WILKES FACULTY WOMEN

Hello !

September 1975

Once again it is time to get back in the swing of college life and Wilkes Faculty Women gatherings. The officers and committee workers have been busy planning a year of activities which we hope will be educational, entertaining and helpful in getting to know other people.

Our opening get-together will be a family picnic at Kirby Park on Sunday September 14 (note change from college calendar), at 2 P.M. Everyone is welcome. Come and bring your family, picnic lunch, and lawn games. In case of rainy weather the picnic will be cancelled.

Sunday September 21, will be our tea. It will be held in the Center for Performing Arts (C.P.A.) Building at 2 P.M. New people and officers will be introduced. Our program for the year will be presented and you will have an opportunity to get involved in the group.

On Thursday, October 23, a business meeting plus a program featuring a speaker from Women Organized Against Rape will be held at the Faculty House at 7:30 P.M. Put this date on your calendar now and come join us!

In November a Fifth Quarter Party will be held after the home game on the 15th. Heidi Holm will be sending details later.

Some other dates for you to keep open:

January 29	general meeting at the Faculty House
February 28	covered dish supper with the foreign students
March 6	dinner dance at Jimeal's in Plymouth
April 30 & May 1	garage sale profits to go to scholarship
May 8	children's party for Wilkes Faculty children
May 15	spring luncheon

In addition to these we have interest groups which do not meet every month. The interest group which people have shown the most interest in is the Gourmet Group. The first meeting will be held at Rhoda Tillman's 106 Mary St., Shavertown, October 4. The menu will be New England food. We had some fine food and fellowship last year. Contact Mary Lou Labows 868-3220 for more details.

Another group is the Book Discussion led by Dolores Casilli. Our first book will be Body Language by Julius Fast. Sounds like fascinating reading. We will meet September 30, 7:30 P.M. at Dolores Casilli's 373 Ridge Ave., Kingston. Call Dolores at 287-5667 if you are interested.

We also have a Bridge Group. We meet at the Faculty Lounge and play party bridge. If you are interested contact Miss Casimir Tyburski at the Hotel Sterling Apartments 822-3131.

One of the main purposes of our group is to raise money for a scholarship which is given to a girl at our spring luncheon. Our garage sale will be our biggest fund raising project this year. Start now to save all your throw-aways for this big event. We also will be selling some napkins, post cards, thank-you notes and cookbooks. One nice way to help the scholarship fund and remember a friend is through our scholarship cards. These cards may be used for birthdays, anniversaries, get well, death or any time you would like to donate money in honor of a friend. Casimir Tyburiski or I will be happy to give you a card. The card reads-

"We inform you, with sincere appreciation,  
that a contribution has been made to the

Fund in the Name of \_\_\_\_\_

By \_\_\_\_\_  
Gratefully acknowledged,  
Wilkes College Faculty Women  
Our permanent Scholarship Fund provides for a  
yearly award in memory of Eleanor Coates Farley"

Our dues for the organization are only \$3.00 per year. These are payable at our tea on September 21. If you cannot make the tea or would rather send a check now or in October, please use the following form to remit your money.

WILKES FACULTY WOMEN

Greetings to everyone. I hope you have all had a very exciting summer whether it involved moving into a new home, taking an exotic trip, having family reunions, or just attending a "super Market" Grand opening.

With the arrival of Fall, many of you may be starting new jobs or resuming old ones. Some may have children attending grade school for the first time while others have children entering high school or college.

As you resume a way of life convenient to you and your family, we ask that you please reserve some time for the "Wilkes College Faculty Women". If we all work together, we can experience a very successful year, however, the participation and attendance of all members is very important and necessary.

Following is a short rundown of some of the activities scheduled:

Sun. Sept. 19 - Very, very important!! This is the President's Tea for our newcomers. THE INAUGURATION OF  
**ROBERT S. CAPIN**  
AS THIRD PRESIDENT OF WILKES COLLEGE  
SUNDAY, OCTOBER 24, 1976  
WILKES COLLEGE GYMNASIUM, WILKES-BARRE, PA.

## WILKES COLLEGE

The inauguration this afternoon of Robert S. Capin as the third president of Wilkes College establishes reason to reflect upon the founding of the institution some 43 years ago.

Wilkes College came into being in 1933 when Bucknell University, in response to a request of community leaders, established its Junior College in Wilkes-Barre.

Three years later, Dr. Eugene S. Farley was named director of the Junior College and became the major influence in guiding the almost miraculous growth of an educational institution from a few buildings in 1936 to its present size.

Slightly more than a decade after he took over the reins of Bucknell University Junior College, Dr. Farley moved into a new role as the first president of Wilkes College after the Junior College became an independent institution on June 26, 1947.

As a four-year, coeducational institution, the college has grown steadily and selectively as an institution of higher learning, recognized for its quality education and excellence far beyond the boundaries of influence envisioned by its founders.

Slightly more than 9,000 alumni represent the College in the 50 states and many foreign countries.

