Out on my own to participate in everything I possibly can. There is so much to choose from that I don't know where to channel all of this energy. Some expect enjoyment to appear suddenly on their laps one day. But, fulfillment only is experienced through the casting aside of inhibitions and daring to follow what appears beneficial at this very moment.

81-159176

Let me please tell you how much you mean to me. You have been perhaps one of the hardest things to find on this earth; a friend. For me there is a great distinction between a friend and an acquaintance. To call someone my friend, I must be able to drop all my defenses that I utilize so as not to get hurt by others. I actually expose all of my fears, laughter, sorrow, expectations. I let you become a part of my whole person because you help me be a better person.

You are a very special person and your companionship is priceless. Thank you for understanding. I'm ecstatic to find myself worthy of your friendship.

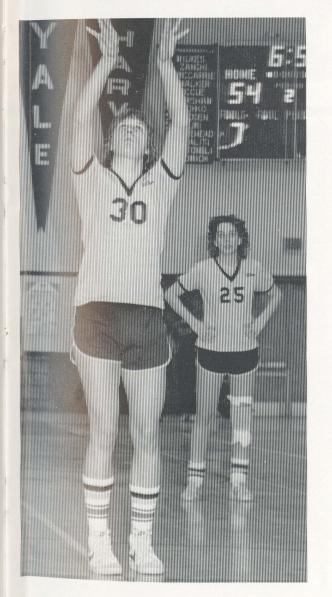

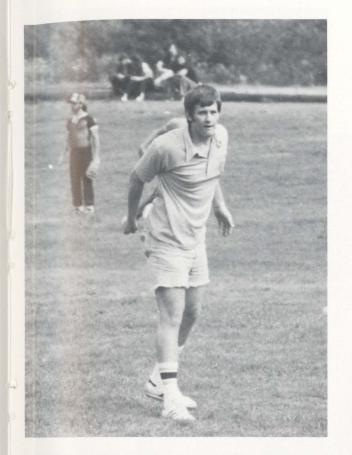

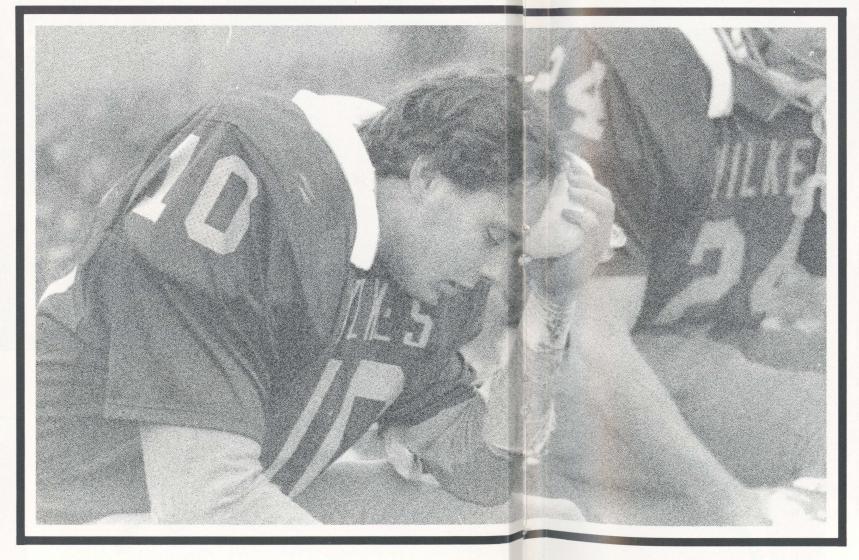

Interwoven in all of my endeavors has been people. What a variety that passed me by whom I never had fortune to deal with on a personal level. Many people must wonder what I was or am really like on a humanistic level, but I believe that I have lost by not getting to know them. Perhaps misunderstandings and illusions of personalities could be avoided by a friendly "hello" or a true effort to empathize with the feelings of our fellow man. I hope in some way I have been able to convey my gratitude to all people who expressed kindness and an interest in me.

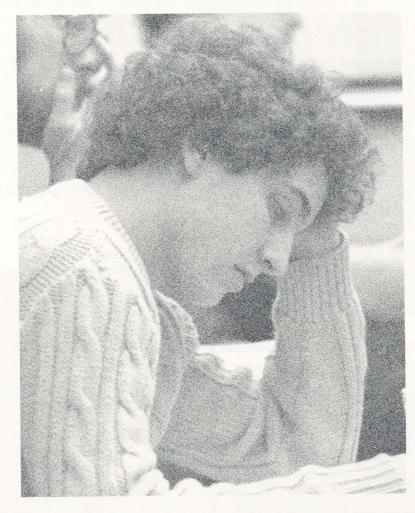

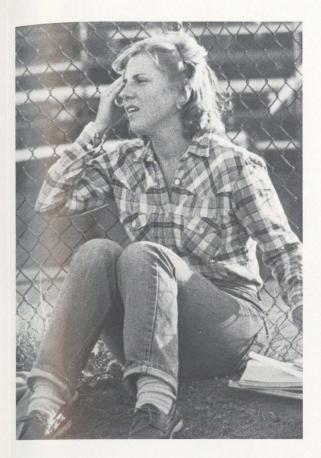

A busy day of classes and hustling to promptly arrive at all appointments has left me quite unnerved. As I recline now and ponder over it all I realize that I have a great opportunity to expand my horizons of knowledge. What an opportunity that has been offered me! There is so much to grasp in the world of knowledge that if we don't reach for it, we are cheating ourselves of our own existing power. Colleges provide an excellent learning environment; not only of facts, figures and theories, but of ourselves and others.

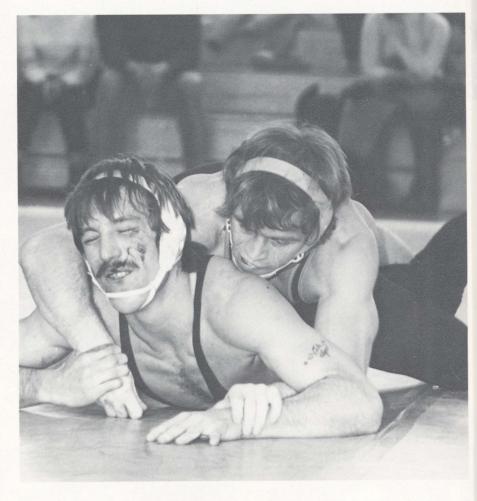

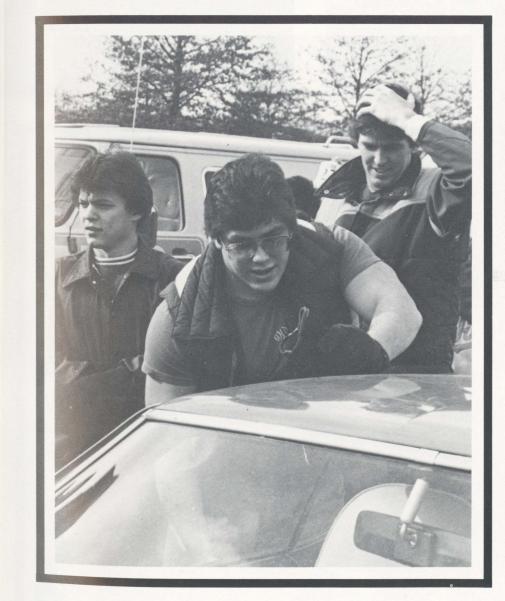

In parting from this place I hope that I have left with a memory of me, for I know this place will always be a memory for me. The trick lies within making it a good, warm memory. I can no longer, as depart change anything I have done here, good or bad. It is my wish that while I had the power to make things good, I did so to the best of my ability. I despise looking back at things and thinking "I could have done this", because this is the main ingredient in sorrowful recollection. I prefer to look back and smile because I, when given the chance did it.

Standing here we know we're together
Your cap and gown suggest it's the last time
But I can still always muster a smile
For I know our next meeting won't take a forever
The amplifier booms the final Z name in order
As we depart now always remember friend
Regardless of distance I'm just around the corner.

#### **The Last Dance**

The senior dinner dance was held this year at the Woodlands here in Wilkes-Barre. For many it would be the last dance they would ever attend at Wilkes. Awards were given out to seniors, and President Capin spoke to the Class of '81'. There was an open bar and the band provided excellent entertainment that was enjoyed by all who attended.

#### **Practice Makes Perfect**

Everyone had a great time at Mickey Finn's Senior Night, forgetting graduation practice at 10 a.m. The students arrived looking tired and confused. Dean Ralston provided a one man show and led us through Sunday's ceremony. The permanent class officers were elected then everyone left to attend the picnic.

Farley's Farm was the setting for our Senior picnic. The morning was beautiful and sunny, however ... the rains came. Not just a sprinkle but a thundershower. As bright students we all gathered under the trees. Safe huh! Anyway, it was fun and spirits weren't dampened, even if it didn't last as long as we would have liked.

