WILKES UNIVERSITY

# WILKES UNIVERSITY

## PRESIDENT'S NOTE

Dear Class of 2019:

On behalf of everyone at Wilkes University, congratulations on your recent graduation. My colleagues and I take great pride in all that you have accomplished and are eager to learn what opportunities lie ahead. You have experienced a time of great progress at Wilkes. Over the past several years, academic investments and campus developments have transformed Wilkes, while our commitment to a mentoring culture has grown stronger.

You will recall that an ambitious campus enhancement initiative expanded academic facilities. The Mark Engineering Center, Karambelas Media and Communication Center, and NeuroTraining and Research Center became part of the campus vernacular. Several new athletic teams were launched, the Sordoni Art Gallery reopened with great fanfare, and a trip to Starbucks became part of our daily routine. The Campus Gateway Project has changed the way we navigate from place to place.

In addition, unparalleled educational opportunities – both in and out of the classroom – continue to prepare students for the future. Faculty members, often working alongside undergraduates, develop ways to tackle the biggest issues of our day, and various study abroad programs allow students to engage in important research internationally. The Wilkes University Honors Program marked a milestone this year when members of the program's inaugural cohort graduated.

These large-university opportunities are offered in a small-college setting, where faculty members not only know your name, but also your aspirations, challenges, and dreams. I hope that this unique combination has helped to shape your college experience in a positive way.

Before I close, I would like to reiterate a sentiment that I mentioned at the President's Dinner Dance. Many believe that college represents the best four or six years of your life. I believe that the best days of your life are not behind you - instead, they are ahead. As you look back on your time at Wilkes with fondness, do not forget to look to your future with confidence.

There are so many things that I'd like to express to you in this message - how grateful I am that you chose Wilkes, how proud the campus community is of you, and how much we will miss you. I wish the best for you, Class of 2019. I hope that your journey at Wilkes has provided you with many memories, a desire to continue your learning, and the passion to help those around you.

Sincerely,

Patrick F. Leahy

President
