## DEDICATION

In 1947 Stanko Vujica, one of our most respected and loved professors, arrived at Wilkes College. He came to the United States and to the College of his own free will, but hardly because of his own choice.

Because of his opposition to the dictatorships of the right and of the left, he was sought by the Nazis and the Communists. In his writings for learned journals and in his teaching at the University of Zagreb, he had compared the racism of Hitler with the materialism of Stalin. In consequence, he was seized by the Nazis when they occupied Yugoslavia and he was sought by the Communists who controlled Yugoslavia after the war had ended. As a man "without a country" he was persuaded by the Americans to create a new home in the United States. Fortunately for us, he was directed to Wilkes College and joined our faculty a few days after his arrival on our shores.

Prior to coming to the United States, Dr. Vujica published a number of papers and articles; and two of his books, one in Croatian and the other in German, were printed. Since arriving in the United States he has continued to publish in Croatian and he has recently written several papers in English. Among his recent writings are, "THE UNREASONABLENESS OF MAN—AN EXAMINATION OF IRRATIONALIST TRENDS IN MODERN THOUGHT", "THE YOUNG MARX OR THE OLD", and "MEDITATIONS ON THE OCTOBER REVOLUTION".

During his twenty-one years at Wilkes College, Dr. Vujica has consistently stimulated and encouraged his students, he has strengthened his department, and has enlivened the faculty and administration with his perception and wit. In his quiet manner Dr. Vujica has sought to share his knowledge with students and has encouraged them to raise their personal standards while broadening their perspective. As a token of their gratitude for his inspired teaching, the students of Wilkes College dedicate this issue of the Amnicola to him

# THE PRESIDENT'S MESSAGE TO THE CLASS OF 1968 

Within the next quarter of a century your judgment and integrity will be tested to the utmost. You will live in the midst of uncertainty and change for thesehave become an integral part of our society.

If your education is to prove of worth in these uncertain years, each of you must develop judgment that is based upon knowledge and experience, a keen sensitivity to the needs of others, a balanced control of your own emotions, and a willingness to commit yourselves to the maintenance and improvement of your society.

In this summer of 1968 you must be concerned by the tensions and animosities which reveal themselves. If you are to play a constructive role in resolving these tensions and animosities, you must strive for a clear understanding of their causes. You must then be ready to take whatever steps are necessary to resolve them.

May you find that your years of work at Wilkes have developed some of the capabilities that you will need if you are to play a constructive part in the turbulent years ahead. You have gained some knowledge and skill through your formal education, but knowledge and skill are not enough. Unless you also develop compassion and concern for others your efforts will be misdirected. Only by combining these qualities of mind and heart can you hope to identify yourself with mankind; only through such identification can you share the fears, the hopes, and the aspirations of your fellows.

But more than compassion and concern are needed. You must be sustained by a vision of something better for all men, and this vision must be given meaning by the conviction that men can improve their own lot in this world by striving to improve the lot of their fellows.

And, one more thing is needed,-trust. Without trust in our fellow we destroy the great hopes of mankind. Only with trust in one another can we advance toward the great goals that we envision.

But, you may ask, how can I win the trust of my neighbor? The answer is simple to give in words, but difficult to translate into reality:-"think and act in a manner that will give your fellow cause to place his trust in you."
Above all, may you always remember that the well-being of people is the only true measure of your efforts.

## LIBRARY

Situated on the Corner of South River and South Streets in the once Kirby residence is the Wilkes Col lege Library. In June 1968, the antiquated atmosphere -the winding stairs, the fireplaces, and the tapestry walls are to be substituted for modernization when the library will be relocated in a new, totally modern facility on the corner of South Street and South Franklin Streets.
With the expanded area, the library can easily shelve and add to its 80,000 volumes and periodicals. Also the Graduate Science Library currently located in Stark Hall will be reunited in the new building. Thus the long anticipated plans will soon become reality.

## BOOKSTORE

The bookstore is the student's vital source of all of the necessities of academic life such as sweat shirts, beer mugs, decals, pens, paper and of course, books. Large books, small books, expensive books-books which the midnight oil will be burned over and books that will never be opened.

## FRESHMAN

In September of 1967 our Freshman Class, bright-eyed and bushy tailed, stormed onto the Wilkes campus to begin their four long years of study. Freshmen Orientation Week began with conferences, tours, pictures and parties. The luncheon was held in the Gym at which time President Farley welcomed the Class of ' 71 officially. Introductions of Big Brother and Big Sisters took place, and the week was rounded out by a picnic at Dr. Farley's Fair Lea, where the Cheerleaders insighted into the class, the spirit of Wilkes.

"Oh great Tree of Wisdom, shine forth your love and
bring harmony to this valley." bring harmony to this valley."

## HOMECOMING

 Homecoming 1967.