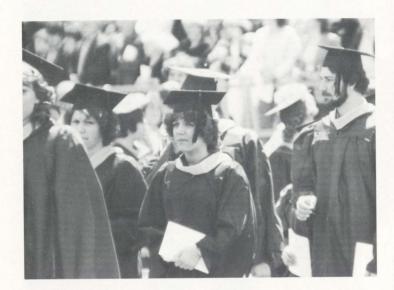

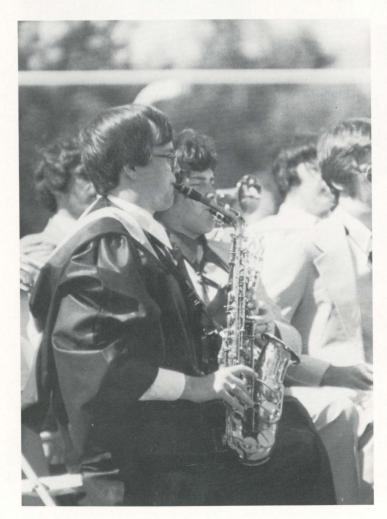

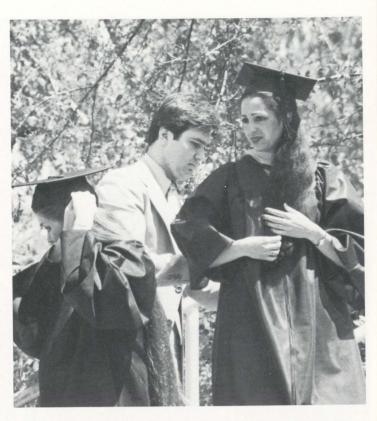

#### 483 People Looking for a Job

We gathered at the field and everyone reveled in the beautiful sunshine. Family and friends came to celebrate this special day with us. When all the diplomas were awarded a final sigh escaped . . . "We made it."

Individuals forming groups, giving birth to a variety of ideas and interests; these events act as the cog in the wheel of a developing society of human beings. Each individual, with the notion of ultimate placement in their desired concentration, wholeheartedly attempts to channel their ideas toward the fulfillment of their dreams. The diversity of interests within individuals and groups is an aspect of life's mystery well worth investigating.

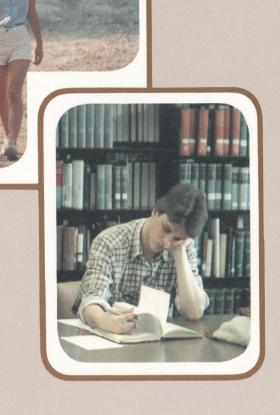

# PEOPLE

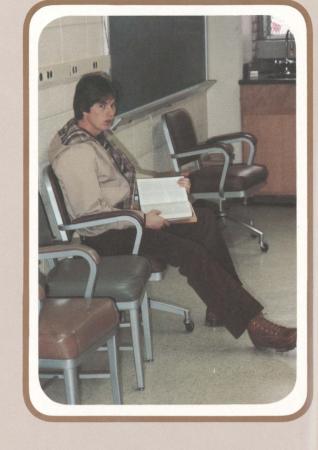

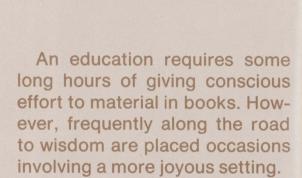

Where you come from and where you will go from here are not clear to me. Perhaps I will play a part in your future and you in mine. What is important is that we play our present parts in harmony with each other.

We have all been given a gift, a chance to show our talents, great or small, opportunity to laugh, cry, love and experience. Freedom to express our opinions, ideas and desires. All these are elements of the ultimate gift, being one of the people.

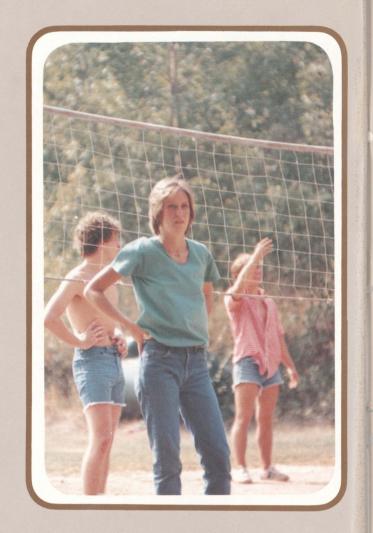

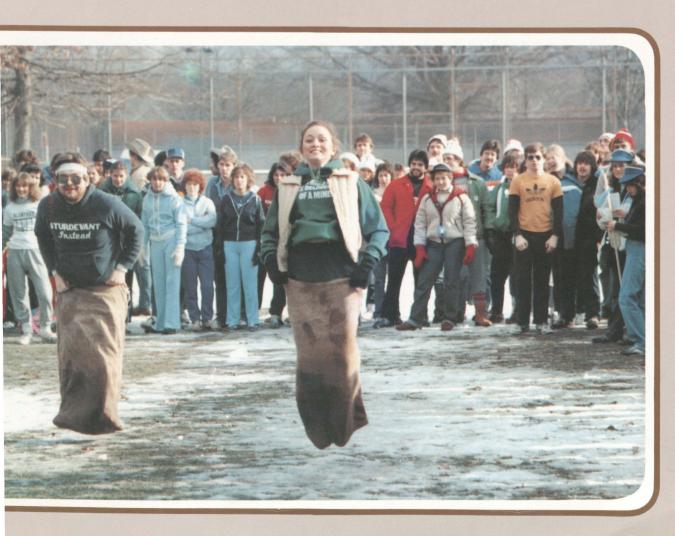

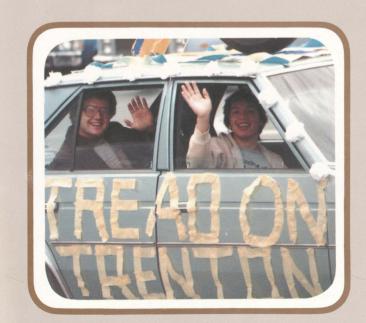

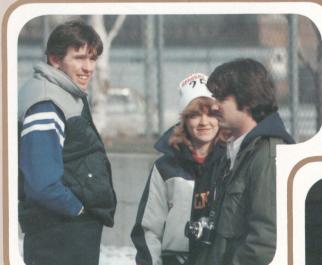

While pursuing an understanding of our ability to comprehend a mass of information about a particular subject and bits and pieces concerning others, let us not fail to appreciate the world's natural beauty; the seasons, people, and a smile.

Making friends is not always easy. The risk is always present that one will find himself involved in things that the other just can't accept. If you are truly their friend, allow them the freedom to take the avenue they prefer. But, if similar interests endure throughout our lives, we can say that we've found one of life's treasures; a friend.

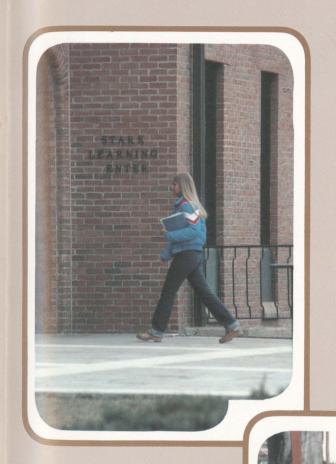

Remains trivial until this thought has evolved Make it spectacular; heart, soul and mind put into it

As if the rest of us are watching you do it.

There comes a time when one must hurriedly dash to class and fulfill academic requirements. But, when studying is finished for the time being, one has opportunity to talk with friends. The apparent fact is that here at Wilkes we are known to each other and interaction comes easily. This is one of the things that makes Wilkes such a unique place.

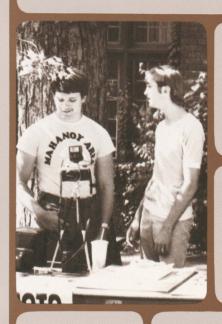

At Wilkes there is an array of clubs that can suit almost anyone's interests. With such a variety to choose from, the student at Wilkes is able to further develop his academic skills as well as those skills found in leadership, recreation, social interaction and environmental appreciation. People from all walks of life are found in each club, giving the club a balanced set of opinions and activities.

# **CLASS 1981**

L-R: John Moffat, Joe Rubbicco, Rob Wallace, Margaret Scholl.

The class of 1981 began the year with the class picnic. The senior class supported the fall and spring sports as well as assisting in all college activities throughout the year. The class also held the "Animal House" party in the gym. Many of the seniors were involved with the traditional and not-so-traditional senior week activities.

The major emphasis was to raise funds to purchase and install a large roofed, illuminated all-campus bulletin board between the student center and SLC.

# WCLH

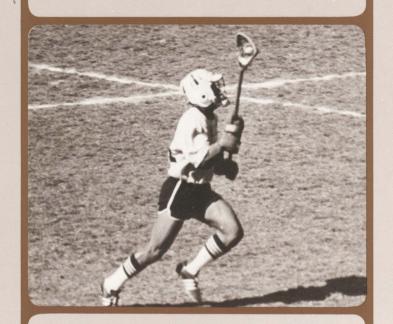

L-R: Chris Kosakowski, Stanley Ray, Ernie College, Jim Grobluskey, Lisa Gurba, Linda Krawetz, Ed Albert, Ron Labatch, Dr. Kinney, Jay Rosen.