Dr. Farley stepped down as president in 1970 and began a two-year term as chancellor. Stepping into the presidency was Dr. Francis J. Michelini, who moved up from the post of dean of academic affairs. Dr. Michelini served for five years, guiding the institution through the construction of the \$7-million Stark Learning Center and leading the institution back to normalcy after the 1972 Agnes Flood caused some \$14-million damage to the campus.

Today, as the office of president is passed in ceremony to Robert S. Capin, it can be said that the goals to which the college was dedicated remain — a sound and stimulating intellectual experience for students and a program of service to the community.

As it was at the inception, the college remains today non-sectarian, for its purpose is to serve all students and carry out its responsibility of involvement with all constructive efforts in the community. From the beginning, it was believed that these ends could be served best by an independent college that was interdenominational in its influence and non-denominational in its control.

Years have passed since Bucknell gave control of the Junior College to a local Board of Trustees, guided by the late Gilbert S. McClintock, and events of these years demonstrate the wisdom of their decision. With responsibility came a pressing desire to strengthen the work of the faculty, united in their faith that the intellectual and spiritual resources of the student are vigorous where the creative mind is free.

A college that wishes to serve all groups requires both a definite philosophy and a working policy. Wilkes College has been guided by the thought that unity in our community, our nation, and our world requires not only great vision but warm understanding of peoples.

In its small circle, Wilkes College brings together students of many faiths, backgrounds and countries. It encourages them to maintain their convictions and their loyalties. It provides them with the opportunity to create friendships based upon respect for differences, and to adhere to those ideals that create unity and good will amidst diversity.

While academic work is the basis of the college program, the faculty recognizes that academic training will be of little importance unless students emerge as men and women of strong faith and fine character. In the words of John Stuart Mill, "Before you can make men doctors and lawyers, you must first make them men."

Because of their interest and faith, friends have multiplied their support during the past decades and the campus has expanded steadily so that it now includes most of the properties facing the River Common. Constant effort has been made to create a growing endowment to keep pace with the expansion of the campus.

This is the background of Wilkes College on this day as a warm welcome is extended to Robert S. Capin as its third president.

The new president, who is a certified public accountant, graduated from Wilkes College in 1950 and received his Master of Business Administration from Lehigh University.

A veteran of World War II, when he served with the U. S. Navy, President Capin has had considerable experience in the business world before coming to Wilkes in 1959 as an instructor. He moved steadily up the academic ladder to full professorship in the Commerce and Finance Department in 1972.

In January, 1974, he was selected by President Michelini to serve as dean of academic affairs. During his tenure as dean, Mr. Capin established a strong working rapport with the faculty and administration.

President Capin is married to the former Libby Smulovitz of Wilkes-Barre. The couple has three children: Ellen Lubin, Deborah M. Buckler, and David L.

## ACADEMIC COSTUME

American academic dress has its origins in the garments worn at medieval British universities, particularly Oxford. That university was founded in the Twelfth Century, with its early chancellors being representatives of the bishop. Because of the close connection between the University and the Church, students and faculty wore clerical garb. It is from these medieval cassock-like garments that American academic dress is derived.

The Oxford or "mortarboard" cap came into use during the 16th century, but authorities differ on its origin. Some say that the cap is square like a scholar's books; others that it was derived from the master workman's mortarboard; still others suggest that it was patterned after the quadrangular shape of the Oxford campus. The distinguishing feature of the cap is the color of the tassel, which is black for the holders of the bachelor's and master's degrees and which may be gold for doctor's degrees and the governing officers of educational institutions.

Although caps and gowns had been used in many American schools since Colonial time, it was not until about 1855 that there was a widespread student movement for their use at commencement ceremonies. The faculties were quick to approve this practical and dignified graduation dress, and soon adopted for themselves the custom of wearing gowns at academic ceremonies. By 1895 the Intercollegiate Commission had prepared a code for academic costume which was approved by 95 percent of the American universities and colleges.

The Code provides for three types of gowns. Those worn by the bachelors are black and have long pointed sleeves. Masters may wear either black silk or woolen gowns, made with a long, closed sleeve with an arc appearing near the bottom and a slit for the arm. The doctor's gowns are usually of black silk with full, round, open sleeves. The color of the velvet trim may be black or the same color as the velvet which edges the hood. Although the color is normally black, several institutions have authorized doctoral gowns in their school colors.

In the United States, the hood is the most distinctive feature of academic attire. Used originally as a cowl, as a shoulder cape, and as a container in which to collect alms, it is now worn at the back, suspended near the shoulders. The length of the hood and the width of its velvet border indicate the level of the degree held. The bachelors wear a hood which is three feet long, with a two-inch velvet border. The hood for the master's degree is three and one-half feet long, with a three-inch border. The doctor's hood is four feet long and the border is five inches wide. The inner lining of the hood is in the official color or colors of the institution conferring the degree, while the color of the border indicates the field of learning in which the degree was earned.

It may be noted that military uniforms and religious habits are appropriate apparel at academic convocations.