FRIDAY - BONFIRE
The weekend activities started with the lighting of the dorm and club displays at 6:00. A car caravan then left River Street for the field, where the cheerleaders and majorettes held a Bonfire in honor of the football-igniting the fire with the efigy of the Ford. Then a dance was held in the Gym, with the music of Eddie Day and the Nightimers. Even though the day was dampened with rain, the spirit continued.

## WINTER CARNIVAL

Camelback Ski Resort was the setting for the post-registration affair which included skiing, sledding, and skating during the morning and afternoon. In the evening Mel Wynn played for dancing in the Alpine Room. At that time also Miss Jean Marie Chapasko was crowned Snowflake Queen of 1968. Her princesses were Margie Fishman and Doris Jaffee.

## BEST DRESSED CONTEST

## DINNER DANCES

FRESHMAN-SOPHOMORE

The ingenuity and originality of these two classes showed itself as the Gym became likened to the Factory, Arthur, or any swinging psychedelic scene. Strobe lights, cardboard boxes, tiny tables, and a panorama of color brought the mood to a mind-blowing standstill. The music of the New York Rock Ensemble added the extra spark in the evening for all to remember STRAWBERRY FIELDS forever.

Although a bit more toned down than the Freshman-Sophomore Dance, the Juniors and Seniors presented an enjoyable time for all. Music, gayly decorated tables, good food, and the funny antics of Basil Russin made for a lively last dance for the two classes.

## CINDERELLA BALL

At 9:00 all was in readiness ... the baskets of daisies beautifully decorated the tables, the gardenias floated softly in the brandy snifters, and the programs outlined the night's events.

At 10:00 the ten Princesses arrived ... smiling, excited, and somewhat anxious. At 11:30 Miss Lord and Joe Kiefer began the presentations of the Princesses.
Finally, at the stroke of midnight, Miss Charlene Ross's fairy godmother smiled happily as she watched her protege crowned Cinderella of 1968. Miss Ross's lady-in-waiting was Leslie Calamari.

## HAMPTON

 WEEKENDDuring the weekend of April 26, 1968, sixteen students and two chaperones from Hampton Institute in Hampton Virginia arrived on the Wilkes campus to spend a weekend as part of the Hamp-ton-Wilkes exchange. This eleven-year old tradition started between two friends at graduate school -Dean Ralston of Wilkes, and Dean Hawkins of Hampton. The Hamptonites attended rounds of parties, toured Stegmaier Brewery, a coal mine and visited the movie set of the Molly Mac Guires at Ackley.

These are the sixteen Wilkes students who visited Hampton Institute as part of the student exchange.

## ASSEMBLIES

This year saw a change in the assembly policy of Wilkes. Under the new system, four assemblies were held-two being compulsory. In September, Dr. Farley gave an address "On Being Human" and officially opened the academic year. In the Fall a Pep Rally was held by the cheerleaders with the help of the band. At Christmastime, the Brass Ensemble and the Mixed Chorus rendered carols, while Mr. Groh, Miss Lord, and Mr. Salsburg read passages from The Christmas Carol. In May the Awards Assembly honored all the students having done outstanding work during the year.

## FRESHMAN WEEKEND

In the Spring Semester, the InterDormitory Council set up Frosh Weekend, whereby future Wilkes students visited the campus for a weekend and became acquainted with all of its splendors. A dance was held, a party in the new rec room, and various welcoming speeches and lectures prevailed over the campus. Tours were held, and dorms cleaned, and friends made.

## TEAHOUSE OF THE <br> AUGUST MOON

John Patrick's Pulitzer Prize winning play, based on Verne Sneider's novel, Teabouse of the August Moon, was presented by the members of Cue n' Curtain this past year. With the helpful guidance of Mr. Sugiyama of the Political Science Department, the students mastered the language of the play and did an outstanding all-around job of bringing the magic of Japan to Wilkes.

## COLONELS WIN THIRD CONSECUTIVE

The long, hard road to the MAC title ended on a Saturday afternoon in November. The way was filled with dirt, sweat, work, and pain. At the end were 21 straight victories, eight this year. Lebanon Valley College, the last victim, was a fitting climax. The Colonels played a picture game. The six seniors on the squad, as a whole, played their best game, ending rewarding collegiate careers.

The season started with a scrimmage with Princeton. In all honesty, it must be said that the Colonels bettered the Tigers by a small margin.

Paul (Pepper) Merrill, left end, typifies the type of effort that has made the Colonels' defense one of the best among small colleges as he dumps the Ursinus quarterback.

