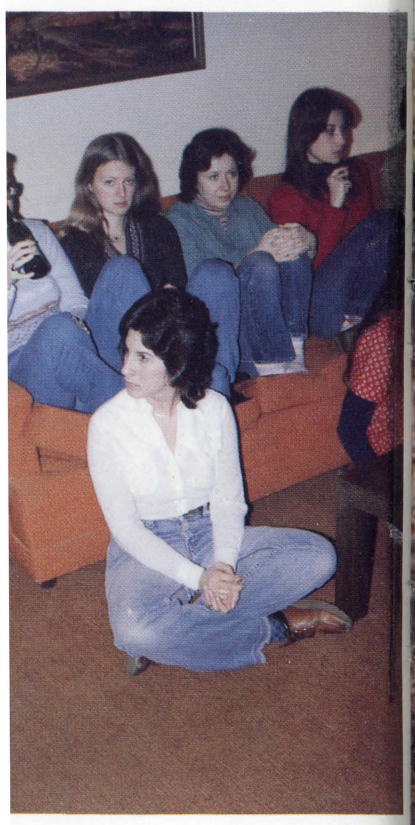
ıe

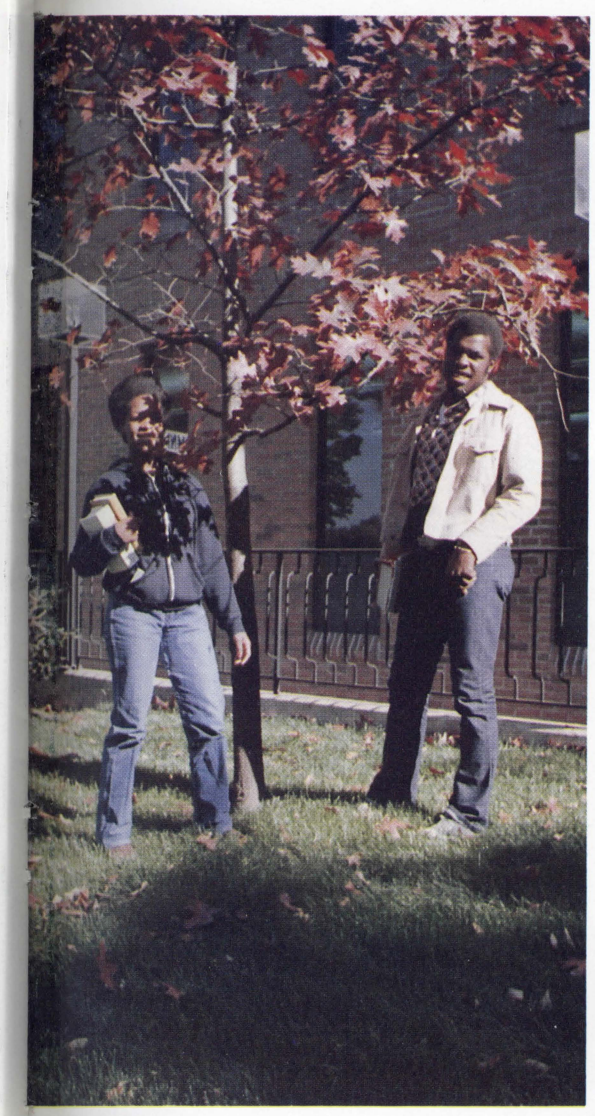
to spend when you get
to tomorrow.

