## UNITED FUND APPEAL BEGINS WITH DANCE IN GYM TONIGHT

### College Quota Set at \$3,400, Student and Faculty Gifts Will Aid Community Effort

by Marilyn Krackenfels

The Wyoming Valley United Fund Drive, which received its official kickoff Tuesday night at Kingston Stadium, is now in "full swing" here at Wilkes. Once again the over-all chairman of the Wilkes Drive is Dr. Charles Reif, with Gordon Roberts as his student co-chairman.

This year the college quota is \$3400 of which \$100 to \$1200 is expected to be contributed by the students and the remainder by the faculty and employees of Wilkes. In order to solicit contributions, the president and officers of each class will have special committees to contact each student personally.

Everyone is urged to give a minimum of one dollar. Clubs and other campus organizations will make collective contributions which

Gordon Roberts

will be presented to Mr. Russell Picton before the close of the drive.

Since the United Fund Drive is an annual affair whose purpose is to eliminate countless small campaigns, it is hoped that everyone will be as generous as possible. Unfortunately, last year Wilkes fell short of its \$3850 quota by almost \$600.

Let's not see a repeat performance this year! How about a little drive behind the drive? One dollar — once a year — you'll never miss it!

### BONFIRE PLANS SET; HANOVER H.S. SITE

The first bonfire of the year will be held next Friday night at Hanover High School practice field. The car caravan going to the blaze will converge in front of Chase Hall heading south.

All drivers are urged to be in front of Chase by 7:15 so that a line stretching from Chase to the Sterling Hotel can be formed in orderly style.

Maps showing the route of the caravan will be posted on the bulletin boards on campus.

The fire will be set off at 8 and

#### NOTICE!

Beginning on Monday, October 13, students will be prohibited from parking their cars on West River Street between Ross and Terrace Streets. No cars may be parked on Terrace Street between West River and Stanley or on Stanley itself. There are repairs being made on those streets and any car parked there will be towed away.

The ban will be lifted on Monday, October 20.

### Frosh Get Chance to Produce As They Present Entertainment, Dancing in Behalf of Charity

by Richard J. Myers

Tonight the Class of 1962 has its first big chance to show what it can do as an organized unit when it presents the campus kickoff for the United Fund charity drive. Music, singing, and dancing will be the order of the evening in the first project of the new class.

### SPUDIS NAMED TO 'ALL EAST'

by John Thomas

Wilkes College lineman Frank Spudis has been picked by the Eastern College Athletic Conference for honorable mention on its All-East Football Team. His aggressive charges at the opposing

Frank Spudis

linemen and ball carriers helped Frank achieve this coveted honor.

For the backfield of the first team the E.C.A.C. has selected Dawkins of Army, Austin of Rutgers, Choquette of Brown, and Tranchini of Navy. Also included in honorable mention was George Fritzinger, former Meyers High School star now playing with Navy.

Spudis was named first Beacon Athlete of the Week this year because of his offensive blocks and sparkling defensive plays. Since then he has continued his fine performances. Two weeks ago against Lebanon Valley he blocked three punts and last week against Moravian his bull-like charges enabled him to intercept a pitch-out and run 70 yards for the Colonels' only touchdown.

During the summer Frank worked at a summer camp and played basketball to keep his rugged physique in top shape. According to Coach Pinkowski this paid off since he was in prime condition for the first practice session of the season.

Frank's athletic career goes back as far as 1953 when he starred for the powerful Pittston High football team and played on their basketball team for four years.

## Seniors Deluge Polls In Record-Breaking Vote; Constitution Is Passed

by Sue Snoop

The senior class broke all recent records Wednesday when they trooped to the polls to elect Rodger Lewis, Mike Goobic and Janice Reynolds president, vice-president and secretary, respectively. One hundred and forty-eight seniors voted for an estimated 87 per cent — the highest percentage among the four classes.

