

# WILKES

1986 Annual Report of Gifts

January 1, 1986 — December 31, 1986

## A Message from the President

Dear Friends of Wilkes:

This report of giving to Wilkes College during 1986 is especially significant. The figures detail the third successive year of income growth in private support, and, most heartening of all, they speak eloquently of the growing number of donors who expressed their confidence with a gift of resources.

Private giving to Wilkes College in 1986 was \$2,922,988 from more than 5,000 individuals and organizations. This represents an increase of 96% in cash flow and some 27% in the number of gifts. With \$1,211,043 in government grants for academic purposes, total gift and grant support reached \$4,134,031.

This report is the first to show the effect of WILKES TOMORROW, our vital campaign effort by which we will soon be building a much-needed center for sports and conferences and through which we have already begun to strengthen the College's endowment fund. WILKES TOMORROW accounts for the more than tripling of capital support from 1985 to 1986.

But this is not merely a "numbers" report. It is, most of all, a "people" report, and I'd like to recognize here some of those who helped to make it happen. First the College's trustees. Trustee giving grew five-fold. Individual trustees supported the capital campaign and its promise with personal, family, foundation and corporate gifts — which, in the aggregate were well over \$1,000,000 last year alone.

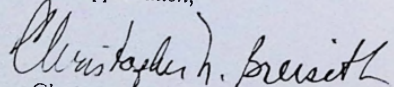

Next I'd like to congratulate the alumni who, by their impressive effort, met the challenge of the Surdna Foundation. By phonathon and personal appeal alumni attained a 50% increase in the Alumni Fund and, as a consequence, earned a \$50,000 grant which is now at work in the endowment generating scholarship funds for deserving students.

Parents of students are a relatively new group of givers, and they are well represented in this report. Responses to a year-end telephone appeal increased their participation by nearly 600%, the largest percentage growth of any College constituency.

And a note of thanks, too, goes to those hardworking volunteers in the community who call on friends and businesses on behalf of the Wilkes Annual Giving Campaign. We are constantly reminded that the Wyoming Valley community gave Wilkes its start and has sustained it for more than half a century. Community leaders continue to support the annual fund which provides valuable funds for the College's operating budget.

Now, with the 1987 annual campaign well underway, we are challenged again to improve the record. I am encouraged that the growing support from all quarters is a sign of confidence in Wilkes College and an endorsement of its mission to offer the highest quality education to a broad constituency of students who are able to benefit from a rigorous academic life.

With appreciation,

  
Christopher N. Breiseth

## WILKES TOMORROW CAMPAIGN SOARING

### An Outline of Needs

Wilkes College — July 15 — It was only announced last September but the capital campaign effort known as WILKES TOMORROW has already achieved dramatic results. A goal of \$18 million has been set for a Sports and Conference Center, Endowment Funds, and Annual Support to the Academic Program. Already \$8.8 million has been committed, including more than half of the \$8 million capital objective.

"We are on a very good track," said President Christopher N. Breiseth. Individual, corporate, and foundation reaction has been overwhelmingly positive, and we are very encouraged by our results in this five-year effort."

Much planning, preparation work, volunteer recruitment, and case statement development has been accomplished in advance of this preparation for the national effort. The campaign will run through 1990 and be conducted in various stages. Many more people need to be involved with the program for success. With your help, it will.

#### Sports and Conference Center (SCC)

The College's last self-study for accreditation, a larger student population, interest in lifetime fitness, and admissions research, all dictate high priority for the SCC.

#### Endowment Funds

Endowment per student ranks tenth among sixteen private colleges with which Wilkes is most competitive. Additional endowment will enable Wilkes to:

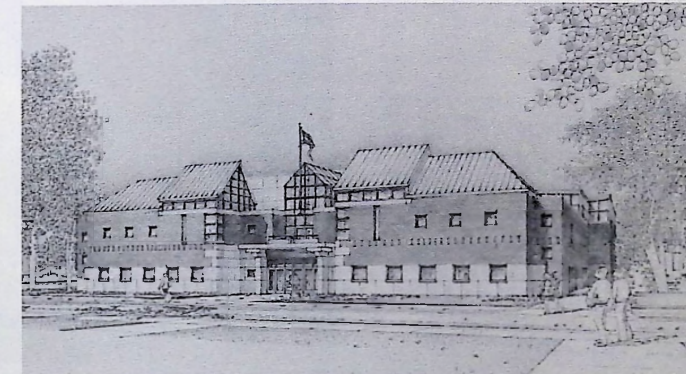

- Improve Faculty Compensation to competitive levels.
- Increase Scholarships for deserving students.