Here comes the setting sun,

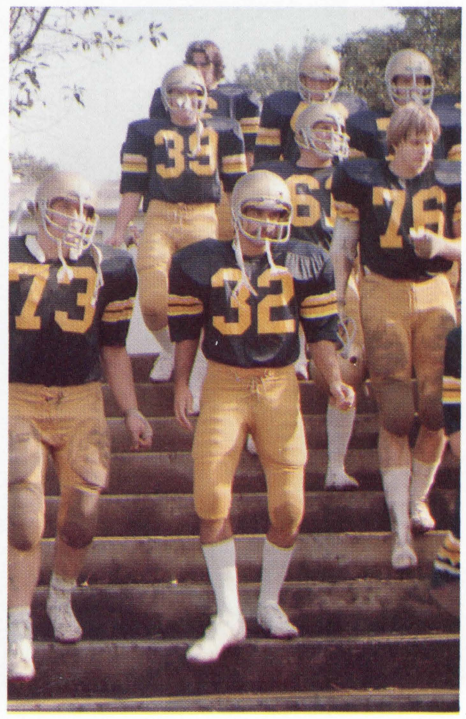


e setting sun,

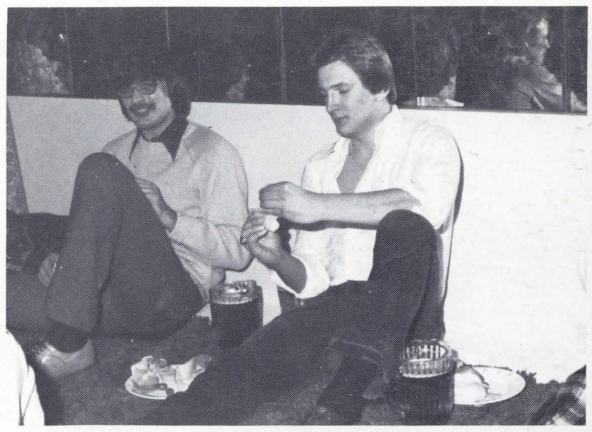


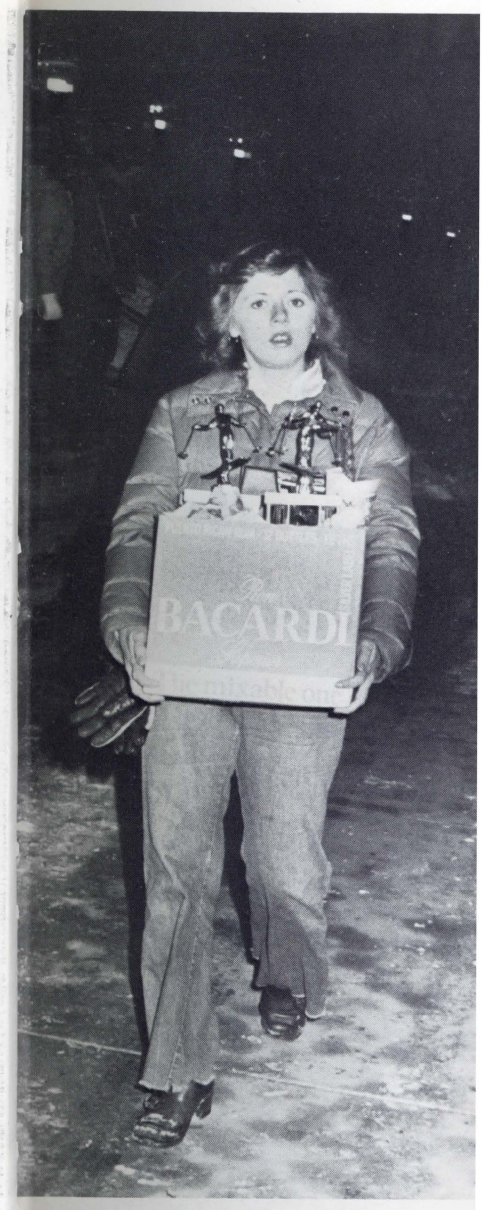


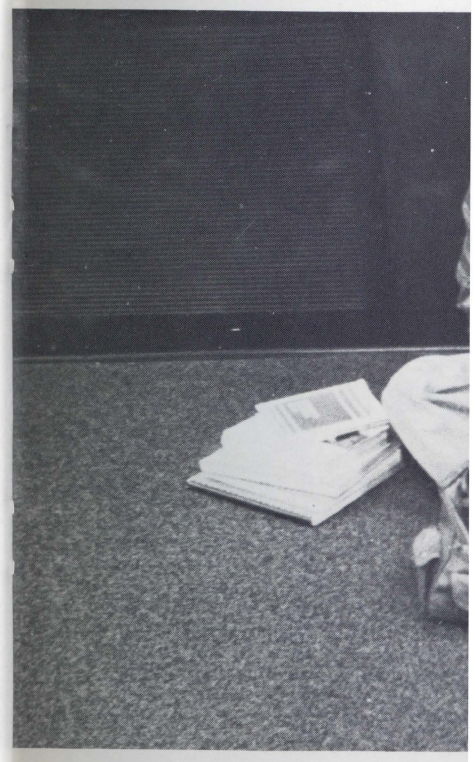
The seasons
are passing one by one,
so gather moments
while you may —