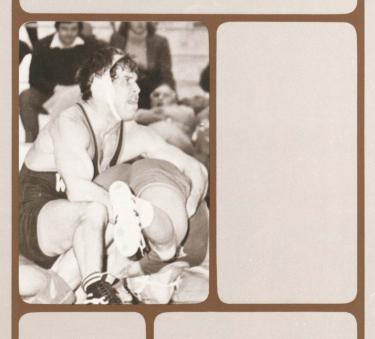

WCLH is a noncommercial, educational FM radio station run by Wilkes College students. Its overall purpose is to provide the finest in educational and entertainment programming for the Wilkes-Barre area. WCLH offers the most diversified musical programming in Northeastern Pa., and provides fine educational programs such as Options in Education, the BBC Science Magazine, and Today's Health.

The Wilkes College sports program saw some bright spots and excellent performances this year. The baseball team won the M.I.C. championship beating out King's and Scranton, they were the only Varsity Team to win the title. The basketball team had one of its finest seasons ever as they reached the MAC playoffs and the women's field hockey had a player reach the Nationals in Michigan. Throughout the year spectators were privileged to see talented, durable athletes perform. Lacrosse enthusiasts had a disappointment upon the announcement of the cancellation of the lacrosse program. Wrestling placed three members of its team on the East Coast Championship rankings.

# **SPORTS**

# CROSS COUNTRY TEAM OFF AND RUNNING

Cross Country is a grueling sport, requiring the utmost in self discipline and dedication. All through the year, the runner runs long miles, sometimes under the most miserable conditions, while many shake their heads and wonder why.

The 1980 cross country team had an excellent season (14-6). Coach Ron Righter added, "When one runner was down the others were up. Everyone put in team effort." Eddie Epler (captain) set a course record at Allentown College this season and

was one of the top runners. Ken Pascoe also proved to be a valuable asset. The Cross Country team should be commended on their season and be recognized for their keen sense of competition here at Wilkes.

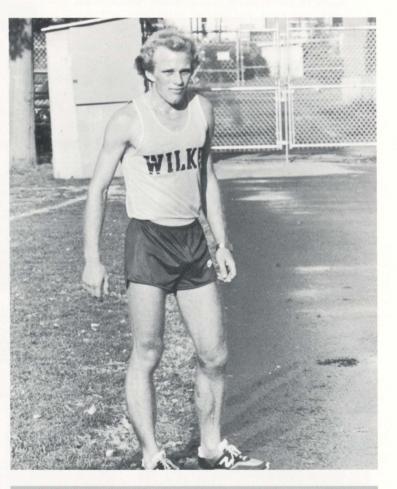

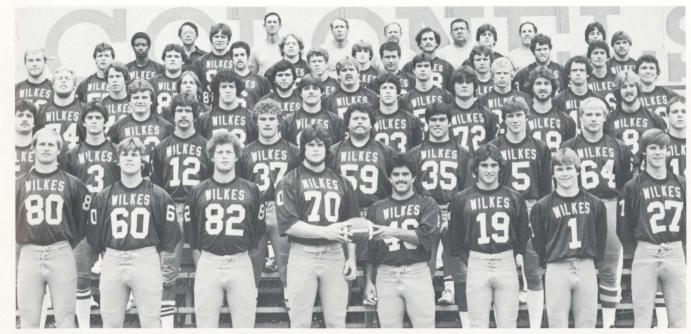

# FOOTBALL TEAM ENDS ON WINNING NOTE

The Wilkes College football squad got off to a shaky start before winning three out of their last five games. Wilkes ended up with an overall record of 3-6; and a M.A.C. record of 3-4. Although losing quite a few starting seniors, Coach Schmidt is not totally disappointed. Many underclassmen gained valuable experience for the upcoming Wilkes College Football Season. If Coach Schmidt has a good off-season recruiting year, Wilkes could become a major contender for the Northern Division title.

Wilkes is proud to announce some individual accomplishments. Co-Captain Ed Mollahan was selected first team defensive lineman for the 1980 Northern Division Coaches Football Team. Tony Madden, Carmen LoPresto (Offensive Team), and Mike Azure (Defensive Team) were among many others who received Honorable Mention.

# TENNIS TEAM "A SEASON OF REBUILDING"

L to R: Terry Monseur, Debbie Welliner, Cathy Price, Peggy Mascelli, Anne Rielly, Charlette Fees, Jackie Harney, Paula Spangenberg, Coach Nancy Snee.

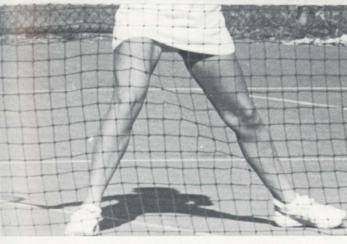

The 1981 season for the Wilkes Women's Tennis team proved to be a year of rebuilding. With only three seniors returning, the team was dependent on the talent and experience of returning underclassmen and incoming Freshmen. Seeded number one this year was Kathy Price, a Freshman. Kathy proved to be a valuable asset throughout the season.

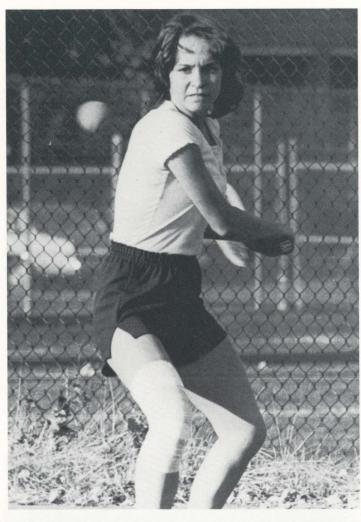

Under the leadership of Co-Captains Peggy Mascelli and Debbie Welliner, the team won individual matches and displayed superb tennis over tough division three schools. Most valuable player for the Women's Tennis team went to Kathy Price this year, with honorable mention going to Paula Spanenberg, Peggy Mascelli and Debbie Welliner. Charlette Fees and Terry Monseur will lead the team next fall to hopefully a favorable season and MAC title.

SPORTS SPORTS / 125

# SOCCER TEAM FACES GRUELING SEASON

The 1980 season for the Soccer Team proved to be a year of rebuilding. Substitutes were scarce which meant they had to work extremely hard in order to face the tough schedule ahead of them. With the strength and experience of returning members, the team had an impressive victory over King's, winning 5-2. With only four seniors and two juniors in the starting lineup, the success of the 1980 soccer team depended largely on the individual performances of these members. Senior co-captain Zomy with his aggressive handling of the ball helped in rounding out a fine soccer team. With four seniors graduating, and the valuable game experience gained by the juniors and freshmen this season, the prospects are that next year's soccer team will be another crowd pleaser.

# HOCKEY TEAM HONORED AT NATIONALS

It was "given" that the 1980 season would be a rebuilding year. But with the amazing early season start of (6-1-1) many of the team started to expect more than what was possible. The end of the season built character (0-3-2) rather than achieving the goal of entering the E.A.I.A.W. post-season play and M.A.C. championships. Our inexperience and lack of depth hurt the team in the win column during the tougher part of the season, but improvement and good field hockey came through and in our last game against Lafayette, we played our game of field hockey well enough to tie a Division II school.

Wilkes has a field hockey team of which it can be proud. Pam Snyder, a senior, had an excellent season and represented Wilkes at Nationals in Michigan for the 3rd consecutive year. Geri McAfee, a senior, led the team in assists and was selected as a member of the M.A.C. All Star team. Megan Ward, also a senior, was awarded the scholar athlete of the year.

Selected into the Susquehanna Field Hockey Association tournament first team was Pam Snyder, third team selections included Helen Gorgas (Jr.), and Diane Hall (Soph.).

Once again the field hockey team proved to produce a season of success and good sportsmanship under the coaching efforts of Gay Meyers. Each member should be congratulated on their contributions to team spirit which was a major force in their overall winning season.

# VOLLEYBALL TEAM MAKES MAC PLAYOFFS

First row: Doris Saracino; head coach, Cindy Rossi, Sara Farley, Debbie Kramer, Carol Cigarslai, Jody Johnson, Ellen Doty, Donna Derrick, Steve Kovac, Todd Hogan. Second row: Nancy Roberts, Cheryl Fryslask, Cathy Dudick, MaryKay Price, Marsha Pruskowski, Ellen Van Riper, Lisa Gazdkok, Sally Fisher, Lisa Cobb, Sue Dyauick, Cindy Kusper.

