AS THE WHISTLE BLOWS

A brand new Bloomsburg State Teachers College football team makes its 1952 debut under the lights at Athletic Park tonight, and Husky fans have their first opportunity to see the handiwork of the Maroon and Gold eleven's new head coach, Jack Yohe, who served as Glenn Killinger's assistant at West Chester for the past five years, replaces Bob Redman, who drove the Husky dog sled during the past five seasons

Yohe, a confirmed disciple of the "T" formation, has come up with a bunch of fleet backs who run like the proverbial scared rabbits, and a rugged gang of linemen who are reportedly tougher than last year's crack forwards. Knock-down and drag-out scrimmages have indicated that the 1952 Huskies will ask no quarter and give none. Win, lose, or draw, this year's outfit is a scrappy ball club, ready to trade blocks and tackles down to the last whistle.

Although many of last year's veterans will be answering the starting whistle tonight, at least two Freshmen gridders will be in key spots at the kickoff. Mike Lashendock, 148-pound Kulpmont yearling, will likely get the nod at quarterback in the Huskies deceptive "T"-powered offense, while hard-hitting Tony DiPaolo, 1951 Berwick High School captain, will probably be the starting center. Both lads captained their high school clubs to outstanding records last year.

Otherwise, the starting Husky line lists Russ Verhousky and Charley Brennan, both Seniors

and All-State prospects at ends; John Nemetz, 1951 All-Teachers' selection, and Don Thomas, 230-pound soph, at the tackles, and Ardell Zeigenfuse and Joe Glosek, at the guards. In the backfield, Coach Yohe will likely pick Bob Rainey and Bernie Mont for the halfback spots and Banney Osevala for the fullback duties.

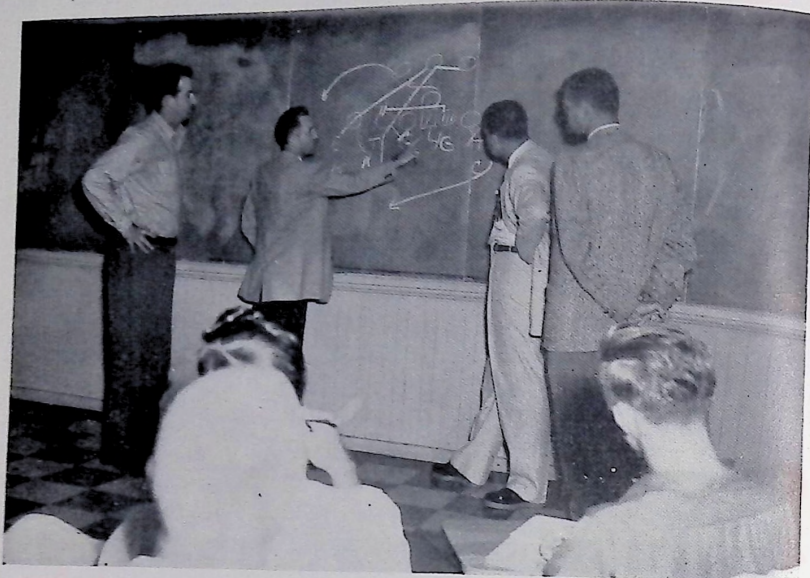

Fans should keep their eyes peeled for several potential stars among this year's Freshman crop — Jimmy Browning, lightning-fast Mechanicsburg ball-toter; Bob Bottorf, hard-running 165-pound full back from Bellefonte; Tom Shuey, a rugged tackle from Coal Township, and Tom Persing, an outstanding guard from Shamokin.

Senior Dave Linkchorst will spell Lashendock at quarterback, while Fran Bidelspach, the Huskies' 1951 All-Teachers guard from Sunbury, is slated to see action on the defensive unit. Space does not permit the mention of other Husky stars, but before the game is over Maroon and Gold fans will have seen most of them in action.

