UNIVERSITY

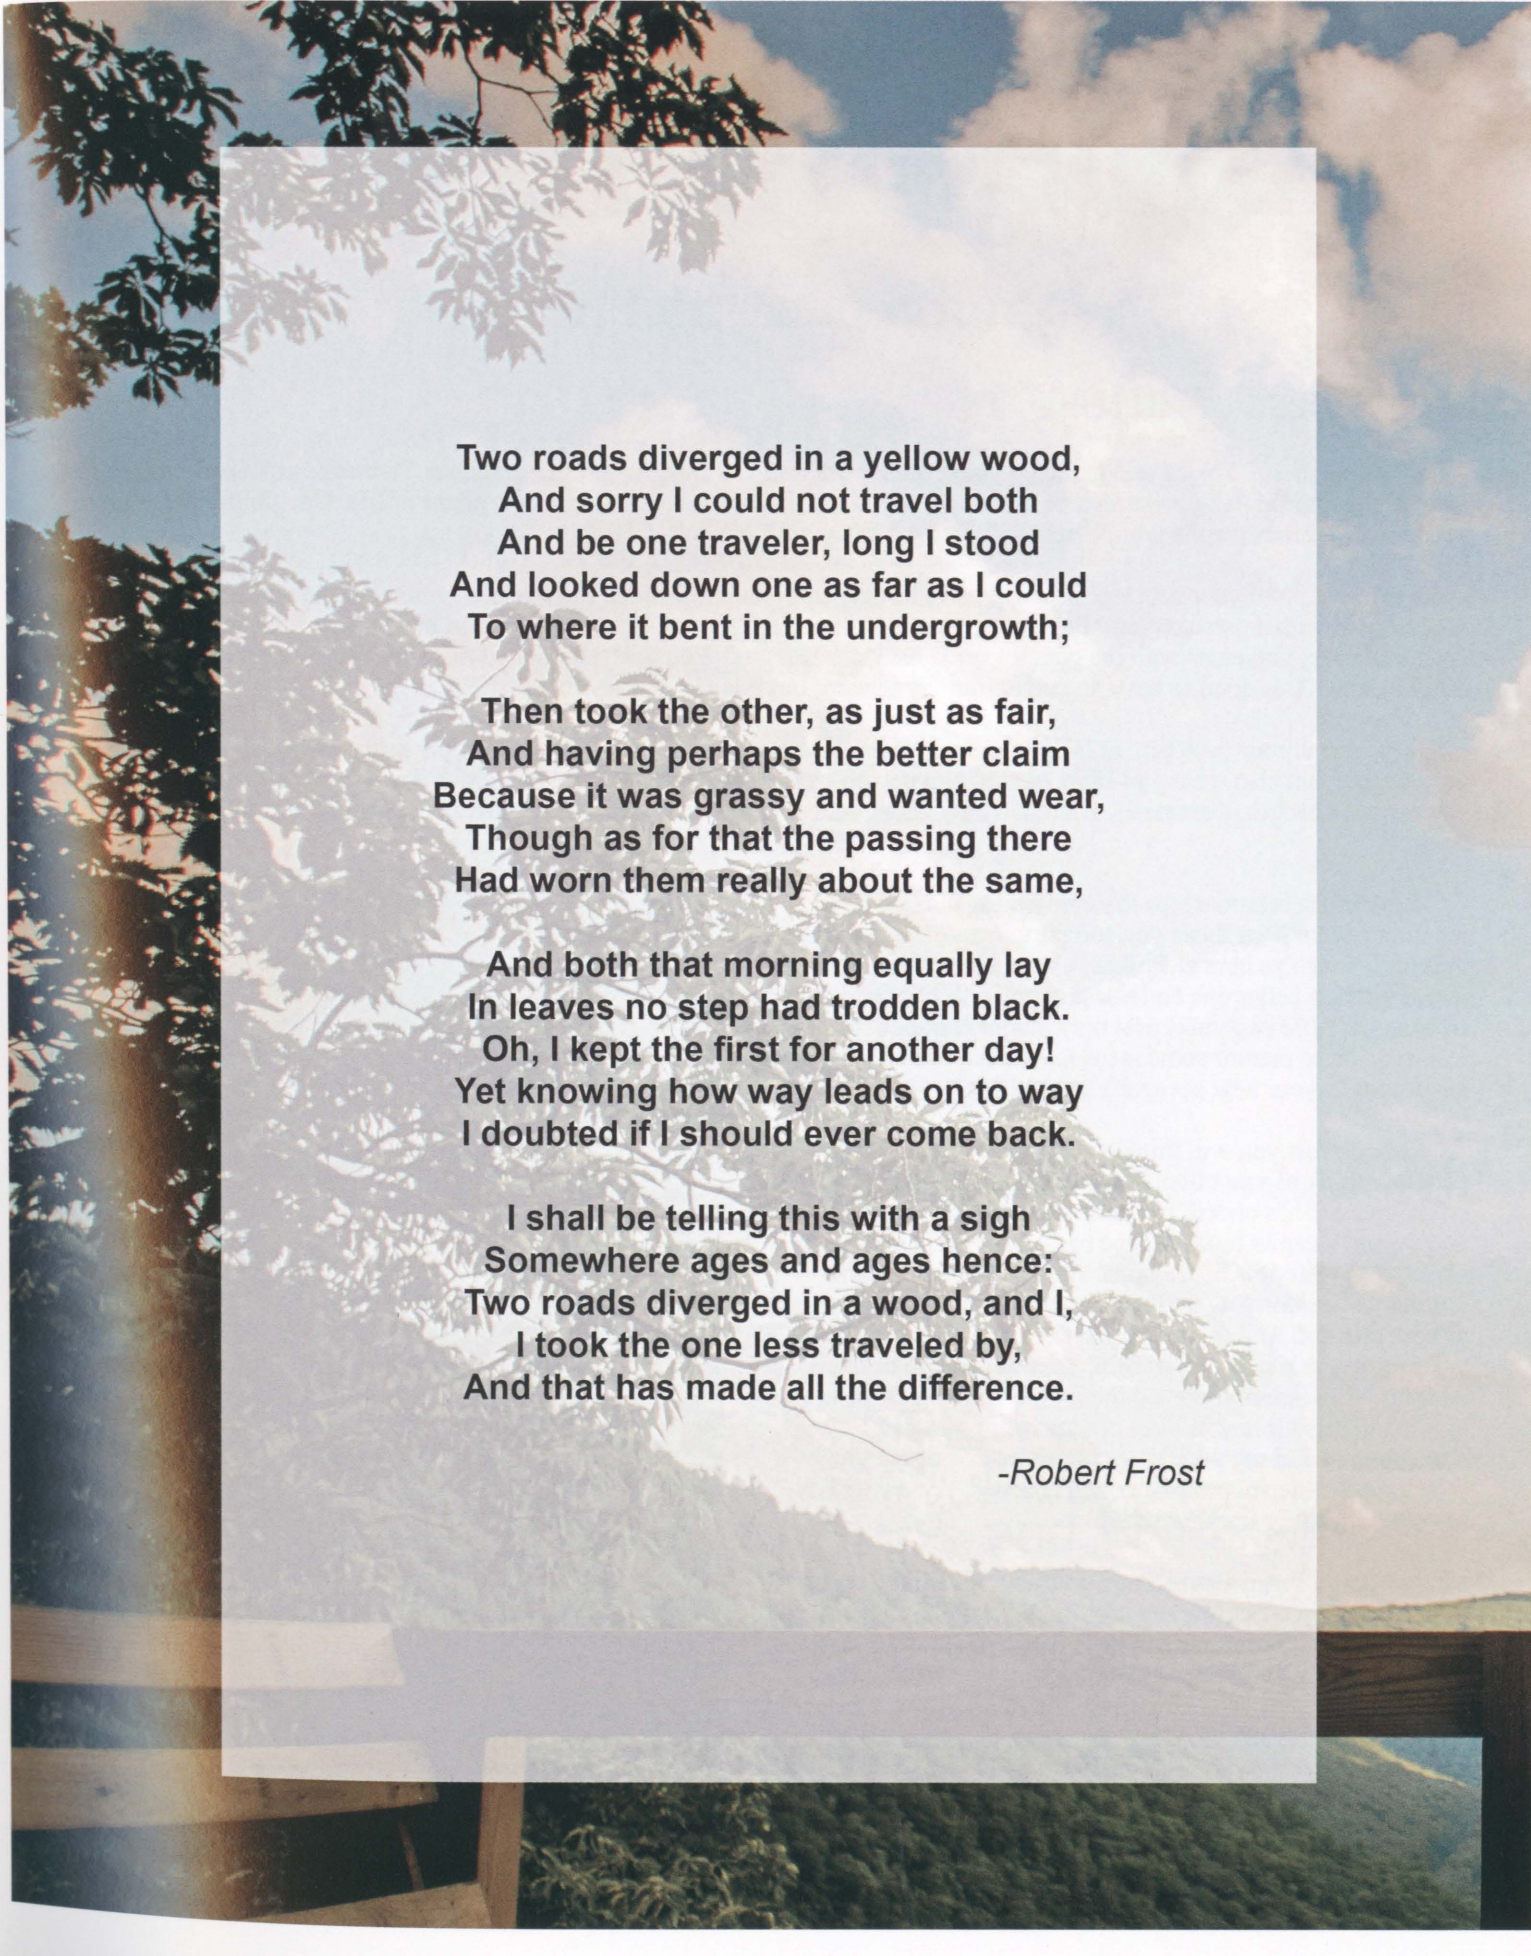

A person wearing dark blue jeans and white sneakers is walking on a large, weathered log in a forest. The ground is covered with fallen leaves. The background shows trees and a blurred path.