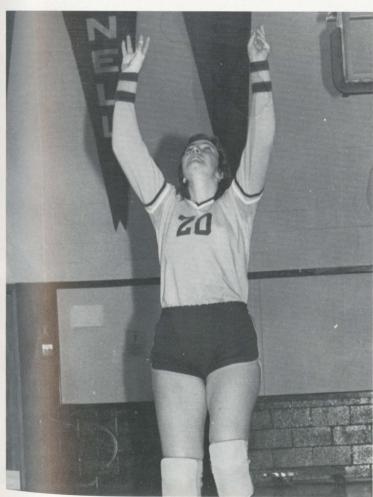

The Wilkes Volleyball team surpassed everyone's expectations this year. Coach Doris Saracino commended the team for their dedication and spirit in striving to improve last year's record. For the first time in Wilkes history the lady Colonels made it to the MAC playoffs. They also captured the NPWIAA (Northeastern Pennsylvania Women Intercollegiate Athletic Association) championship.

Senior Mary Kay Price is one of 12 members of the all MAC Volleyball team. The unit is selected from all 18 teams in the MAC. Seniors Cindi Rossi, Sarah Farley, Marsha Pruskowski, Mary Kay Price, and Lisa Gazdiok will be leaving but should be commended on their dedication and leadership.

# GRAPPLERS PLACE IN EASTERNS

The 1980 Wrestling Team combated a grueling schedule, wrestling eight out of the top twenty power teams in the country. John Reese an outstanding coach has just completed his 26th straight winning season as he led a very young blue and gold squad to a 12-8 record. This year three grapplers placed in the finals of the Eastern competition. Pete Creamer wrestling at 177 lbs., placed 4th; Joe Birmingham, at 158 lbs., placed 5th; and Rick Smith wrestling heavyweight placed 6th in the overall competition.

One of the most outstanding achievements this year occurred at the Wilkes College Open, held here in December. Sophomore Lenny Nelson, wrestling at 142 lbs., won the Open, the first time a sophomore has won this honor.

The Wilkes Wrestling Team should be commended on their exhibition and tremendous talent shown throughout the season. Reese will enter his 29th year at the helm of the Wilkes Grapplers next winter.

# WILKES WIN OVER SCRANTONA VICTORY TO REMEMBER

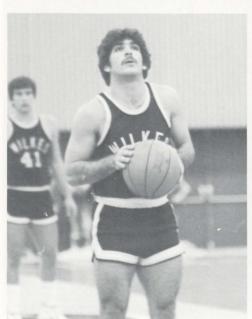

With the tables finally turning, this year's basketball team crushed a strong Scranton team before a stunned Scranton home crowd. This victory was just one of many as the team placed a high number 14 in the win column, once again giving us another winning season.

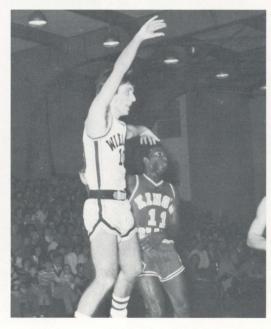

At the helm was coach Ron Righter. In his own unique style, he

set the guidelines for such players as Mike McCarrie. To briefly state the team captain accomplishments, Mike joined the elite with his 1000th career point and number 1 National rating in free throw shooting. Being selected on the 1st team all MAC and all ECAC squads one could say Mike McCarrie didn't do too badly.

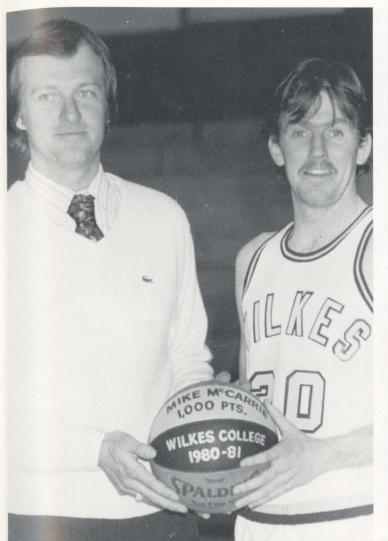

Also following the road to victory were Tony Madden, J. J. Walker, Paul Scaliti, Pat McCue, Pat Romich, and Greg Hychko. It was apparent that these players gave 110% mentally and physically. Their accomplishments proved it throughout this great basketball season.

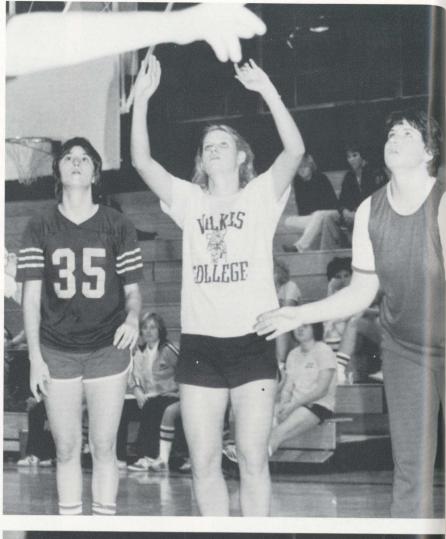

Row 1: Ross Zanghi, Greg Hychko, Pat McCue, captain Michael McCarrie, Pat Romich, Ed Kershaw, Bob Morehead. Row 2: Scott Davenport, Paul Scaliti, Bob Antonelli, Rick Sheaffer, Kevin Walker, Bob Salmi, Tony Madden, and Coach Ron L. Righter.

# LOOKING AHEAD

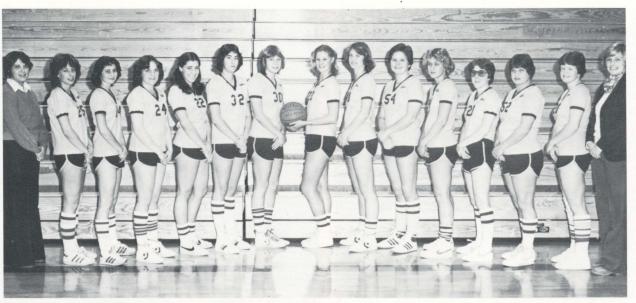

After a very productive year, Coach Roberts is looking ahead to next year when the Colonelettes will have gained much needed experience. The Colonelettes have a crop of very talented Freshmen returning to Wilkes, but not to mention the tremendous leadership that the upperclassmen offer. Considering that there are no graduating seniors, a record of 8-14, is nothing to be ashamed of. Working with a very small, young squad, Coach Roberts is preparing and molding a team that will offer great competition in future years.

One of the brightest spots of the season was placing second to Marywood in the First Annual Wilkes College Women's Basketball Tournament. As an individual accomplishment Stacey Keeley was awarded Outstanding Defensive Player of the Tournament. Next season Coach Roberts is counting on Diane Hall and Karen Hall in leading the Wilkes College Colonelettes to the Women's Athletic Association title.

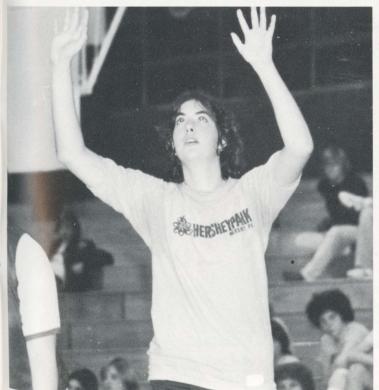

L to R: Assistant Coach, Lee Ugiccione, Linda Wilson, Diane Hall, Stacey Keeley, Karen Bove, Karen Hall, Sally Jones, Elaine Kerchusky, Ellen Van Ripper, Diane Kendig, Karen Johnson, Annie Reilly, Head Coach Nancy Roberts.

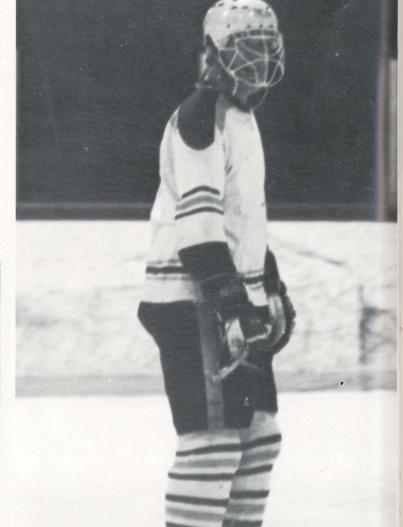

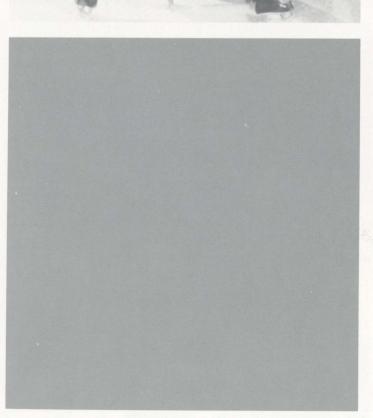

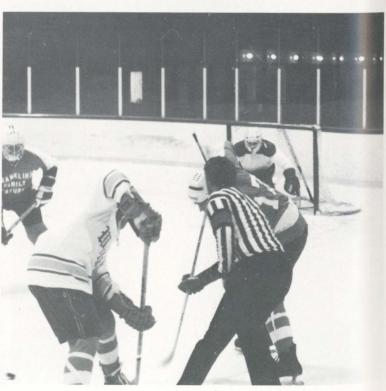

# ICE HOCKEY TEAM MAKES PLAYOFFS

The 1980-1981 season for the Wilkes Ice Hockey team proved to be successful, in that they made it into the finals. The team finished second in the league with every player giving it all he had. The home rink for the team is located at the Coal Street Park here in Wilkes-Barre. Although the school support was limited, the players maintained their own team spirit. The team had an outstanding season and a record they can be proud of. The Ice Hockey team not only improved greatly in 1980-1981 but they came into it this season deeper in talent than perhaps any other season.