The voting for treasurer in the senior class ended in a tie between Bob Payne and Dick Bailey thus necessitating a run-off election which will be held on Thursday, October 16, in Chase Theater from 10:50 until 1:00.

The junior class was represented by 143 voters who re-elected John Mulhall as president; Carl Havira, vice-president; Frank Steck, treasurer; Moncey Miller, secretary.

The sophomores, 162 strong, elected Gil Davis president; Richard

Kniffen, vice-president; Dot Ford, treasurer; Arlene Gallia, secretary.

Seventy-four per cent of the freshman class cast their first college ballots in electing Victor Turoske their first president. Ralph Pinskey was chosen vice-president by a landslide, while Andy Lowenberg and Estelle Manos were elected treasurer and secretary respectively.

The amended constitution was accepted by an 87 per cent majority of the voters. An estimated 10 per cent voted against the document.

## LAWRENCE STRESSES SUPPORT OF STATE'S HIGHER EDUCATION

Pittsburgh's Mayor David L. Lawrence, the Democratic candidate for Governor of Pennsylvania, addressed the student body of Wilkes College at noon, Tuesday, October 7, on the law of Chase Hall.

Lawrence's visit to Wilkes was sponsored by the college Student Council. Members of the council met with Mayor Lawrence and members of his party in Dr. Farley's office. Among those present were: Dr. Hugo Mailey, Dr. Samuel Rosenberg, Dr. Bastress, Dr. John Dorris, County Democratic Chairman, Senator Martin Murray, Mr. Al Briden, and Miss Genevieve Blatt.

Mayor Lawrence called for "an awakening of all Americans to the crisis we face in higher education." He praised George M. Leader for his program for higher education which failed to be enacted in the last session of the General Assembly.

"Once again, Governor Leader demonstrated his alert awareness of the challenges of our times when he conceived his program for improving educational opportunities for Pennsylvania's young people," Lawrence asserted. "It is important to emphasize that his program, calling for college scholar-

ships and loans as well as a system of junior colleges throughout the Commonwealth, was presented before Sputnik jolted the free world into serious concern about our educational program."

In explaining the situation of young people going on for advanced education, Lawrence said, "It is shocking to know that only one out of three high school students go on to college in this nation of ours. It is even more shameful that here in Pennsylvania, with its wealth of good colleges and universities, only one out of every four high school graduates have the opportunity to continue their education."

"No one is advocating an easy way to become educated," he added, "What we must have, however, is the broadening of opportunities to make certain that every qualified young man and woman can go to college if he wants to do so. There is nothing more important to our civilization and to human advancement than the revitalization of our system of education."

"This, of course, includes improvements in public schools, in which the State government has such a major responsibility here in Pennsylvania."

Until officers have been elected and the organization of the class is complete, the frosh have been aided by upperclassmen in the planning of the dance. Gordon Roberts has been acting as general chairman, assisted by Student Government members Barbara Federer, George Reynolds, and Paul Klein.

The new students have gone into the project under full sail and have lined up an evening of entertainment worth many times more than the nominal fifty cent donation.

Bob Moran and his Ivy Leaguers will provide the music for dancing, and two home-grown singing units will entertain during the intermission.

Bill Peters and his 40-voice male chorus, the Collegians, will present a program of some five or six numbers. Providing the "rock 'n' roll" fans with some of their favorites, the well-known "Crewnecks" will wind up the entertainment with their ever-popular vocalizing.

All proceeds from admissions and refreshments will be given directly to the Wilkes 1958 United Fund drive, headed by Dr. Charles B. Reif and Mr. Russell Picton.

The unselfish energies expended by this enthusiastic class presage a highly successful campaign on campus and show that the coming year will be filled with many more successful and worthwhile undertakings.

Michael Kunen heads the refreshment committee. Other members are: Mary Ann Foley, Jean Macarelli, Carol Emanski, Albert Kishel, Valentine Williams, Mimi Van Korfis, Marianne Dran, Josefa Wasileski, Judy Butchko, Theresa Makarczyk, Barbara Cronin, Andrea Crease, Sally Smith, Rhea Politis.