Then the season began with the three toughest opponents, but Upsala fell quickly with Doug Forde running back the opening-half kickoff for a touchdown. The final score was 32-14. Moravian came to Ralston Field with high hopes and a potent passing attack, but Dan Malloy quickly ended that with five interceptions. The Colonels dominated the game but could only muster a 22-12 victory. Delaware Valley was supposed to be the team that would end the Colonels' winning streak and for three quarters it looked as though it would. Then Joe Wiendl ran back a punt for a touchdown, and Dave Kaschak's kick gave Wilkes a $14-13$ victory.
From then on it was easy sailing. Ursinus fell 28-0, Drexel, 13-3, and Haverford was humiliated 69-0 before a pleased Homecoming crowd. PMC fell 27-0 and Lebanon Valley felt the Colonels' power when Doug Forde ran back the opening kickoff for a touchdown. The score was 37-7.

The final game ended with a subdued celebration. There was more a feeling of relief than exuberance, but pride and self-satisfaction filled the air. We had gained a tie for the MAC title, our third in a row, but with the first two being ours alone, this seemed less cherished.

Eight Colonels were named to the MAC Northern Division All-Star Team. Named to the team were: Joe Skvarla, end; Bruce Comstock, tackle; Joe Roszko, guard; Paul Merill and Joe Koterba, ends; Bill Layden, interior line; Brinley Varchol, line-backer; and Joe Wiendl, defensive back. Receiving honorable mention were George Conway, Center; Roger Beatty, halfback; Vince Yarmel, fullback; and P. J. Kane, linebacker.

Leading the offensive statistics were Roger Beatty, Vince Yarmel, Joe Zakowski and Joe Wiendl.

## SOCCER

The soccer team ended its 1967 season with a record of seven wins, two losses and four ties. In the beginning of the season the Colonels had hopes of winning the Northern Division title, but a plague of ties held the team back.
The Colonels succeeded in tieing last year's record of six shutouts in a season. The offense outshot its opponents all season scoring 25 points to the opposition's 15 The Colonels were led by senior TriCaptains Tom Rokita, Rich Beck, and Joe Kiefer. Two other seniors, Roger Brewer and Dave Thomas, finished their soccer careers at Wilkes. Jerry Yarremko was honored by being named to the MAC All-State team.

BASKETBALL

All season long the basketball team was causing excitement with its close come-from-behind wins, and the team finished the season with an overall record of 12-11 and 9-6 in the MAC.
The basketball team made up in hustle and desire what it lacked in height and gave the fans a thrill a minute. Jay Reimel and Bill Grick, two freshman guards, gave a winning spirit to the team while Herb Kemp did the muscle work of scoring and rebounding.

Before the season started, Coach Schmidt said, "We have all the potential to have an outstanding season. We have a couple of real fine hitters, good speed on the base paths and two or three pitchers that can get the job done." Everything that Coach Schmidt said came to life as his team earned an overall record of 11-4 and 9-2 in the Middle Atlantic Conference to give Wilkes the MAC Championship.

## TENNIS

Coach Tom McFarland's netmen gained four consecutive victories before bowing to a rugged team from Ryder by a 7-2 count. The Colonels were $6-1$ on the season before a scheduling error forced them to accept a second defeat. The error was made with Muhlenberg and the Allentown school demanded a victory as compensation. However, the team did finish with an excellent record of 8 wins, 1 loss, and 1 forfeit.

## GOLF

The linksmen under the direction of Coach Welton Farrar finished the season in the win column with a 5-4 record. Coach Farrar has been forced to depend upon Freshmen throughout the campaign, and the loss of team captain Bob Brown early in the season definitely hurt the golfer's chances. Nevertheless, we congratulate the team on a winning season

## EDITOR'S LETTER

At the beginning of the year the task of organizing and completing the ' 68 AMNICOLA seemed an insurmountable one. However, as the year quickened its pace and sped rapidly onward, a dedicated group of staff members gathered together to tackle the job. These people do not deserve praise only for their work but also for their friendship, wit, and humor throughout the long hours of work.
My thanks to the photographers, for without photographs there can be no book. Thanks Jim for heading the crew and adding the professional touch.

Thanks Tom for being everywhere at the same time, for your ideas, and for getting the special shots we needed. Thanks Jack for joining the crew when the work began to pile up and for the fine work during those last hectic weeks.

So you want to do events? Thanks Alicia for doing a fine job on the events section, your nimble fingers on the typewriter, and also for your drollery and jocularity.

Thanks Irene for the capable assistance. Thank you Mary for the dorms and the donuts.
My thanks Carol for organizing the club section and trying to schedule those club pictures. Thank you Ellen for a fine job on the faculty section. Good-luck Carol and Ellen with the '69 AMNICOLA.

Thanks Mike for really working hard for those badly needed ads. I'm sure that you will do even better next year.

My thanks Merry for the Foreward and your solace.
Thanks Bob Thompson of the BEACON staff for the use of some of the sport's copy. Thanks Grace, Mr. Nolan's secretary, for all your effort in seeing that the book was exactly the way we wanted it. Special thanks Dr. Farley for your time and contribution to the dedication. Don't worry Mr. Colson ... we made the deadline. Thank you for your advice and guidance throughout the year. Last but not least, thank you students and faculty of Wilkes College.