## MACE AND CHAIN OF OFFICE

The inauguration of President Capin marks a special ceremonial use of two important insignia recently given to Wilkes College in 1970. The handsome mace and chain of office are the gifts of local donors.

The two insignia were designed by Ottie H. Chwalek and executed by a nationally known gold and silversmith, Professor Kurt J. Matzdorf of the State University College, New Paltz, New York.

### The College Mace

The Mace is made of sterling silver throughout. At the lower end of the hammered shaft is a gilt (gold-plated) knob. The upper end of the shaft displays the inscription "Wilkes College 1933." Above the short, hammered neck rises a bowl to indicate that Wilkes-Barre acted as a melting pot in forming a new and vigorous community of people of many different backgrounds. This theme is clearly stated in the gilt inscription around the upper part of the bowl: "Unity Amidst Diversity." Set into the top of the bowl is the gilt seal of Wilkes College. The top of the mace is a gilt flame-like structure to indicate the enlightenment to be gained from higher education. A piece of anthracite coal from a local mine is set in the center of this "flame" to commemorate the origin of the community and the College in its coal mining past.

### The Chain of Office

The Chain of Office of the President of Wilkes College is four feet long and is made of sterling silver throughout. The links of the chain are alternating silver bowls and gilt flames repeating the motif of the mace. In the front hangs the gilt seal of Wilkes College suspended from a cluster of oak leaves with three acorns to suggest the strength and sturdiness of future generations. The back of the chain is a silver portrait of Eugene S. Farley, first president of Wilkes College, set in a cluster of gilt oak leaves to commemorate his strong leadership of the College.

# ALMA MATER

Wilkes, our Alma Mater,  
We pledge our hearts to thee,  
Honor, faith, and courage,  
Truth and loyalty.  
In our work and in our pleasure,  
Guide us as a friend;  
We shall always love thee,  
Loyal to the end.

Thou shalt lead us onward  
In search of finer things.  
May we find the wisdom  
That thy spirit brings.  
May our deeds of love and service  
Ever swell thy fame —  
Wilkes, we stand to greet thee!  
Glory to thy name.

August 1977

Hello You-All,

Welcome to a new fall semester. As we TEARFULLY wave the children goodbye, hurry Hubby off to work and grab another cup of whatever, (coffee is so expensive these days), we hope that your thoughts will wander to the friends and good times of the past. Altho many are working or taking classes, we hope that you will find time to meet with us, enjoy a social get-together or maybe even find time to help with our scholarship fund raising or some other worthwhile activity.

Our opening get-together will be held on Sunday, September 11, 1977 from 2:00 p.m. to 4:00 p.m. President and Mrs. Robert Capin has very graciously extended an invitation to the Faculty Women to hold our first "Tea" in their home. The address is 30 West River St., W-B. The new members will be introduced and incoming officers as well as the committee chairmen will be presented. A program for the year will be given and you will have an opportunity to make suggestions to help increase our usefulness to the community, college and most of all to each other. Dear Wilkes Women;

Please do not forget our meeting on Thursday, November 17, 1977 at 7:45 p.m. We will be meeting in the Alumni House 146 So. River St., Wilkes-Barre, Pa.

The speaker will be Ms. Roxanne Reese from the "Showcase" beauty shop on Wyoming Avenue, Kingston, Pa. Ms. Reese is a graduate from Wyoming Valley West High School, the Marilyn Gauntlett modeling school and the University of Pittsburgh. She will be instructing us "ugly ducklings" on how we may improve our looks and how to present our "best face" forward. With the holidays coming, some of us need all the help that we can get. Ms. Reese will "work" on a couple of the women attending so don't pass up an opportunity such as this. Please make a special effort to attend.

On November 24, 1977, we will be celebrating Thanksgiving Day and in order to help others more unfortunate than ourselves, we would like to present a basket of canned goods to the Salvation Army so that they may distribute it where it will do the most good. If you cannot send a can of food and would rather send a small cash donation it will be greatly appreciated. If you need someone to pick up your donation please call 822-4031 and it will be picked up at your department's office. Please try to be as generous as you can. We all have so much to be thankful for and how better to show it than to share with others.

Monday, November 28, 1977, will be the book discussion group meeting at Jean Ogren's home, 88 Lathrop St., Kingston, Pa. If you are able to attend please call Jean - 208-5781. The book is "A Man Called Intrepid," by Lt. Stevenson. It is available in paperback for approx. \$2.25. See you at 6:00 p.m.

December 3, 1977, will be our gourmet dinner featuring such Russian delights as Chicken Kiev, Borsch, Baba Rum etc. If interested or need more information please call Fran Goldman at 675-3795 or Lois Abate at 822-4031.

There are quite a few who have been unable for one reason or another to pay their dues. Please get them in as soon as possible. We have many activities coming up and need the dues to continue. They are still \$3.00 and may be sent to Susan Charnetski, 126 Butler St., Kingston, Pa. 18704.

See you all Thursday,

*Lois Abate*