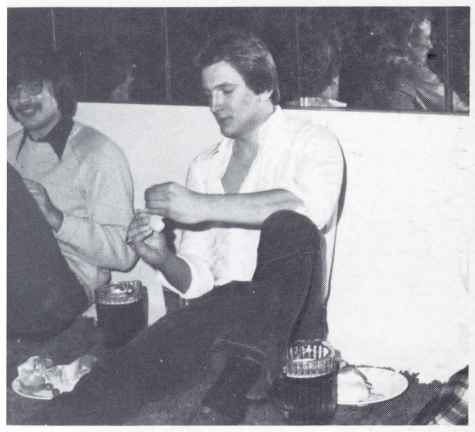


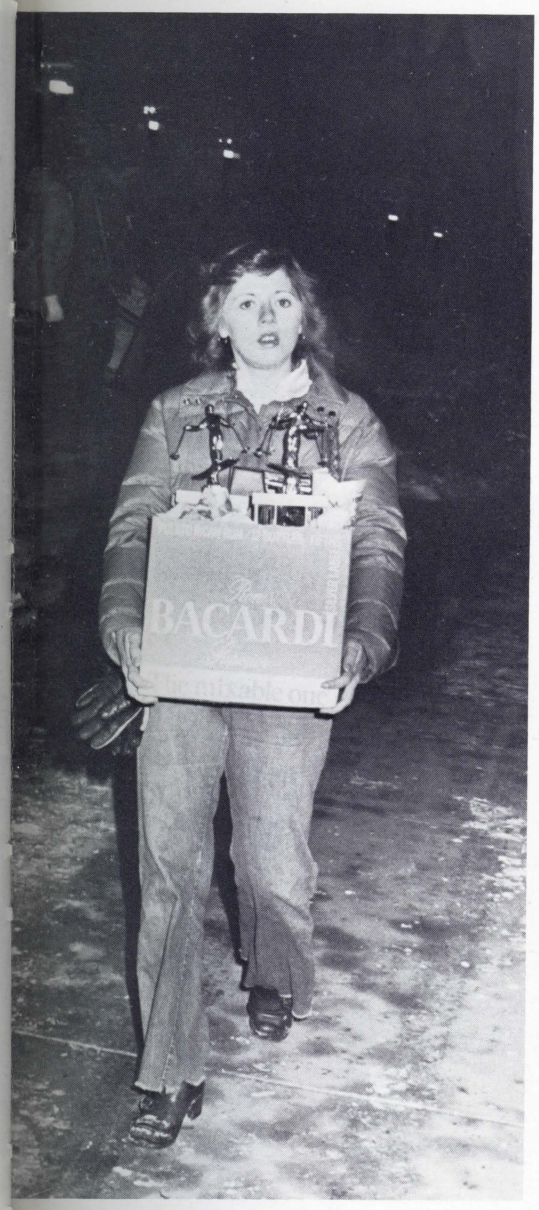
Collect the dreams
you dream today,











Remember — will you remember the Times of Your Life.

President's Message to the Class of '76

The end of an academic year and commencement can be described as a bittersweet time.

It is a time of many mixed things . . . happiness, sadness, loss of a way of life that has been a mixture of good and bad in the academic womb, friendships that were made to last forever and now will melt into time.

But you will never forget your days at Wilkes College. And over the years you will often allow yourself the silent luxury of a fleeting memory of experiences that fit your mood.

I am certain that you will develop a new kind of thinking about Wilkes College once you have left the campus for the last time as a student. It happens to everyone.

I hope you will allow yourself to relate what you think and do, what you hope for and what you achieve, to all that you prepared for as a student.

Perhaps you will recognize more what Wilkes College really stands for. I think you will, because you will be seeing the College in a new light that will allow you to recognize things that now seem obscure, unimportant or insignificant.

Wilkes College has always had many commitments . . . to the community, the academic family, the people who made it possible for the institution to exist. But I can think of no commitment greater than the one it has to its students and alumni.

You . . . as well as the people who come after you and those who came before you . . . are the reason why the College exists.

I know you must leave the College, but I would ask you to never forget to always "come home to Wilkes" every chance you get.

My best wishes for good health, success, and peace of mind as you leave Wilkes College.