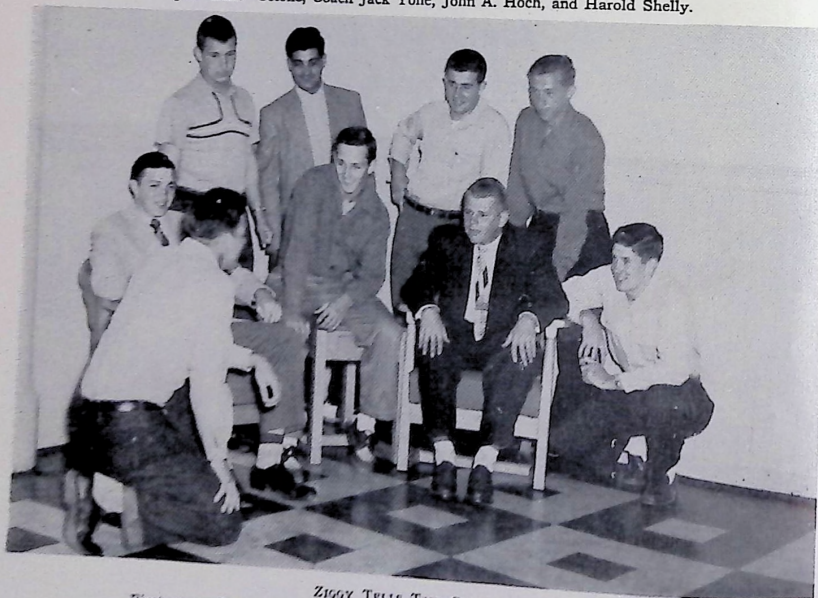

Little is known of the strength of this year's Wilkes College ball club, but Coach George Ralston always fields a tough, well-drilled eleven that doesn't know the meaning of the word, "Quit." The Colonels will be using their usual single-wing formation plus the "T", and the key men to watch will be Russ Pieton, former Hanover Township ace and All-Marine Corps fullback for the past two seasons, and little Eddie Davis, the one-time Plymouth High School standout. Pieton will be the man-under-the-center on the "T" and fire most of the Blue and Gold series.

Coach Ralston says he lacks ends and halfbacks, but Bloomsburg fans feel that his troubles are mostly imaginary. Therefore, it's anybody's ball game . . .

HUSKIES' HEAD MAN

Jack Yohe, the Huskies' new football coach, is widely known in Teachers College athletic circles, and local sports fans will get to know him much better as the 1952 grid campaign moves into high gear. Five years as backfield assistant to Glenn Killinger, the veteran West Chester football mentor, have given the thirty-seven year old Husky tutor a wealth of experience in Teachers College football which should prove valuable in his new post.

Yohe succeeds Bob Redman, highly successful Husky grid coach of the past five seasons, who resigned early in May to accept the head coaching post at East Orange, N. J. High School. It was during Redman's tenure that the Huskies became a power in Pennsylvania collegiate football, romping to 38 victories in 42 starts and posting unbeaten, untied records in 1948 and 1951.

Yohe learned his football lessons at Jersey Shore High School so well that he became one of the best backs in the history of Lock Haven State Teachers College, where he graduated in 1938. He began teaching and coaching at Biglerville High School following his graduation.

World War II interrupted his career in 1942, and he served with the U. S. Navy for a period of 46 months, being separated in 1946 with the rank of Lieutenant. Following his separation, he taught for one year at Upper Merion before accepting an assignment at the West Chester State Teachers College as assistant football and basketball coach.

A confirmed "T" formation man, Yohe hopes to convert the single-wing-minded Huskies to a "T" generated machine, but the personable young mentor is quick to state that variations will be made in the system to fit available personnel. He is known as a stickler for fundamentals and conditioning—two hallmarks of Bloomsburg football since 1946.

Jack, who is married, is the father of a future Husky guard—four-year old Gary. The new Husky coach holds a master's degree from Temple University where he is slated to complete all the requirements for the degree of Doctor of Education in the near future.