**WILKESUNIVERSITY  
2015-2016**

Two roads diverged in a yellow wood,  
And sorry I could not travel both  
And be one traveler, long I stood  
And looked down one as far as I could  
To where it bent in the undergrowth;

Then took the other, as just as fair,  
And having perhaps the better claim  
Because it was grassy and wanted wear,  
Though as for that the passing there  
Had worn them really about the same,

And both that morning equally lay  
In leaves no step had trodden black.  
Oh, I kept the first for another day!  
Yet knowing how way leads on to way  
I doubted if I should ever come back.

I shall be telling this with a sigh  
Somewhere ages and ages hence:  
Two roads diverged in a wood, and I,  
I took the one less traveled by,  
And that has made all the difference.

# PRESIDENTS NOTE AND ALMA MATER

Dear Class of 2016,

Congratulations! You have completed your coursework and you requirements to graduate. Your time at Wilkes has come to an end. It is an end that you should be extremely proud of. You are now entering a new phase of life. One journey has ended; yet another journey awaits you. Where will you go? What will you do?

In celebration of your accomplishments and this very important milestone in your life, remember that although your time at Wilkes ends with a presentation of a degree, there have been equally important lessons you have learned during your time here. As a freshman, you enter with the goal to earn a bachelor's degree. You have completed this goal. But as Ernest Hemingway reminded us, "It is good to have an end to journey toward; but it is the journey that matters, in the end."

Think about your time here at Wilkes and what you have learned not only in the classroom as part of you journey to attain your degree, but also what you have learned as a person outside of the classroom, in your interactions with professors, mentors, classmates, coaches, teammates, friends. Think about your journey as an adult, as a learner, as a friend, as a fellow human being.

Think of the relationships fostered here. Think of your mentors and perhaps those you sought to mentor. We emphasize those relationships here at Wilkes. I hope it has made you journey here a better one and one that you will continue to learn from as your life continues past our campus. I hope it has also inspired you to mentor someone else, whether it be in your next classroom or your new occupation.

We hope that you will think of your time here often. We will certainly think of you often. Your journey as a Wilkes undergraduate has ended; but your journey as an alumnus has just begun. Keep in touch. Come back and visit. Share your stories and your new life lessons with us. Although a new journey begins for you, perhaps far away from Wilkes, we want to hear about it. And as our journey as a school continues on, we urge you to remain a part of it. Take advantage of the Alumni Association; there are incredible alumni out there looking to mentor new Wilkes graduates. Return fore homecoming and see what's new on campus. Stay in touch with your wonderful professors and coaches. Wilkes will always be waiting for your return.

So go forth! Begin a new journey! I wish the best for you. Remember your journey here at Wilkes. I hope it will provide you with fond memories, a desire to continue learning, and the passion to help those around you. We will miss you!

Come back and visit.

Patrick F. Leahy  
President

## NEWS, EVENTS & ACCOLADES

Wilkes University received a \$3.3 million gift – the largest in the institution's history – to support its School of Nursing. The gift, from local businessman John J. Passan of Wilkes-Barre, and his wife, Ann, will be used to create a dedicated, permanent endowment for the school. The gift will transform nursing education at Wilkes for both graduate and undergraduate students, expanding opportunities for technology and professional development experiences.

The nursing school was renamed the Passan School of Nursing at a dedication ceremony on Wednesday, Oct. 21.

"Wilkes University thanks John and Ann Passan for their vision in giving this gift to the School of Nursing, which now will bear John Passan's name," said University President Patrick F. Leahy. "Such an investment reflects an awareness of not only what nursing education at Wilkes is – but, more importantly, what it can be, given the resources his contribution provides."

## FROM THE DEAN...

**Deborah Zbegner, PhD, WHNP-BC**

Hello, all! A historic event occurred on Oct. 21, 2015. John Passan provided our nursing school with

\$3.3 million endowment. This marks the beginning of a new era for Wilkes nursing. This incredible gift will fund innovative teaching and learning modalities, technological advances, and growth in academic partnerships. Moving forward, the endowment will fuel our mission to educate students, develop competent health practitioners, and establish programs of academic excellence.

A dedication ceremony honored John and Ann Passan and the family. Students flashed supportive signs, stating "Thank You!" All proudly wore Wilkes nursing scrubs and lab coats adorned with the new Passan School of Nursing patch on the arm. It was an incredible event that will forever live in the memory of faculty and students.

Now that we are the Passan School of Nursing, faculty and students on both graduate and undergraduate levels continue to work incessantly, raising awareness about the quality of our programs and our commitment to volunteer service. From walks for Ruth's Place and American Heart Association collections for Hoodies for the Homeless, our students support the community. Our graduates span the country providing excellent nursing care. Please contact us via the alumni website and let us know where you are and what is new. We will celebrate an important anniversary next year, so please contact us and help us to make it an unforgettable event!