Sincerely,
Robert S. Capin

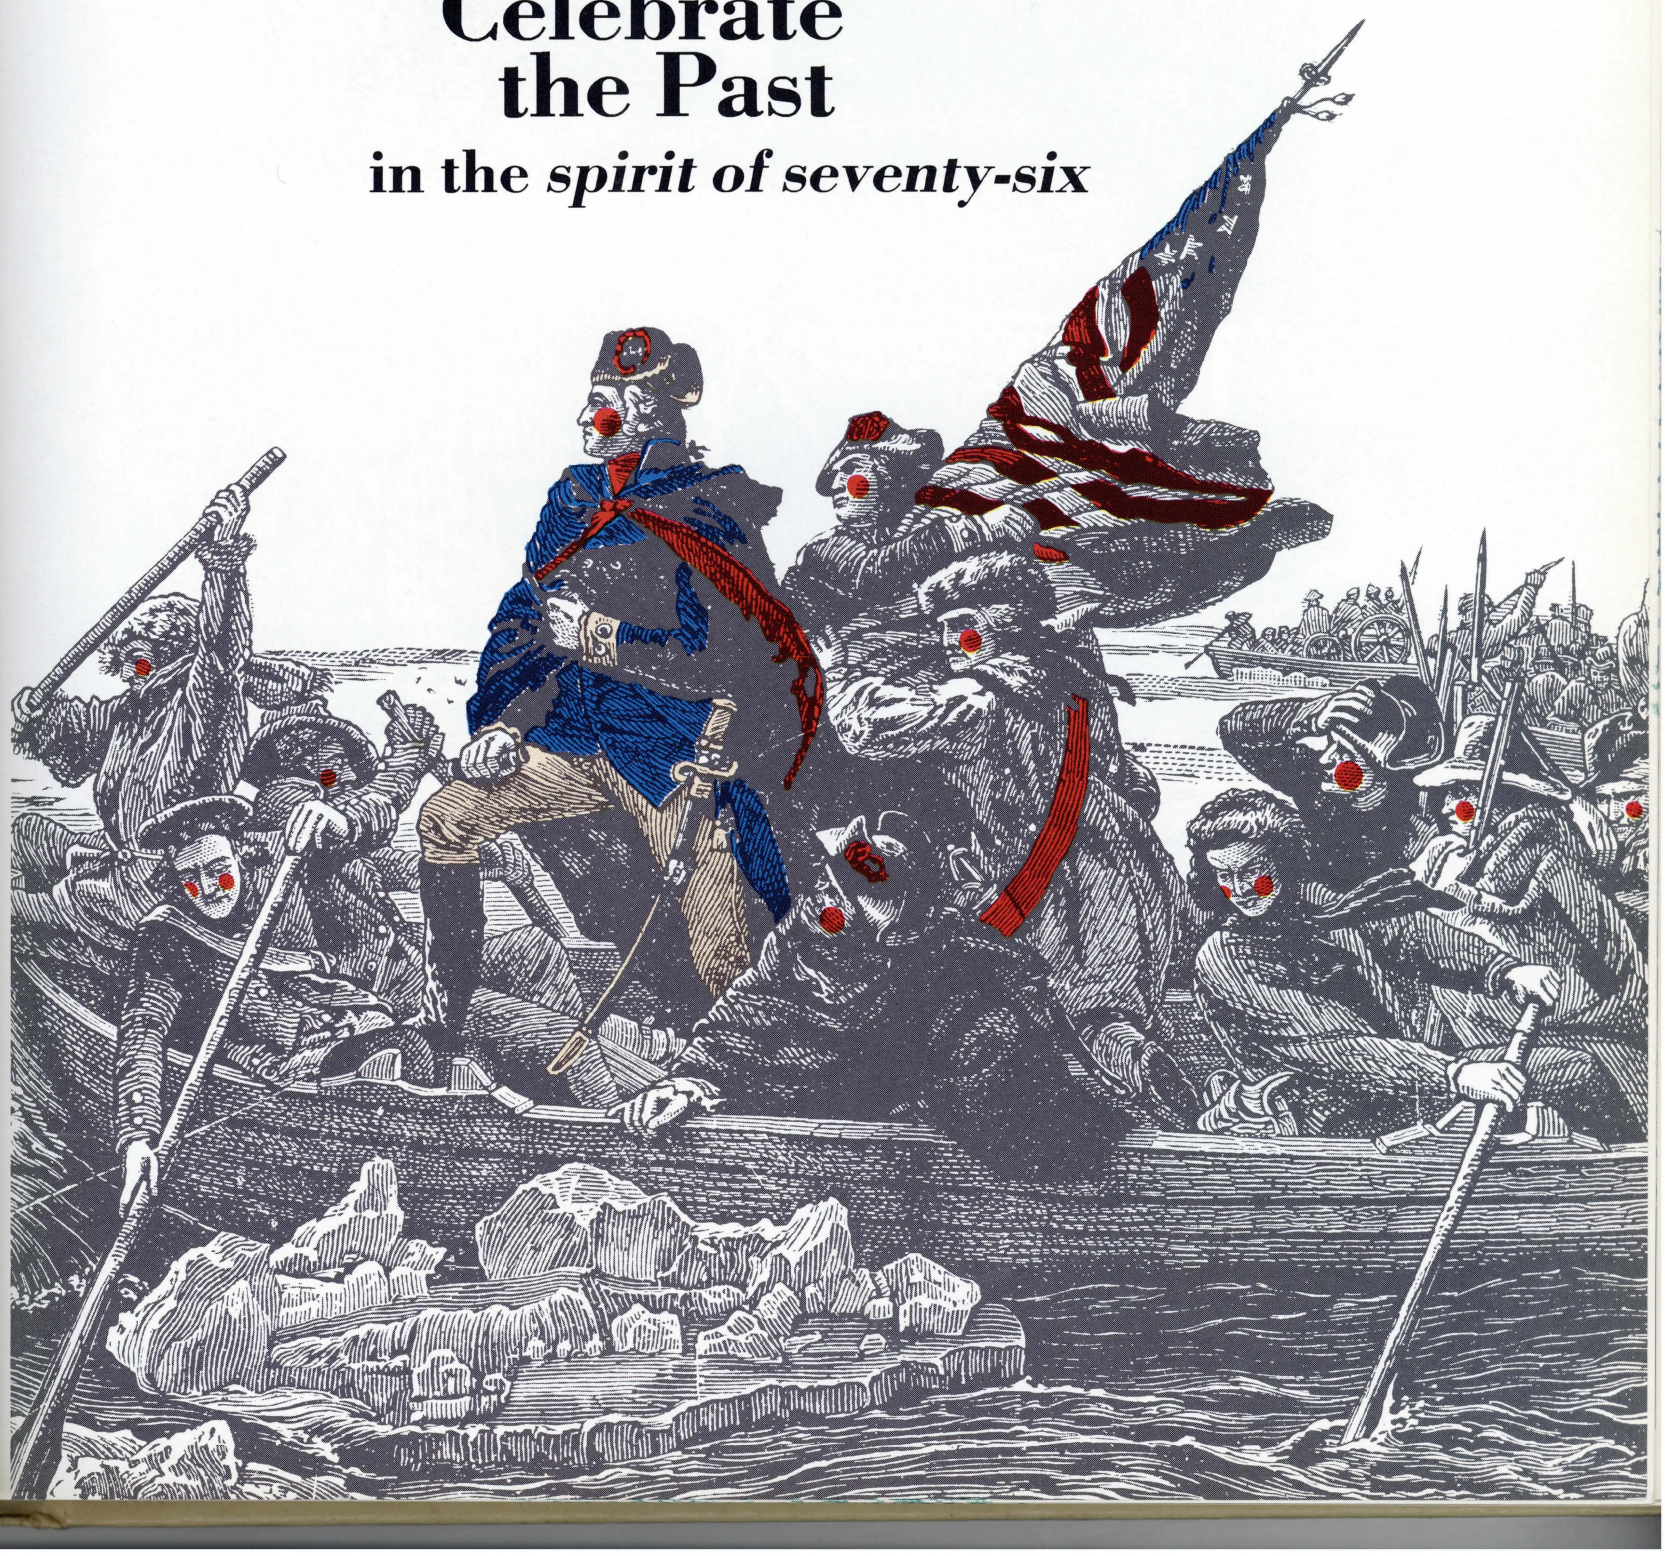