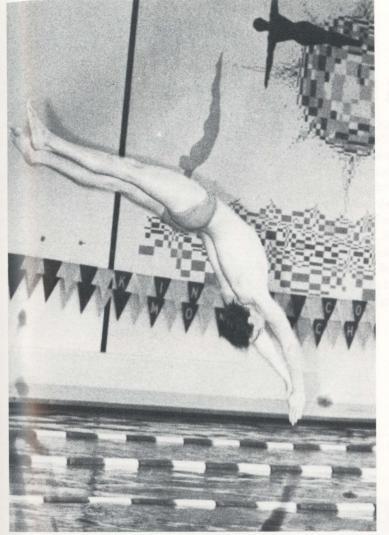

Row 1: John Phillips, Tom Mitchell, Billy Manley, Loris Lepre, Charlene. Row 2: Dave Hughes, Greg Pipak, Jeff Mung, Pete Rozelle, Tim Kirkpatuck, Dave Szczpanski, Cindy Workman, Tom Stevens.

Peggy Butchkavitz, Lorrain Koch, Michele McGuire, Karen Field, Megan McGuire. 1st row: Coach Bob Greenwald, Robert Doty, Pat Slowey, Enrico Ratti, Reed Bello, Coach Bob Lewis. Missing: Frank Gardener, John Moffatt.

# RECORDS ARE MADE TO BE BROKEN

"To love a sport is to follow it through no matter what the circumstances." This symbolizes the dedication that the swim team endured during the 1980-81 season. Although they experienced a season of defeat, each member made a contribution to records and/or the continuation of the team in succeeding years. Under the coaching of Bob Greenwald and Bob Lewis, the swim team made tremendous improvements. Rob Doty set the pace at the MAC as he snapped on the 200 yard breaststroke. In this event he broke the Wilkes College standing record by nine seconds. In diving, Reed Bello displayed his talents by placing third in the overall competition at the MAC. Karen Field, a freshman, placed first in the women's 100 yard freestyle. Megan Maguire made it to the finals in the women's 200 yard backstroke and Michelle Maguire placed first in the women's 200 yard butterfly at the MAC. If these efforts pull together, the 1981-82 season can prove victory for the team.

#### LACROSSE TEAM ENDURES LAST SEASON

The 1981 season for the Lacrosse were very disappointed at the inability Modica and Eric Farber generated the Team is one that will be remembered by each and every member because it is the final year as a Varsity sport. 1969 Lacrosse team to the Wilkes College they went on to win over Upsala 9-8. # BASEBALL TEAM CAPTURES MIC TITLE

The goals of the 1981 Wilkes Baseball team was to win the MAC section, win the northern division and capture the overall MAC title. Although these goals were set very high they were not far reaching. The team through its hard work, dedication, and expert coaching were the only varsity sport to hold the MIC (metro intercollegiate conference) title. In addition to the MIC achievement, the team proudly took second in the MAC northeastern division.

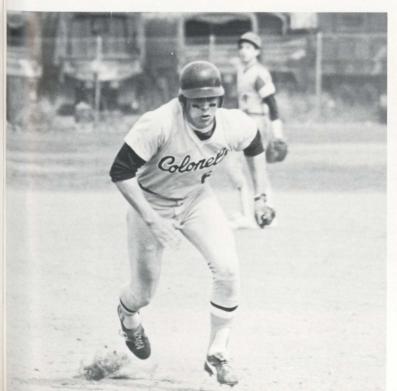

Out of the nine returning veterans there is one player who is a true All-American athlete. Chick Andrewscavage, senior first baseman, has a baseball career that is outstanding in the Wilkes Baseball record book. Chick has broken every school record imaginable and has earned first team all MAC, first team all ECAC and district All-American honors.

Jerry Antosh and Tony Vlahovic also warrant recognition for their commendable efforts and true baseball talent.

Row 1: Scott Davenport, Rich Geffert, Rich O'Kourrey, Mark Belensky, Bob Horn, Chris DaRe, Ross Zanghi, Joe Malatesta. Row 2: Glen De Maris, George Hall, Joe Mina, Jerry Antosh, Ken Hodick, Jim Kearney, Chick Andrewscavage, Bob Miler, Ned Sandercock. Row 3: Ken Sorick, Mark Csentits, Tony Vlahovic, Randy Radecki, Joe Grzenda, Ted Komorski, Rich Derner, Dale Englehart, Jim Michaels, Dave Kaschak, Coach.

# SOFTBALL TEAM HAMPERED BY INJURIES

The Wilkes Softball Team was graced with some very talented players this season. Although a very young team, with three freshmen and seven sophomores, the Colonelettes gained experience needed to be a competitive contender. Co-Captains this year were Karen Johnson and Joyce Walsh, both were placed in the NPWIAA All-Star team along with Stacey Keely and Cherel Frystak. Honorable mention for the All-Star team went to Karen Bove.

The Team was hurt by key injuries at critical times but walked away with an overall record of 8-11. Pitching for the Colonelettes was Cheryl Frystak. Cheryl was also selected for the All-MAC Northern Division All-Star Team. Leading in extra base hits was Joyce Walsh, Karen Johnson led the team in RBI's and Gloria Pasternick led the team in stolen bases. With all but two girls returning to the Wilkes Softball team, the 1982 season looks very promising and we should see some great softball in the spring.

Row 1: Cheryl Frystack, Carol Hagen, Annie Reilly, Michele Weiss, Lana Lawerence, Mary Jean Farrell. Row 2: Ms. Nancy Roberts, coach; Karen Johnson, Joyce Walsh, Kim Smith, Karen Bove, Ellen Van Riper, Cathy Poplawsky, Trish Riley, Stacey Keely, Mrs. Gay Meyers.

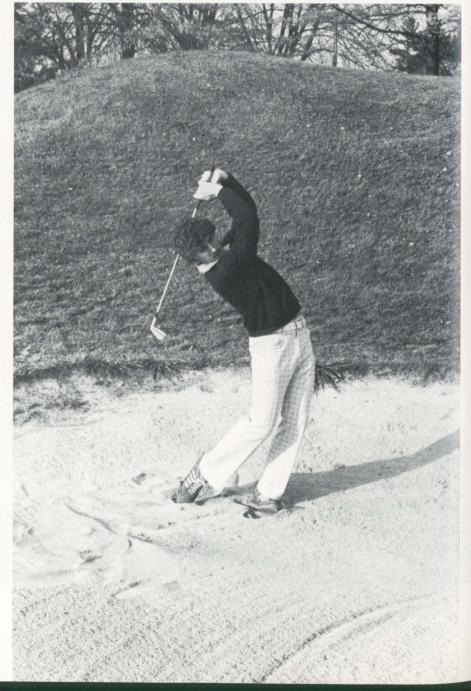

# GOLF TEAM SEASON UP TO PAR

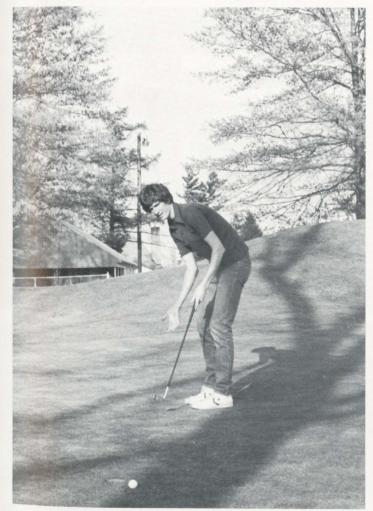

L to R: Jim Kachidurian, Ray Ward, Chris Reilly, Bob Salmi. 2nd row: Joe Rubbico, Mark LePore, Bob Bruggeworth.

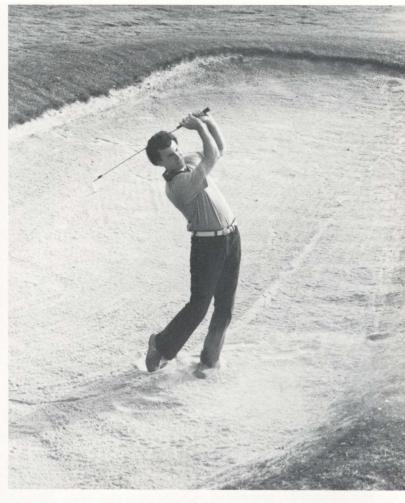

The 1980-81 Golf season proved to be a victorious one as the team totalled an impressive 9-4 overall record. Within that span the team achieved a consecutive winning streak of six matches. The captain, Mark LePore, was a key element in the team's success as he tallied an average low of 75.6.