Publicity chairman is Victor Turoske, assisted by Rene Walton, Wilbur Dotter, Stefan Hellersperk, James Oliver, and William Price.

Chairman of the ticket committee is Ronald Diamondstein, assisted by: Andrea Ginsberg, Sandra Sideri, Patricia Lutz, Ruth Vororum, Patricia O'Brien, Scott Dietrick.

Upperclass ticket chairmen are: Barry Yocum, sophomores; John Mulhall, juniors; and R. T. Mattioli, seniors.

#### NOTICE!

Seniors and their guests will be admitted to the dance at the Irem Temple Country Club next Saturday at the reduced price of \$2.00 per couple. The seniors will be the special guests of the Alumni.

## Laryngitis???

Well, what happened? All of a sudden everyone was speechless, or should we say songless. The response to the usual, expected, routine hymn singing in assembly was worse than usual this last Tuesday. We expect all sorts of excuses ranging from "Didn't hear the number announced" to "Didn't have a book." Gosh, we feel sorry for you, poor little children, so helpless and deserted by everything, even common reason. It must have been embarrassing to say the least.

All we have to say at this point is "thank Allah" that the assembly program did not include some dignity from the community. What a sorry sight that would have been.

While we are on the subject of assembly, we can't help but think of the speeches that were given in such earnest voices last Tuesday. What promises were made! We wish we had a tape recording of the entire program to play back next April or May. We are not being facetious, but how many times have we heard the same things promised each year?

For three years we have sat, squirming, in the gym listening to the same old story about including the Vets in class activities, getting together with the dorm students, etc., etc. This MAY be the year for such promises to be fulfilled, we sincerely hope so.

It was refreshing, however, to hear someone, other than a dorm student, admit that the resident students were more active in school affairs than day students.

## Tell Us More

The United Fund Campaign gets its official start on campus tonight with the annual United Fund Dance in the gym. All proceeds from this dance will go into the fund.

The rest of the money expected from the college will, we hope, come from each and every student. All of us will be asked to contribute a dollar to the fund. This isn't much to expect from the students as we see it.

Let's back this drive, we have a lackluster reputation around the community in connection with this annual affair because of last year's miserable showing. Let's get back on the right side of the ledger!

## LAWRENCE

(continued from page 1)

Concerning the State's budget, Lawrence said, "More than half of the State's general fund budget goes into education in this Commonwealth. There can be no doubt that we must provide more funds, at every level of government if we are to have the school buildings, the curricula, the training resources, and the teachers we need to properly educate the young people of Pennsylvania."

"Although the Congress recently enacted legislation providing some degree of Federal aid to education, there still remains the need for broader Federal assistance both at

the public school and the college levels."

Lawrence further added that, "America's competition for world leadership will be won or lost in our public schools and in our colleges and universities."

Lawrence concluded his remarks by stating that, "We should have a State program of scholarship loans, completely free of political influence; we should be planning now for a State-wide system of community colleges; we must work now for a broader program of Federal aid to education; and we cannot be satisfied with an educational program in Pennsylvania until we take first rank among the States in the nation."

WC Placement Director  
Named Liaison Officer  
For Danforth Fellowship

The Danforth Foundation, an educational foundation located in St. Louis, Missouri, invites applications for the eighth class (1959) of Danforth Graduate Fellows from college senior men and recent graduates who are preparing themselves for a career of college teaching, and are planning to enter graduate school in September, 1959, for their first year of graduate study.

The Foundation welcomes applicants from the areas of Natural and Biological Sciences, Social Sciences, Humanities and all fields of specialization to be found in the undergraduate college.