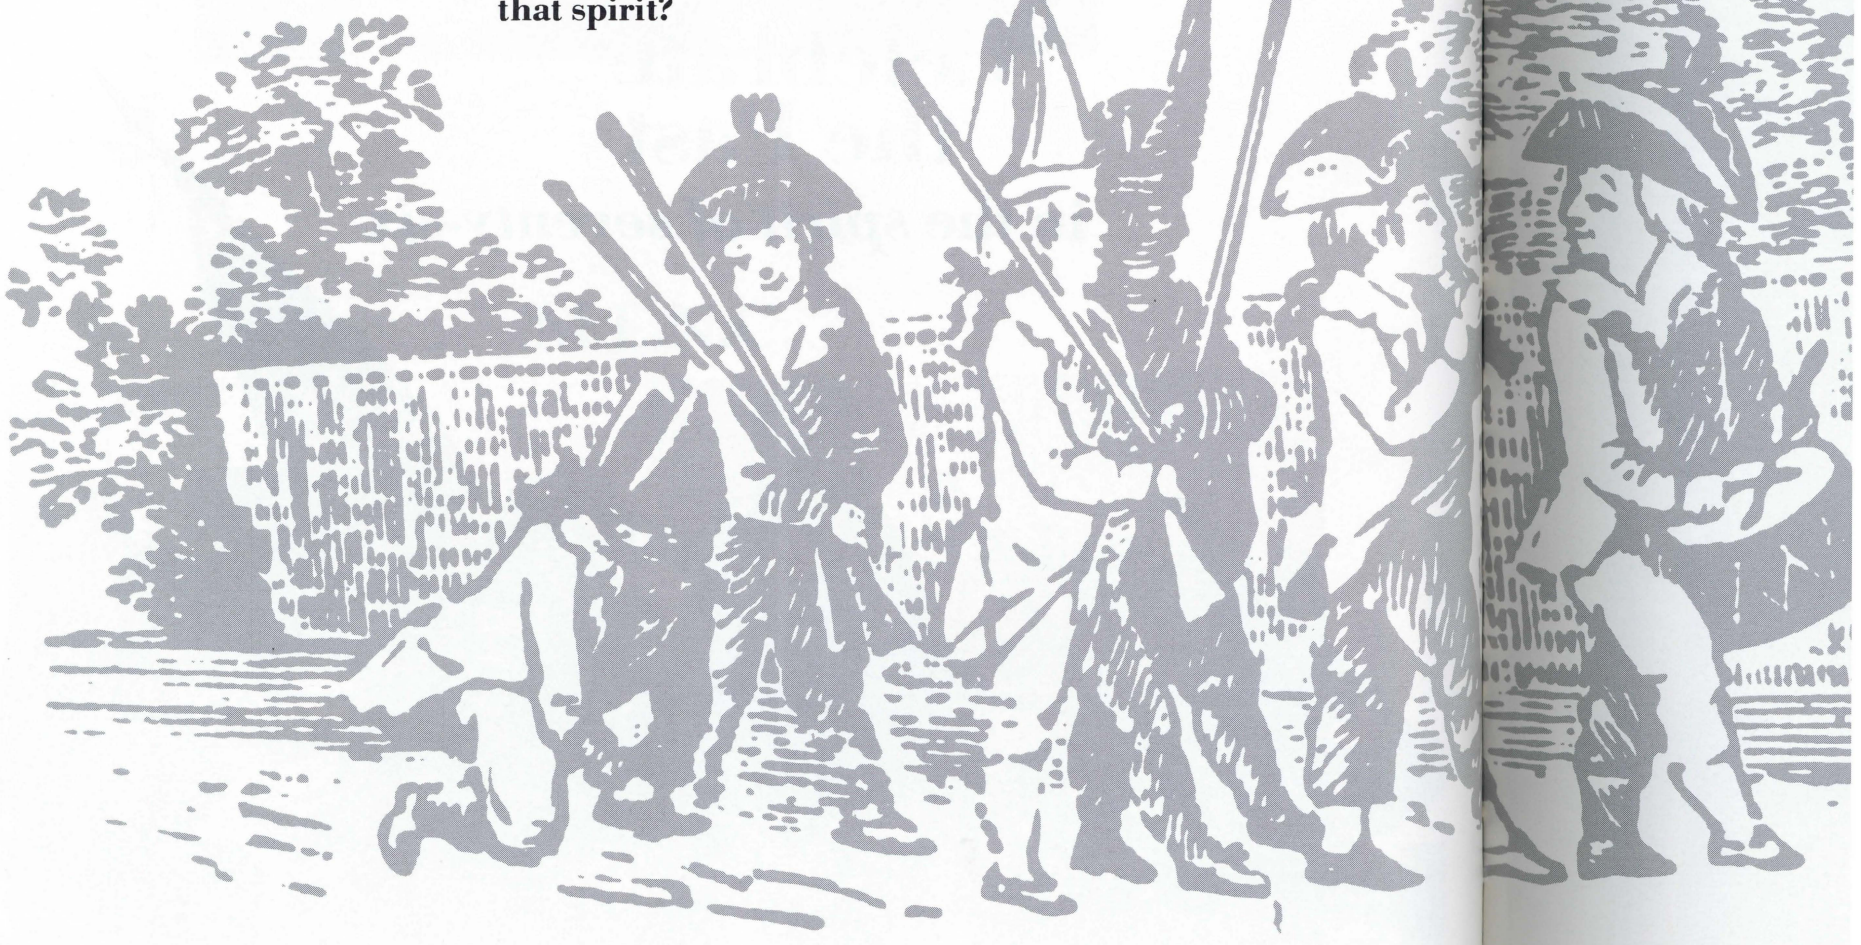
We Celebrate the Past