Also adding to the winning way of the team was another senior Chris Reilly. While playing against a strong Upsala team, Chris fired in a low 78 to clinch the Wilkes victory. Joe Rebbico, the third and final senior of the team was a four year veteran and another strong element in the victorious team. Once again the team participated in the MAC tourney and this year placed tenth out of 21 teams, while LePore and Bob Salmi achieved an outstanding sixth and seventh finish. Ray Ward, Jim Kachidurian, and Bob Brugworth finalized the Wilkes Golf Team.

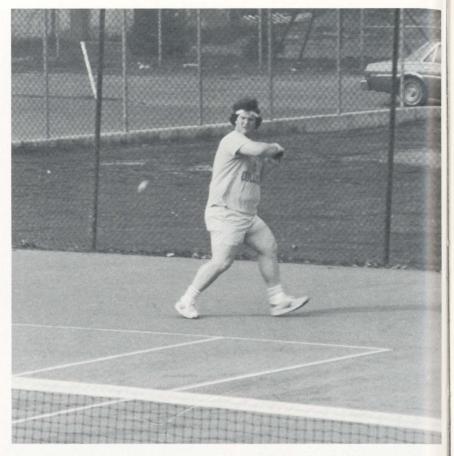

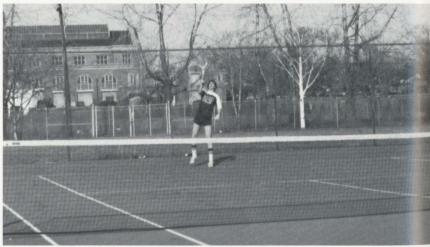

# TENNIS TEAM PLACES 2nd in MAC's

The Wilkes College Netmen under Coach Tom Rokita finished their season with a very respectable 6-4 overall record. The Colonels went into the season optimistic about winning the Northwestern division of the Mid-Atlantic Conference, which would mean a first ever playoff berth. The Colonels fell short of their goal by finishing second with a strong 4-1 record losing only to a powerful Elizabethtown team.

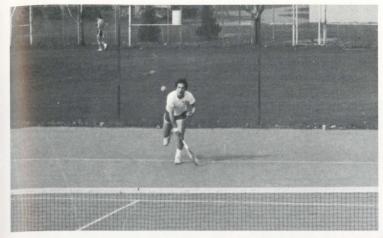

The netmen of 1981 were young, as the team loses only co-captain Stan Manoski to graduation. Stan has meant a lot to the team over the past for years and will be greatly missed. The Colonels of next year will be dependent upon this year's co-captain and MVP Barry Spevak. Spevak had a good year compiling a 7-2 record. Returning with Spevak are Dave Battle, Jim Watkinson and Bob Bushbaum. Battle was the team's number one player who earned a 5-4 record showing he could play for almost any division three college. Watkinson played a competitive number two slot and Bushbaum filled in with dependable play when needed. The Colonels look forward to the '82 season and their quest for that playoff berth.

Dave Battle, Stan Manoski, Jim Watinson, Chris Sezenias, Bob Buchsbaum, Barry Spevak, Tom Swirber.

#### **STRUTTERS**

Marching on the 50 yard line at half time of most of the football games were the strutters. Thirteen members strong, the drill team, under the student direction leadership of Captain Jerry Knopic provided interested female students the opportunity to perform in a dance oriented group. The strutters did a fine job this year and provided excellent entertainment during half time.

Row 1: Donna Kachur, Molly Delahanty, Maurita Gries, Gerry Knopic, Beth Hathaway, Sue Suhamski, Patti Crane. Row 2: Babetta Bernstein, Chris Lain, Maureen Connolly, Regina White, Heather Beese, Lorraine Edwards, Donna Cunningham.

# **MAJORETTES**

Senior captains Mary Theresa Paddock and Colleen Gries led the Wilkes College majorettes this season to demonstrate numerous routines at every football game. Students watched the majorettes perform their half time shows with the strutters. At this year's bonfire the majorettes exhibited talent as they performed their routines with fire. As usual, they provided excellent entertainment at every football game.

Row 1:Mary Theresa Paddock, Colleen Gries. Row 2: Susie Ulitchney, Diana Evans, Connie Zelinski, Nadine Bodnar. Row 3: Diane Gombeda, Ronda Karboskie, Sharon Martins, Bev Rothery, Donna Krappa, Theresa Gabana.

#### **CHEERLEADERS**

The Wilkes College cheerleaders, although not having a complete squad due to the number of members, generated much enthusiasm and spirit and personified true team loyalty. Debbie Novak was chosen for captain of fall sports and Megan Smith for winter sports. Generating school spirit by cheering at football and basketball games and making pep signs were the responsibilities of the cheerleaders.

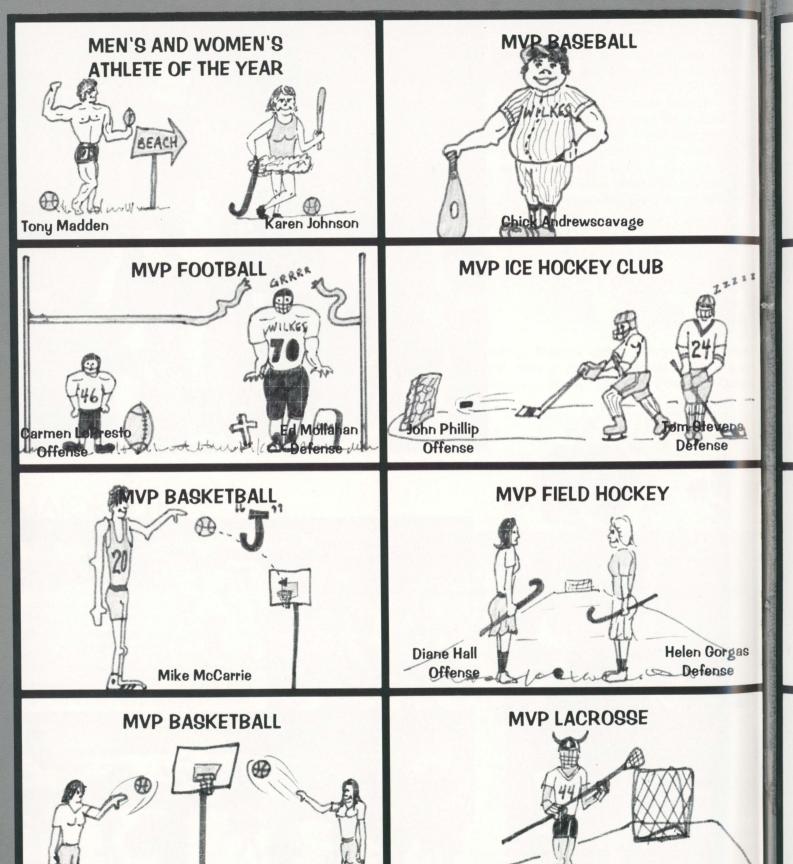

Row 1: Debbie Novac, Marianne Murray. Row 2: Sharon Long, Megan Smith.

No school year would be complete without the expected things such as classes, books and finals. A wide assortment of activities and events occur during the year offering a chance for students to "let loose." In the fall we watched as Homecoming weekend brought back the alumni to dance, to watch a football game and to relive their years at Wilkes. The weather hinted to us all that winter was coming as the leaves changed to provide evidence. The chilling winter came and we took full advantage by playfully throwing snowballs at each other. Soon the long awaited season of spring arrived, and we watched the cherry blossom trees bloom, adding to the spirit that accompanies the arrival of warm weather. Frisbees flew and hearts pumped faster as the school year came to an end.

# **EVENTS**

#### **Changing Season**

The cars pull up — boxes are being unloaded — and the bookstore is crowded — it's back to school time. The weather is fine and no one is in a studying mood yet. The nicest part is the leaves changing in the mountains and along the river. But all too soon the temperature starts to decline and fall is over.

#### It's Only the Beginning

Hazing can be looked upon with anticipation or with dread by new freshman dorm students. It is a time to meet new people and be just a little crazy depending on the upperclassmen's wishes. It is a time for fun and sometimes . . . embarrassment.

#### **Club Day Attracts Many**

Every year out on the school lawns tables are set up and every club on campus is out to recruit new members. New freshmen can see what the school offers and get involved in their outside interests. Upperclassmen, too, can become more involved and participate in a wide range of activities.

#### Konefals Grove Begins First Weekend

This picnic was sponsored by the class of 1981. Music was provided by a student group and the food and beer were abundant. It was the first party and everyone got together to see old friends and just have a good time.

#### **Parents and Students Reunite**

This day is the time for parents to come to school to see how their "students" are faring. The football stands were filled with families and the reception at the Sterling was a great time to introduce our parents to our instructors and fill our stomachs. It is also a time to get over that often experienced feeling of homesickness.