President E. S. Farley has named John Chwalek as the Liaison Officer to nominate to the Danforth Foundation two or not to exceed three candidates for these 1959 fellowships. These appointments are fundamentally "a relationship of encouragement" throughout the years of graduate study, carrying a promise of financial aid within prescribed conditions as there may be need. The maximum annual grant for single Fellows is \$1400 plus tuition and fees charged to all graduate students; for married Fellows, \$1900 plus tuition and fees charged to all graduate students with an additional stipend of \$350 for each child. Students with or without financial need are invited to apply.

A Danforth Fellow is allowed to carry other scholarship appointments, such as Rhodes, Fulbright, Woodrow Wilson, Marshall, etc., concurrently with his Danforth Fellowship, and applicants for these appointments are cordially invited to apply at the same time for a Danforth Fellowship. If a man received the Danforth Appointment, together with a Rhodes Scholarship, Fulbright Scholarship, or Woodrow Wilson Fellowship, he becomes a Danforth Fellow without stipend, until these other relationships are completed.

All Danforth Fellows will participate in the annual Danforth Foundation Conference on Teaching, to be held at Camp Miniwanka in Michigan next September, 1959.

The qualifications of the candidates as listed in the announcement from the Foundation are: men of outstanding academic ability, personality congenial to the classroom, and integrity and character, including serious inquiry within the Christian tradition.

All applications, including the recommendations, must be completed by January 31, 1959. Any student wishing further information should get in touch with Mr. Chwalek.

## REPORTS AIRED AT TUESDAY S.G. MEETING

by Jim Eidam

Student Government met in regular session Tuesday evening at 5 o'clock in the Commons with President Bob Morris presiding. The meeting was opened with prayer by Bob Pitel, after which minutes of three previous meetings were read by Secretary Martha Menegus. Eleven members attended.

Opening session of the meeting was devoted to committee reports. Bob Pitel presented a comprehensive report on the "Come and Meet Us" dance. Other brief reports were given on the Constitution, orientation, and freshman advisory work. Gordon Roberts, chairman of the committee evaluating the proposed honor system, stated in his report that only twenty-three of the forty-five forms concerning the honor system, which were distributed to the student leaders have been returned to him.

Barbara Federer presented a summary of the activities policies committee and pointed out the general lack of knowledge among campus organizations with regard to policies they are expected to follow. Bob Washburn and a freshman council member will assist Miss Federer on this committee in the future.

Gordon Roberts gave a report on the United Fund drive and tonight's special dance. The presidents-elect of each class will act as chairmen for the drive, and it is hoped that all students will co-operate to help meet the goal that has been set.

Dick Salus reported that representatives of each campus organization requesting funds from the student budget will meet with the budget committee to discuss their needs. These discussions will likely begin next week.

Election procedures were discussed by the group, and individuals were appointed to be in charge of the voting.

In discussing Homecoming plans, Morris pointed out the change in starting time of the parade from Chase Hall. Cars will leave at 1:30 Saturday instead of 12:30, as originally planned.

Problems involving the cafeteria were discussed, as several complaints have been forthcoming from the student body, especially concerning the untidy aspects. Bob Amey will do further study on this matter.

Included in new business was the appointment of a permanent music committee, with Bob Washburn as chairman. This group will handle music arrangements for such affairs as the two All-College dances, the Winter Carnival, and the Cinderella Ball.

The following persons were appointed to committees for the Thanksgiving All College Dance, November 28. Carl Zoolkoski will be general chairman, and will be assisted by: Barbara Federer, chap-erones; Bill Davis, publicity; Bob Washburn, music; Paul Klein, decorations; Bob Pitel and Martha Menegus, refreshments; Nick Gatto, invitations; Gordon Roberts, "welcome" committee.

Basic plans for the Winter Carnival were discussed, committee heads named, and possibilities of bus transportation mentioned.

# LOU DAVIS RUNS ROUGHSHOD TO GAIN 'ATHLETE' AWARD

## Soccer Star Shines In Tilt Against Jays, Thwarts Many Threats

The soccer-fest with Elizabethtown last Saturday was the place to see Athlete of the Week Lou Davis in action. The Colonels, although edged out in a real squeaker, lived up to pre-season estimates of having a real powerhouse when they unleashed the pent-up furies exhibited by fullback Lou Davis.