in the *spirit of seventy-six*



There was an enormous force which strengthened the colonies, which exists today, and which has carried America through its great history. That force is known to us all to be the *"Spirit of '76."*

What was that spirit — and indeed what *is* that spirit?



It is a *SPIRIT OF LIBERTY* and the knowledge that one man's freedom is more important than anything else on earth.

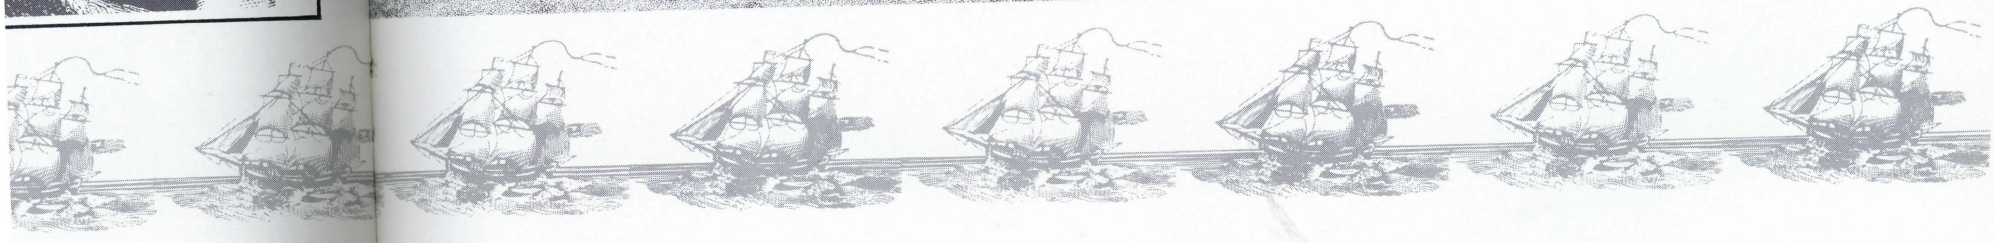
It is the *SPIRIT OF FRONTIER* — of not fearing to go where man has not reached.



It is the *SPIRIT OF DIVERSITY*

The 1975 season for the Wilkes Colonels was a disappointing one after their capture in 1974 of their sixth MAC Northern Division crown with a perfect 6-0 record. They went into their first contest with Clarion State with optimism only to lose 17-7. However they had a tremendous resiliency and began looking forward to next weekend's contest with Bloomsburg State. But around the corner lurked impending disaster for "The Valley with a Heart." It rained for a solid week and by Friday afternoon the raging waters of the Susquehanna threatened to overflow as on that fateful day in 1972. A flood was certain to ruin the high expectations of this 1975 football club. However the valley was spared this time and with just a few days of practice after their period of idleness the Colonels were ready once more.

The rest of the season was a succession of ups and downs with the Colonels never realizing their full potential. It was a do or die contest at Albright which would decide the winner of the 1975 MAC Northern Division. Victory was literally in the hands of the Colonels. Freshman, Bob Irwin, caught a beautiful pass and was in for the touchdown. However, the officials called it back after he dropped the ball saying that he didn't have possession long enough. There were tears of disappointment and frustration in his eyes. He was part of a team and putting forth his best was what he wanted to do. And isn't that what is really important — doing your best for your team because you're all in it together and you want that win so badly! Next year, the Colonels will try as hard as ever and maybe things will be even better.

