WILKES COLLEGE

1987 Annual Report of Gifts

January 1, 1987 — December 31, 1987

A Message from the President

Dear Alumni:

This annual report of gifts has special meaning for all of us because it has been a year of significant growth at Wilkes College. We have reached many of the goals we set for ourselves when we launched the Wilkes Tomorrow Campaign 2 years ago.

The Sports and Conference Center construction is underway with a projected completion date of December 1988. Annual giving has increased by 9.3% and Trustee and Alumni giving continues to serve as an inspiration to all. Special thanks must also be extended to members of the Business and Corporate community whose gifts have generously supported the capital campaign. We now have \$11,650,000 toward our overall goal of \$18,000,000.

This report will underscore the crucial role of philanthropy in College financing. We cannot do it without you.

As you know, approximately 85% of our income is tuition generated. If we can meet escalating operational costs by increasing annual and scholarship support, we will achieve another major goal — to hold tuition costs down and still provide students the excellent education that is synonymous with Wilkes College.

While this record of giving is substantial, we are consistently challenged to improve the record if we are to continue to prepare students to meet future demands in an ever changing society.

With appreciation,

Christopher N. Breiseth
President

Why Annual Giving

You might say that annual giving was founded by Benjamin Franklin. To finance the academy that is now the University of Pennsylvania, Franklin personally pledged £5,000 — "to be paid in quotas yearly," the earliest known annual giving pledge.

Dedicated support such as Franklin's has also been a tradition at Wilkes, from the day of its founding 1933. Since then, hundreds of far-sighted persons have given the financial leadership required to build a superior College.

While tuition has always been the primary source of College income, private gifts have lifted Wilkes to its current position of educational quality. Indeed, it is only through the thoughtful annual giving of many people and organizations that private higher education — at Wilkes and nationwide — is nurtured and advanced. Annual gifts, particularly in their yearly continuity, constitute a needed, in fact vital resource which significantly strengthens the academic program.

Looking ahead, Wilkes has adopted a new program of mission. Building on the outstanding quality of the past, Wilkes now embarks on an intensified plan to undergrid the liberal arts core curriculum while engaging students in the quest for knowledge and preparation for life.

In order to accomplish these ambitious goals for this decade and beyond, Wilkes must broaden and improve College gift support. This is the challenge and the test. With the continued involvement and interest of loyal alumni, local businesses and national corporations, parents, and other friends of the College, the goals for the 80's will be met, and the tradition which is Wilkes will thrive for future generations.

On The Cover:

The late Jon Carsman's (1944-1987) "Edwardsville 1968" is one of the many pieces selected from the Sordani Art Gallery's collection to be featured throughout this publication. Mr. Carsman was an alumnus of Wilkes College, Class of 1966, whose work is increasingly well known and appreciated.

WILKES TOMORROW

We Begin!

Even the foul weather on March 4 could not dampen the enthusiasm for the groundbreaking for the Sports and Conference Center. It was a great day and, despite a feeling of nostalgia, a big step forward in the \$18,000,000 WILKES TOMORROW Campaign.

President Christopher N. Breiseth said, "We've been wrestling with this building for a long time. It has fulfilled the purposes of its construction in 1950 and we must now look ahead to our future. We expect the new facility to do a good job of serving current and future needs."

Frank M. Henry, Chairman of the Board of Trustees, said, "the old gym has many memories but we hope to create even stronger and better remembrances in the SCC. It is going to be a great addition to campus."

Also participating in the ceremony was Wilkes-Barre's new mayor, The Honorable Lee A. Namey, a member of the Class of '68. The Mayor said the new building would be an asset not only to the College but also to the city.

Pictured (above, left to right) in the formal announcements are: Namey, Breiseth, and Henry. At the groundbreaking portion of the ceremony (below, left to right) are: Peter Bohlin, Architect; John Homza,

Sordoni Construction Services; Philip L. Wingert, Chairman of the College's Physical Education Department; David C. Hall, Chairman of the Board's Physical Facilities Committee; Mayor Namey; President Breiseth; John Rosania '89, President of Student Government; Patricia S. Davies, Past Chairman of the Board of Trustees; Eugene Roth, Esq. '57, Chairman of the WILKES TOMORROW Campaign; and Stella Miner Moat, member of the Miner Family who gave the land on which the new facility is being built. In the cab of the bulldozer is Frank Henry.