Although the Wilkes booters did not rise to their full potentialities in the first half, they were kept in the game by the determination of this sturdy player who attempted almost single-handedly to stem the concerted attacks of the Blue Jays.

Lou's tremendous efforts weren't limited to the first half, where it was estimated that he halted at least eleven key goal tries by the opposition; he also formed the apex of the Wilkes wedge that smashed back in the second half.

Wilkes' own 'Lou the Toe' spearheaded the drives that culminated in goals by teammates Giordano and Havira. The loss of Carl Havira, All-Conference Honorable Mention last year, hurt the Colonels' chances in the second half, but 'the Toe' assumed Carl's responsibilities also with seemingly no extra effort.

Lou spent 17 months in France with the U.S. Army after graduating from William Penn Charter School in 1952. He lettered on the track team in high school and played baseball and basketball in the service.

He is a junior Commerce and Finance student and an active member of the Lettermen's Club and a native of New Hope, Pennsylvania.

Last year the Wilkes College Splashers were reorganized into a competitive unit after a layoff of nine years. In the Colonels' first year of action after their layoff they faced keen competition from such colleges as Bucknell, Lycoming, and Dickinson.

This year's prospective student-coach, Carl Havira, was the mainstay in most action seen last year, with returning lettermen Pat Shovlin, Bernie Wahalla, and Morgan

Wilkes booters were defeated 2-0 at the hands of Stevens Tech last Wednesday. The booters outclassed their opponents with some superb play by Nickie Giordano and Joe Morgan, but ran into a series of bad luck plays in the second half when Tech did all of its scoring.

The kickers had at least 7 good opportunities to score but seemed to run into last-second bad breaks. The injury last week to outside right Carl Havira seemed to be another determining factor in the upset.

Last Saturday in a Middle Atlantic Conference tilt, the Wilkes soccer team dropped their opener to an experienced Elizabethtown team by a 3-2 score.

The visitors scored early and hung on in the final quarter by a

determined defensive effort to gain the victory. The Colonels rallied in the second half, after looking very sluggish in the opening half, but lack the drive necessary to put in the tying goal in the closing minutes of the fourth stanza.

The Elizabethtown squad scored their first goal on a corner-kick play with the ball being booted home by Fritz Zimmerman, lanky wingman for the visitors. Inside right Joe Tedjeda led the second attack on the Colonel goal and banged home the second score late in the first period.

Reserve lineman Jim Wise scored the third goal in the second period to close the visitors' scoring.

The Colonels surged back in the second half when with only a minute and a half gone Carl Havira banged home the first Wilkes score. Nick Giordano scored the second a few minutes later, on a penalty kick.

The fine play of Backs Lou Davis and Joe Morgan and Goalie Bob Payne were the bright spots in a losing contest. The Wilkes line never got a chance to go to work, for the Elizabethtown team kept the Colonels bottled up all afternoon. Newcomers Don Pierce and Bob Chew showed good defensive ability, and Lineman Lou Zweibel showed plenty of drive and spirit.

## PMC Brings Air Attack To Kingston Stadium; Colonels Drop Third

by Richard J. Myers

Returning home to seek again their first win of the year, the Colonels play host to Pennsylvania Military College tomorrow afternoon at 2:00 p.m. in Kingston Stadium. The Pinkowski men have gone winless in three attempts, but hope that movie films taken of last week's 30-8 loss at Moravian will solve some of the knotty problems that keep them realizing their potential.

## BOOTERS TEST WAGNER TEAM

by Don Hancock

After suffering a 3-2 defeat at the hands of a strong Elizabethtown team, the soccer team tomorrow journeys to Staten Island, New York, to play Wagner. Tomorrow's game will be the first meeting of the two teams and is the second game of a three-game road stand for the Colonel booters.