#### Current (Annual) Support to the Academic Program

(millions)  
\$ 5.5

2.5

TOTAL \$18.0

The planned Sports and Conference Center, a key element in the \$18,000,000 campaign, to be located on the Franklin Street gymnasium site.

### The Pattern for Success To Raise \$18,000,000\*

	*Five-Year Total	18,000,000		8,795,586

\*\$8,000,000 to capital purposes plus \$10,000,000 for current operations through 1990.

## The John Wilkes Club

Wilkes College has been shaping the lives of its students for more than five decades. In order to maintain its tradition of academic excellence, Wilkes needs the continued and substantial support of alumni and friends, thus helping the College advance its heritage as an outstanding of higher education.

The primary goal of the John Wilkes Club is to provide a strong base of unrestricted support for current operations. During 1986, gifts from John Wilkes members provided \$2,646,832 in gift support, including \$268,020 in direct support to the academic program and \$2,378,812 to designated projects.

Membership in the John Wilkes Club is open to alumni, parents of students, and other friends of the College on a yearly basis. Active Memberships are available in the following categories: Trustee Associate — a gift of \$10,000 or more; Founder's Circle — a gift of between \$5,000 and \$9,999; President's Circle — a gift of between \$2,500 and \$4,999 and John Wilkes Associate - a gift of between \$1,000 and \$2,499. Active Memberships may be fulfilled with gifts of cash, securities, real estate, or other property.

Lifetime Honorary membership is attained when cumulative contributions to the College reach the level of \$100,000 or more. Annual Active and Lifetime Honorary Memberships may be held concurrently.

In addition to serving as an important financial resource, membership in the John Wilkes Club provides individuals with an opportunity for closer association with the Board of Trustees. An annual dinner meeting, sponsored by the Board of Trustees, is held to provide John Wilkes members with special insights into College programs. In addition, John Wilkes members are invited to special College events and receive communications from the President on important issues.

## 1986 Annual Report of Gifts

### Class Competitions

Wilkes College is extremely grateful to everyone who participated in the 1986 Annual Giving Campaign. Without our many supporters, Wilkes would not have the means to continue its tradition of excellence.

During the year January 1, 1986 thru December 31, 1986, gifts to Wilkes' Annual Giving totaled \$653,618. Of that total, \$154,151 in unrestricted funds and \$5,864 in restricted funds were donated by alumni. The increase of \$52,950 in contributions by alumni met the Surdna Foundation challenge which generated an additional \$50,000 grant to Wilkes' Scholarship Endowment.

Alumni "class competitions" were also exciting. This year the Classes of 1968 and 1969 tied with the most donors. The Class of 1941 finished with the largest percentage of donors while the Class of 1968 ended up donating the most money.

Class	Number In Class	Number Solicited	Number Of Donors	Percent Participation	Amount
1941	61	40	17	42.5%	\$ 1,039.50
1968	455	404	107	26.5%	9,590.00
1969	489	449	107	23.8%	5,280.00

With an increasing number of alumni volunteering to be class agents, it looks as if these class competitions will become even more competitive. If you would like to get involved as a class agent, contact the Annual Giving Office at (717) 824-4651. Help your class become "Number One!"

### The Eugene Farley Club

As the first president, Eugene S. Farley established ideals for strengthening character and goals of scholarly excellence which the College has always endeavored to emulate. These qualities have been essential to the continued success of Wilkes.

Taking the name of the exemplar whose vitality still infuses the institution, the Gene Farley Club is also an essential part of Wilkes College. Resources given by Club members, in the form of gifts of \$100 to \$999, provide a critical margin of assistance insuring that Wilkes retains its position as an outstanding, private, liberal arts college.

Membership in the Farley Club is open each year to alumni, parents, and other friends of the College. There are three categories of giving: Gold Circle (\$500 - \$999), Blue Circle (\$250 - \$499), and Farley Associate (\$100 - \$249).

In 1986, the 1064 Farley Club members provided \$202,699 in annual gift support. Unrestricted support was \$148,828, while designated gifts totaled \$53,871.

During the next year, Farley Club membership will be strongly encouraged. New and increased gifts of \$100 or more are vital to the strength of the College and will be actively sought during the year. With the help of Farley presidency.