Under the leadership of co-captains Tom Trost and Pete Papadovpovlis the team worked harder than their 1-10 record gives them credit for. With much of the team returning the outlook for next year is bright.

Members of the team are: Jeff Metzger, Jeff Davis, Mary Malloy, Coach George Pawlush, Bob Scott, Mike Salley, Steve Standiford.

Since cross country got off the ground at Wilkes in 1971, the harriers have had disappointing seasons. However there was a bright spot this season when the Colonels finished sixth out of fourteen teams in the Lebanon Valley Invitational Meet. Sophomore Paul Boris captured third place among 118 runners for an outstanding finish. This cross country team is a young one and next year they will pull it all together.

If I've told you once I've told you a thousand times . . .

The only winning seasons for Fall sports program were registered by the two women's teams and field hockey was one of them. For the second year in a row they won the NPWIAA CHAMPIONSHIP with a perfect 6-0 record. They had a grueling schedule playing 16 games in a month and a half with two post season tournaments to boot. This year saw the advent of an MAC field hockey tournament which was held at Wilkes with the Colonelettes coming in fourth out of nine teams. The girls began with a loss to Dickinson but they were not discouraged. They decided they really wanted to make a good showing at this first tournament and battled back beating Franklin and Marshall to assure a play-off spot. They played their hearts out but Dickinson edged by them to take third place.

This year also marked the first year that the Wilkes field hockey team ever had one of its players named to the Mid-east team, the first leg on the road to All-American. The judges awarded fullback Jean Johnson this honor.

The Colonelettes also had Nancy Roberts and Barb Long, co-winners of the Female Athlete of the year award and Susan Funke, former Wyoming Seminary Stand-out, to lead them to their 9-4-3 record. Losing only three seniors the girls have a bright outlook for next year.

Jack Brabant will go down in the annals of Wilkes History as one of the Basketball greats.

Coach Roger Bearde led his team to an overall record of 10-14 this past season with 3-7 record in the MAC Northern Division. Although the record was disappointing to the Colonels they showed guts and determination throughout the season.

The Colonels will be losing the Outstanding Jack Brabant who finishes up an excellent, playing career as a Colonel cager. The Colonels will also be losing Frank Britt and Mike Prekopa who both when not injured were very helpful to the play of the team.

A bright spot for the Colonels cage future is the crop of freshmen and sophomores that Coach Bearde has coming up through the ranks.

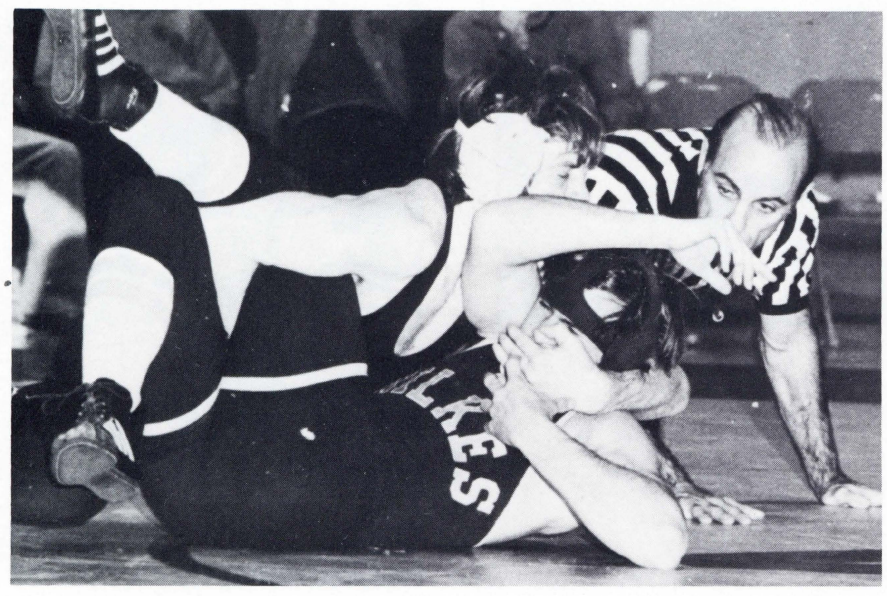
This year marks the first time any Wilkes team has ever entered Division I competition. Coach John Reese led his grapplers into a tough university division. For the first time in the Division I the Wilkes team faired out pretty well losing a few hard fought battles to Lehigh, Oregon, Navy, Syracuse, East Stroudsburg, and Army. These matches were very close and did demonstrate that the Colonels could wrestle with the big-timers. Wilkes had a very fine showing in the tournaments it entered with a first at Binghamton, a second at the Wilkes Open and a Sixth place out of fifteen teams in the Eastern Tournament.

Putting the Colonels on the map this year was Rick Mahonski, who took a second place in the Easterns and Jim Weisenfluh, who took a first in the Easterns and did it with four pins which garnered him the Outstanding Wrestler of the Tournament Award. By placing in the Eastern Tournament Weisenfluh and Mahonski went on to compete in the National Tournament.



Keep your mouth shut!!!