Coach Jim Ferris has been working hard to eliminate the team's weaknesses which were brought out into the open in Saturday's game. Inexperience, which plagued the backfield throughout the game, was the principal weakness. It can be eliminated solely through continued practice and hard work and as anyone can attest, inexperience is a bitter but nevertheless excellent teacher.

Carl Havira, outside right and scorer of one of the two Colonels' goals, reinjured his right ankle and saw limited action in Saturday's game but expects to be in condition for tomorrow's game.

With the continued excellent play of the line and constant improvement of the backfield through experience and coaching, the team will be a hard one to beat tomorrow at Staten Island.

If you are unfamiliar with the game, go over to Kirby Park any afternoon of the week and watch the men drive up and down the 120-yard field. They work hard and, like all other campus activities, need your support and avid interest.

"What did you have for lunch?"  
"Fifty hamburgers."  
"You mean to say you eat 50 hamburgers all by yourself?"  
"Nah, another guy helps me."  
"Doesn't that make you sick?"  
"It helps."

They face a rugged squad of Cadets tomorrow, however. Coach George A. Hansell, in his sixth year as head mentor at the Chester, Pa., institute, has posted a fine record over the past five years, winning 26 while losing 12.

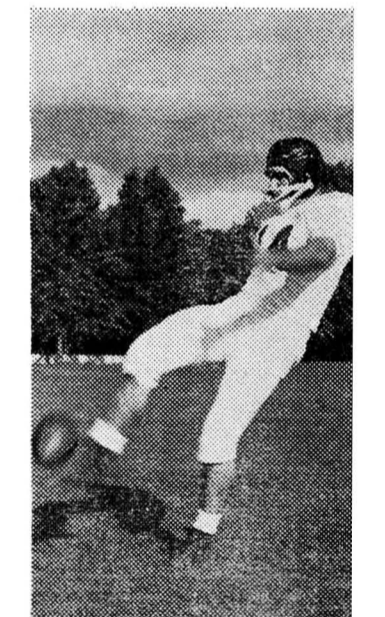

In their last appearance here, the Cadets stopped the Colonels, 20-6, in the 1956 season. Last year, they won five while losing three to Lycoming (13-7), Juniata (14-0), and Swarthmore (14-8).

George Cooper, six-foot sophomore, will lead the squad which sports 19 returning lettermen. Most of these are linemen and average 190 pounds. Al Carrozza, local boy from Wyoming, a 5-8, 190-lb. junior guard, will make the trip and is expected to bolster the heavy line.

Hansell's team can be expected to fill the air with a lot of leather, since the aerial game is his specialty. In the last season in which the two teams met, 1956, P.M.C. was the nation's top passing yardage team in small college play with the fantastic average of 207.7 yards.

Colonels Bow to 'Hounds

Although Frank Spudis broke the scoring famine which had plagued the Colonels, they were unable to stop the nower line-play of the Greyhounds of Moravian and suffered their successive defeat, 30-8.

Bill Michaels

Spudis electrified the crowd at Bethlehem when he shrewdly analyzed a lateral handoff running play, edged between the two Blue and Gray backs, pilfered the pigskin, and trotted madly to a 70-yard TD.

Fumbles again tolled the death-knell of the Colonel ground game. Early in the second quarter, Bill Michaels blocked a punt to set up a Wilkes threat on the Moravian 22, but two plays later the ball went over to the Moravians who turned the break into the third score for the home team. They scored first in 13 straight power plays then quarterback Ed Cuttic hit end John Olson with a 72-yard TD pass. In the final minutes, they pushed over one more tally.

## 'WEINIE ROAST' PLANS REVEALED

Theta Delta Rho members are busily making plans for their yearly excursion into the woods, fondly known as "The Weenie Roast." These plans include digging up

1. dates, and 2. the required \$2.00.