By the way, the shovels didn't do much good on the frozen ground but the bulldozer saved the day!

The John Wilkes Club

Wilkes College has been shaping the lives of its students for more than five decades. In order to maintain its tradition of academic excellence, Wilkes needs the continued and substantial support of alumni and friends, thus helping the College advance its heritage as an outstanding institution of higher education.

The primary goal of the John Wilkes Club is to provide a strong base of unrestricted support for current operations. During 1987, gifts from John Wilkes members provided \$1,176,253 in gift support, including \$220,625 in direct support to the academic program and \$955,628 to designated projects.

Membership in the John Wilkes Club is open to alumni, parents of students, and other friends of the College on a yearly basis. Active Memberships are available in the following categories: Trustee Associate — a gift of \$10,000 or more; Founder's Circle — a gift of between \$5,000 and \$9,999; President's Circle — a gift of between \$2,500 and \$4,999 and John Wilkes Associate — a gift of between \$1,000 and \$2,499. Active Memberships may be fulfilled with gifts of cash, securities, real estate, or other property.

Lifetime Honorary membership is attained by individuals when cumulative contributions to the College reach the level of \$100,000 or more. Annual Active and Lifetime Honorary Memberships may be held concurrently.

In addition to serving as an important financial resource, membership in the John Wilkes Club provides individuals with an opportunity for closer association with the Board of Trustees. An annual dinner meeting, sponsored by the Board of Trustees, is held to provide John Wilkes members with special insights into College programs. In addition, John Wilkes members are invited to special College events and receive communications from the President on important issues.

The Eugene Farley Club

As the first president, Eugene S. Farley established ideals for strengthening character and goals of scholarly excellence which the College has always endeavored to emulate. These qualities have been essential to the continued success of Wilkes.

Taking the name of the exemplar whose vitality still infuses the institution, the Gene Farley Club is also an essential part of Wilkes College. Resources given by Club members, in the form of gifts of \$100 to \$999, provide a critical margin of assistance insuring that Wilkes retains its position as an outstanding, private, liberal arts college.

Membership in the Farley Club is open each year to alumni, parents, and other friends of the College. There are three categories of giving: Gold Circle (\$500 - \$999), Blue Circle (\$250 - \$499), and Farley Associate (\$100 - \$249).

In 1987, the 1155 Farley Club members provided \$207,342 in annual gift support. Unrestricted support was \$152,319, while designated gifts totaled \$55,023.

During the next year, Farley Club membership will be strongly encouraged. New and increased gifts of \$100 or more are vital to the strength of the College and will be actively sought during the year. With the help of Farley Club members, Wilkes will continue the proud traditions established by Eugene S. Farley during his 35-year presidency.

Otto Kirschner (German 1887-?). Man Reading a Letter. Oil on canvas, 7 x 5 1/2 inches. Gift of Sordoni Family Collection.

Class Competitions

Wilkes College is extremely grateful to everyone who participated in the 1987 Annual Giving Campaign. Without our many supporters, Wilkes would not have the means to continue its tradition of excellence.

During the year January 1, 1987 thru December 31, 1987, gifts to Wilkes' Annual Giving totaled \$717,228. Of that total, \$148,501 in unrestricted funds and \$151,589 in restricted funds were donated by alumni.

Alumni "class competitions" were also exciting. This year the Class of 1970 had the most donors, the Class of 1942 finished with the largest percentage of donors while the Class of 1957 ended up donating the most money.

Class	Number In Class	Number Solicited	Number Of Donors	Percent Participation	Amount
1942	71	48	22	46%	\$ 1,412.00
1957	227	178	58	33%	33,106.55
1970	540	476	138	29%	15,952.38

With an increasing number of alumni volunteering to be class agents, it looks as if these class competitions will become even more competitive. If you would like to get involved as a class agent for your class, contact the Annual Giving Office at (717) 824-4651. Help your class become "Number One!"

Alumni