# Wilkes Survives the Sooper Dooper Looper

Look it's a bus, it's a car . . . it's Wilkes students. They descended on Hershey Park to have a day filled with roller coasters and log flumes. Souvenirs were bought — especially chocolate, and the day was long, but fun. Laughter was the sound most heard, except on the ride home where only silence was heard.

EVENTS

#### **Old Friendships Renewed**

The Thursday night bonfire kicked off the 1980 Homecoming weekend. It is a traditional, old-fashioned rally of school spirit. Friday night's dinner dance was held at Gus Genetti's. The Saturday football game was against the Trenton State Lions. Although the Colonels were not victorious a winning spirit prevailed throughout the weekend.

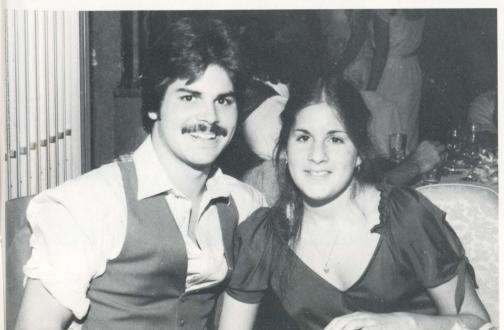

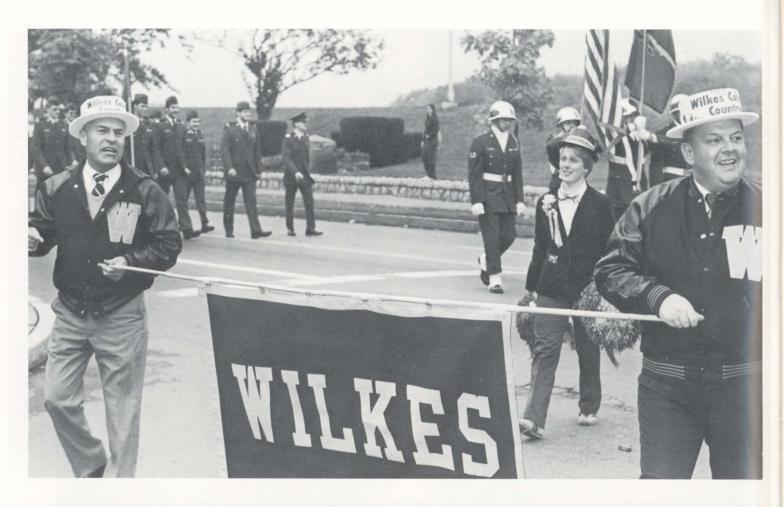

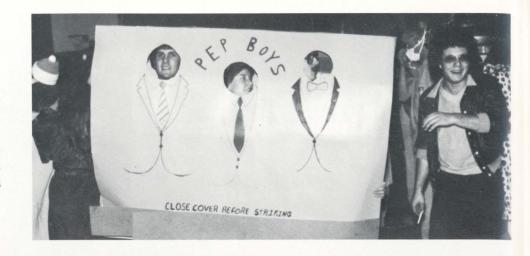

**Homecoming Court** 

Mary Giblin was named Homecoming Queen at the bonfire on Thursday and Peggy Mascelli and Marla Brodsky were named the Princesses to complete the 1980 Homecoming Court.

#### **Who Is That Masked Man?**

Once a year students can dress up and pretend to be anyone or anything they want. This year's Halloween party was no exception. Costumes of every kind were displayed. The students' imaginations were truly at work for this event.

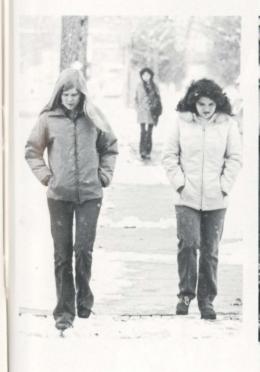

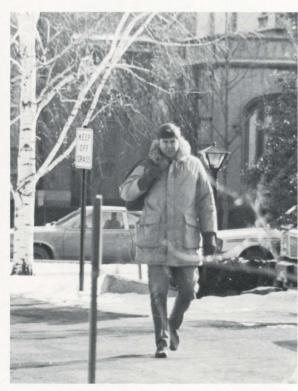

#### **Wilkes' Winter Wonderland**

Winter with all its cold and slushy characteristics is also a peaceful time. The first snow is enthusiastically received and a silent awe fills the air. Then the hustle and bustle of snowball fights, ski trips and traying become major activities. The novelty soon wears off and stalled cars are a source of frustration. Spring is anxiously awaited unless, of course, there's a Snow Day.

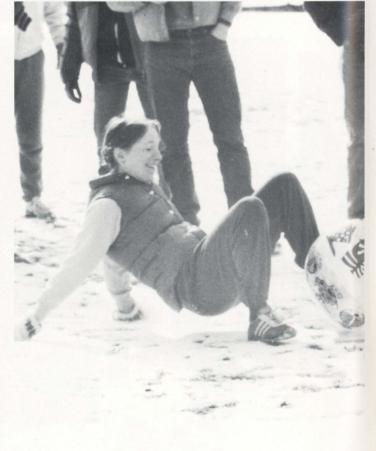

#### Fun in the Snow

Winter Weekend took place in February. It was a three day event with the festivities beginning on Friday. The games were enjoyed by the participants and spectators alike. The beach party held in the gym was a huge success. This weekend ran smoothly under the outstanding leadership of Megan Ward and Leigh Majors, and the student social committee.

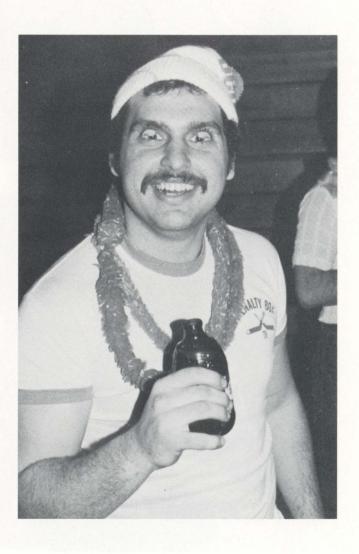

#### The Luck of the Irish

This year's St. Patrick's Day party was held at Wilkes-Barre's new Sheraton Hotel. The green clothing and green beer put everyone in a festive mood even if one wasn't Irish.

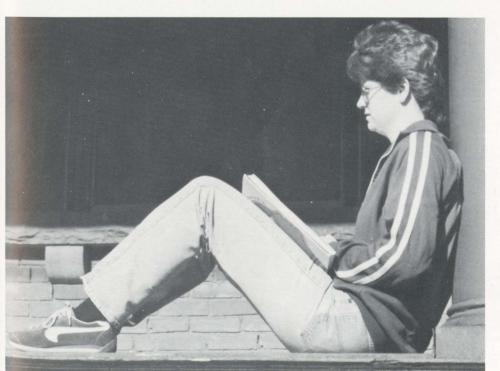

#### **Spring Fever Hits Wilkes**

Out of the long cold winter finally emerges the Spring. The cherry blossoms begin to appear and the trees are green again. These are signs of Spring but with that first sunny day something else comes out ... the students that have been hibernating. All of a sudden the park is filled with people, frisbees are flying, and sun worshippers fill every corner.

#### **First Spring Formal**

The Freshman-Sophomore Dinner Dance was held at Gus Genetti's. "Jets" provided the music. The classes of '83 and '84 outdid themselves to ensure everyone of an excellent evening.

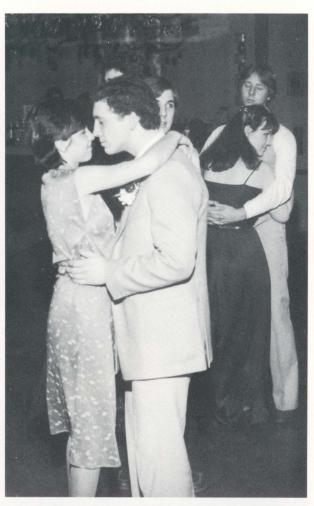

#### **Leaders of Tomorrow**

The Reserve Officers Training Corps, most commonly referred to as ROTC, is a special program for students to enter the service after college as officers. ROTC held their annual "Dining Out" and at graduation the seniors received their commissions to enter the Air Force as a Second Lieutenant.

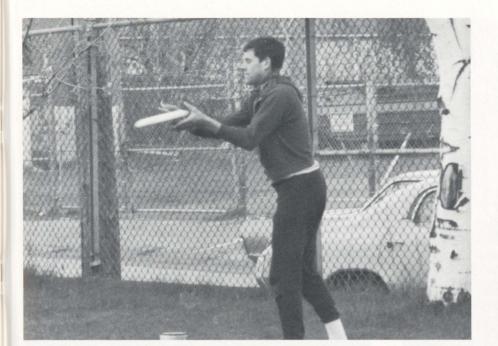

#### **Cherry Blossom Closes School Year**

Every year students look forward to the Cherry Blossom Festival and this year was certainly worth the wait. The student participation outnumbered that of any other year. Dave Capin, Megan Ward and the entire Cherry Blossom committee did an exceptional job. The "Dakota" concert set the pace for the entire weekend. The games held on both Friday and Saturday were fun, and a great deal of skill and agility was required. During the "preppie" party the Izods and Docksiders were in epidemic proportions. Who said Wilkes isn't equivalent with Harvard or Yale?