This season saw a new coach in Debbie Moyer, fresh out of East Stroudsburg State College. The girls had five back in Dotty Martin, Diane Jones, Sharon Wilkes, Anita Meehan and Karen Olney. They had plenty of help from the likes of Nancy Roberts and Barb Long, co-winners of the Female Athlete of the Year Award. They went over the .500 mark with a 6-10 season. This was the second year that the Colonelettes participated in the MAC tournament not doing as well as they had hoped. The future looks bright for this determined and hard-working team.

I think I can do it!

This year another sport was introduced into the Wilkes College Athletic Program.

The Girls Volleyball Team under the direction of Coach Saracino played their first season with many talented athletes, gaining much experience as they went along.

With practice and determination the Volleyball team will be ready for more action come next season.

This year's diamond squad may have been the all round team to ever don a Colonels baseball uniform. The Colonels came within a game of winning the MAC championship, but still had managed to prove their competence by garnering a playoff spot in the NCAA Tournament. The Colonels finished off the season with an impressive 17-5 record.

The Colonels will be losing the services of Captain and All-American Steve Leskiw, All-Star Dave Trethaway, Greg Snyder, Tony Schwab, and Jack Keller. These outstanding athletes will be missed by Coach Gene Domzalski.

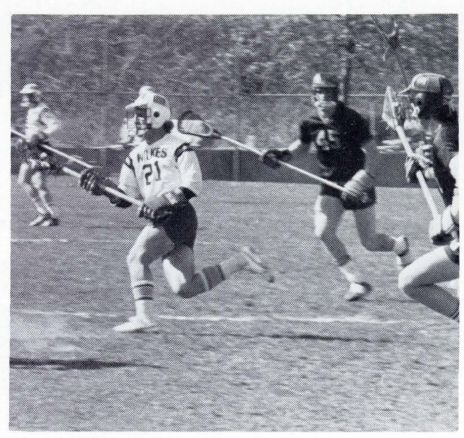
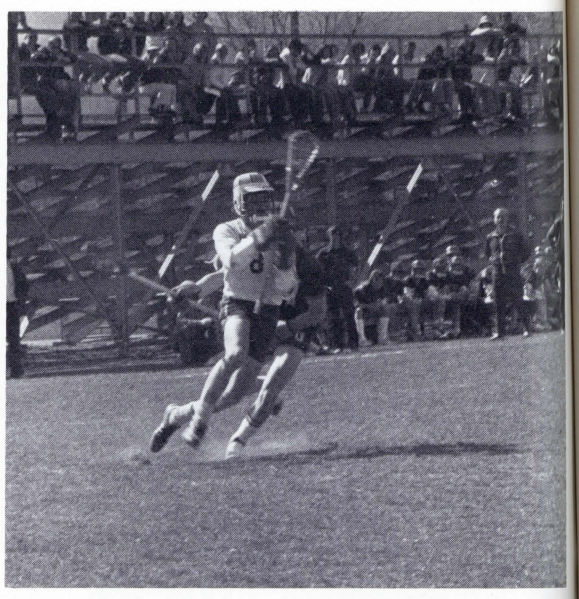
If only the coach would let me play.

It was a disappointing season for last year's Middle Atlantic Conference Champs. They saw all hopes of a repeat performance go down the drain this year with their three losses to Gettysburg, Madison FDU, and Franklin & Marshall. Things got off to a bad start when senior co-captain, Craig Austin was sidelined with a knee injury. It was a great loss coming at an inopportune time. However, the Colonels are known to make the best of bad situations and they went on to make a fine showing of 7 wins and 3 losses. Wilkes has made its place in the college lacrosse world and we can expect great things from them in years to come.



Full speed ahead.

Boontoon Boy Makes Big



Billy Winter has been Wilkes Lacrosse for the past four years. No one can talk about the Wilkes Lacrosse team without mentioning the most prolific scorer in its history. In his sophomore year Billy was the leading scorer in the nation and MVP of the Colonels. Sidelined with an injury last year he saw limited action but he has come back stronger than ever this year.

In the Colonels' last home game against Lebanon Valley, Billy scored 14 points (eight goals, six assists) which is the most any one man scored in a single game in the United States this year. His four year total is 108 goals and 91 assists. Billy Winter is leaving but he will not be forgotten. His are footsteps that are going to be extremely hard to follow in.

Thank You

I would like to take this last page to thank everyone who helped to make this yearbook possible and who helped me over the past four years.

Thank you Joe, Mary Ann, Debbie, Ellen, Kim, Debbie T., and Sue Ann. You were a great staff and helped put out a great book.

Thank you Paula for helping with layouts. Without you, I would still be doing them.

Thank you Shari for all of the yearbooks you sold in the commons.

Thank you Mr. Moran for being there when I needed someone to listen to me.

Hopefully, the 1976 Amnicola has captured many of the good times that have become good memories for all of us at Wilkes College. We enjoyed putting this book together and hope that you will find it a source of great joy in the years to come.

We, the staff of the 1976 Amnicola, wish everyone in the Class of 1976 the best of luck in the future. May our paths cross again and may we always remember the great times spent at Wilkes College.

Sincerely,

Debbie Morano
Editor-in Chief