Women of TDR have chosen Saturday night, Oct. 25 to converge on Wolfe's Grove. The evening's entertainment will consist of eating, dancing, singing, and making lots of noise. People who don't enjoy this sort of thing are invited to bring hula hoops, scrabble games, or a good book.

The affair will start at 8:00 and will probably end at 12:00 so that the girls can leave their dates and hurry to McClintock Hall for a post-roast slumber party. For an additional fifty cents, the girls will partake of a bedtime snack, a good night's sleep, and a light breakfast bright and early the same morning.

Moncey Miller and Mary Ellen

Zwiebel are in charge of ordering huge quantities of food. They are aided by Lynne Boyle, Marcia Senderovitz, Caroline O'Rourke, Betty George, and Adeline Chopak.

Barbara Bachman is chairman of the ticket committee. She is being assisted by Priscilla McCormick, Betty George, Connie Yahara, and Peggy Kratz.

Marie Realmuto is chief poster painter.

Jozia Mieszkowski is in charge of entertainment. Nancy Payne and Betsy Gable are planning the slumber party. Mary Frances Swigert is general chairman of the affair.

## THREE STUDENTS' PAINTINGS ARE DISPLAYED AT SCRANTON

Three Wilkes students, Marianne Levenoskie, Marie Realmuto and Steve Poleskie, were recently informed that their paintings have been accepted by the jury for showing at the Regional Art Exhibition. This exhibition will be held at the Everhart Museum, Scranton, Pa., from October 9 to November 9.

### 'PLAYBOY' IS THEME OF GORE HALL PARTY

by Cliff Kobland

Last Saturday night Gore Hall held its first annual party with 40 people in attendance. The theme of the affair was "Playboy". The magazine supplied the hall with an abundance of free decorations such as streamers, cartoons, napkins, pin-ups, and different posters bringing about the theme.

The party, which was well received, lasted from about 8 p.m. to 12:30. The residents of Gore Hall served a buffet supper besides beverages. George Elliot, proctor of Gore, and Arthur Hoover attended along with Sam Weckesser Gore, the dorm's dog mascot.

Any group interested in using decorations for a similar theme of their party should contact Cliff Kobland in care of Gore Hall.

The judges for the show included Richard S. Davis, Director of the Minneapolis Art Institute; Bertha Schaefer of Schaefer Galleries, New York City; and the artist David Burluk of Hampton Boys, New Jersey, who during the period of 1910 to 1914 was closely associated with Kandinsky, Marc and Picasso.

Marie Realmuto, a dorm student who resides in Bayside, Long Island, is a junior Art Education major. She has entered three abstract oil paintings in the exhibit entitled "Composition No. III," "Composition No. IV," and "Out of the Mist." Marie became interested in abstract art while in high school and has continued this interest through college.

Marianne Levenoskie is a senior from Pittston, majoring in Art Education. Miss Levenoskie, who is the Art Editor of the 1959 Amnicola, has entered a large watercolor entitled, "Ghost Ships." This painting was inspired by a recent series in Life magazine entitled, "Color in Motion."

Two paintings by Poleskie, a senior Economics major, are of the American School of Non-Objective Action Painters and entitled "Consumed in the Heat" and "Equestrian Parade". His third contribution is that of a sculpture in wrought iron called "Apogee". Poleskie has exhibited in many shows throughout the Northeastern United States and is well known for his "avant-garde" style of painting. In January, Poleskie will have his first major one-man show at Scranton's Everhart Museum. Poleskie has also been contacted by "Art Directions Gallery" of New York City for scheduling of a one-man show there sometime this spring.

At the time of Mrs. Anderson's resignation from the court she was Administrative Supervisor in the Probation Department.

Mrs. Anderson's topic will be the Court in Relation to the School. Following her speech, Mrs. Anderson will have a group discussion and will answer questions on her topic.

This meeting will be held at 11:00 a.m. in Pickering Hall, room 203. This program is open to all education majors and any other interested people.