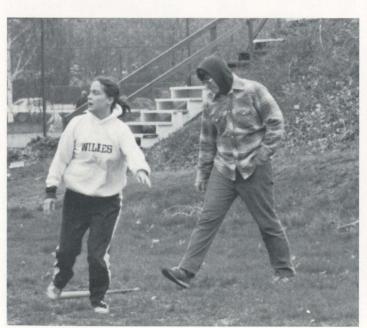

#### **Junior Senior Dinner Dance**

Dinner dances are anticipated because sometimes it's fun to get out of jeans and tee-shirts and get dressed up. They are a time of romance and just being away from studies. This year's dance was held at the Woodlands in Wilkes-Barre. Everyone danced up a storm and smiles were present everywhere. The Junior and Senior classes should be commended on another success.

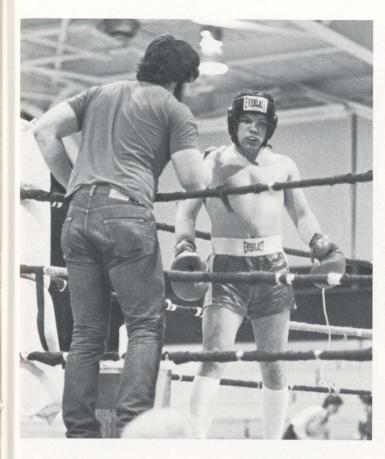

#### **Magic Show Aids All**

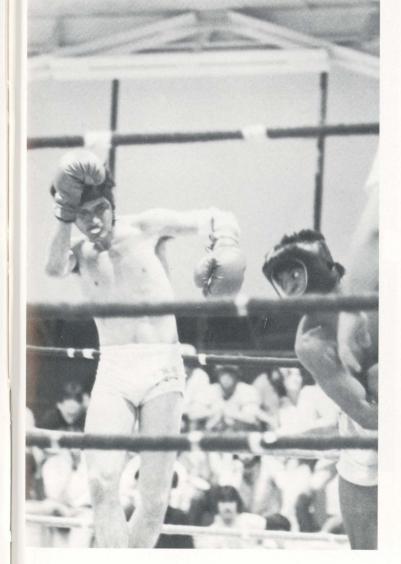

This show was sponsored by Friends Forever, and was a good time for the kids to get involved and enjoy a great show. It was also a time of comraderie with their Big Brothers and Big Sisters. The funds received were sent to aid in the investigation of the Atlanta killings.

#### Sugar Ray Step Aside

This year was the second boxing tournament in honor of Professor Elliot and the scholarship fund. The greatly publicized fight between Dave "Joe O." Hadley vs. Dan McNulty kept everyone glued to their seats. All the fighters were great and well matched for amateurs. Madison Square Garden watch out, Wilkes is providing some competition.

#### **That's Entertainment**

This year the school held several productions that were excellent and very entertaining. "Midsummer Night's Dream" by Shakespeare was a fine performance. "The Flood" was a play about Wilkes-Barre during the hurricane Agnes. "Broadway Sweeper" was a dinner theatre and "The Importance of Being Ernest" had some interesting publicity. "Celebration" was a musical, with many people while "Krapp's Last Tape" was a one-man show. The hard work and long rehearsals were worth the effort because the final productions were great.

#### KRAPP'S LAST TAPE

"MIDSUMMER NIGHT'S DREAM"

"BROADWAY SWEEPER"

#### "CELEBRATION"

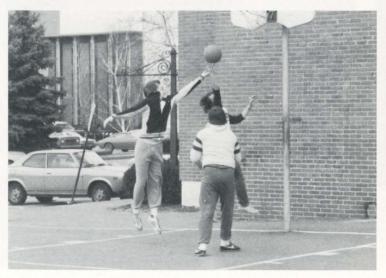

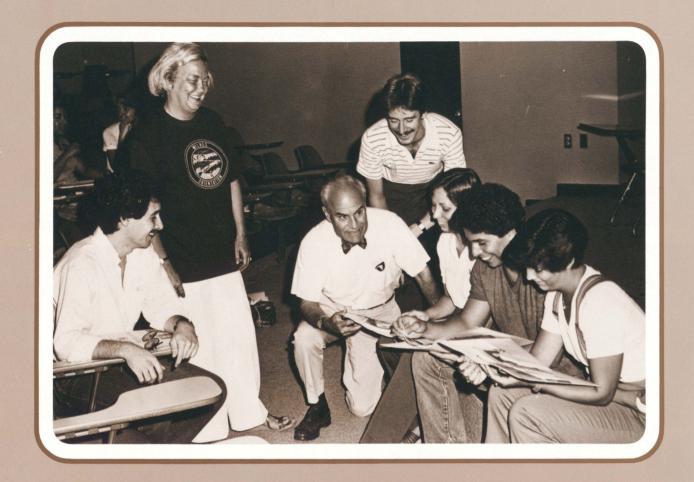

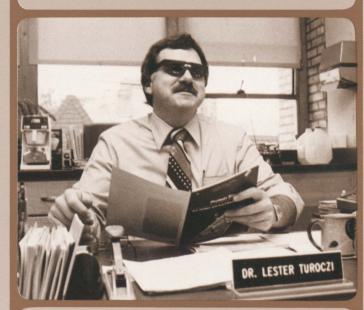

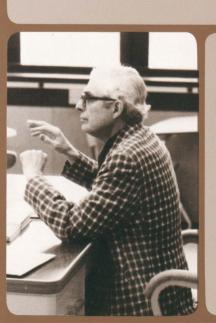

What can we say about the Faculty here at Wilkes College. They are here to provide us with the knowledge that will follow us in our chosen professions, they are here to guide us in our field of study and present the challenges to stimulate our minds. The Faculty is varied, as in every school, with those difficult professors and not so difficult professors. But one spirit prevails, the spirit of learning.

FACULTY

OFFICE OF THE PRESIDENT, ROBERT S. CAPIN

WILKES COLLEGE, WILKES-BARRE, PENNA. 18766

#### PRESIDENT'S MESSAGE TO THE CLASS OF 1981

My message to you, members of the Class of 1981, is not one of farewell, but rather one of welcome.

As graduates of Wilkes College, I welcome you into the alumni family and look forward to the many years ahead in which we can work together to assure the continued strength and vitality of our College.

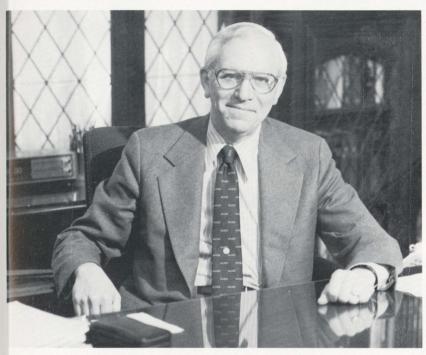

In the pages which follow, we can reminisce through the 1980-81 academic year and clearly recall a year of hard work, companionship, joy, and excitement. It was a year that catapulted us into the decade of the 80s -- a decade in which we will work hard to guarantee our own personal success as well as the success of Wilkes College.

I congratulate you on your achievements during your years here at Wilkes, and I challenge you to help us maintain the tradition of excellence as you assume your new position in the special ''family'' we know as Wilkes College.

Robert S. Capin, President

The 1981 Amnicola is a pictorial history of the past year and its events. We, the staff, hope that in the future you, the student can look back and refresh the memories of your years here at Wilkes. The Amnicola staff suffered turbulent times this year due to staff turnover, but the dedication of a few proved to be strong enough to complete this yearbook. The school year started out with many new faces and ideas and all contributed in one way or another to this yearbook. One new idea brought about this year was the graphic section, a new technique introduced for yearbooks. We felt this graphic section would enhance the visual aspect and the quality of the Amnicola.

The following individuals should be commended for their ideas and dedication throughout the year. All played an integral part in the completion of the 1981 Amnicola: Student Government for their assistance in obtaining the 1982 budget. We would like to thank all the photographers for their tremendous efforts in meeting the deadlines. Section Editors and staff members for all their long hours pondering over quad packs, and after looking through hundreds of pictures still coming up with a great lay-out. And finally our advisor Richard Fuller. Mr. Fuller was a fantastic advisor and one we needed very badly. He contributed as much as any member on the staff. We appreciate your concern and guidance. We could not have completed the yearbook without your knowledge and dedication. Thank you very much.

It is our sincere hope that all who view this yearbook can in some way, find a memory which will last a lifetime.

Co-Editors,
