Graduation Activities Show Full Schedule

by Ralph Price

For most students June brings just another summer vacation and a rest from studies, but for the seniors June is the beginning of a new phase of life. A full schedule of activities is planned as a windup of the seniors' college careers.

The whirlwind of events begins on Thursday, June 2, with the Senior Dinner-Dance. This is a semi-formal affair, and it wil be held at the Hotel Sterling beginning at 7 p.m.

At 12:30 p.m. the following day the Senior Class Luncheon will be held on Chase Lawn. At this time permanent class officers will be elected. Following this affair will be a reception for senior women which will be on McClintock Lawn from 5-7 p.m.

Saturday's major event will be the Senior Class Outing. This is to be an all-afternoon function at Dr. Farley's farm.

Following Baccalaureate there will be a reception for all seniors and families on the campus between Kirby and Chase Halls.

Commencement

The final round of events takes place on Monday, June 6. At 8 p.m. Commencement exercises will take place in the gymnasium. The Commencement speaker will be Dr. Eler W. Engstrom, senior executive vice-president of the Radio Corporation of America.

Dr. Engstrom is responsible for the RCA laboratories, defense electronic products, astro-electronic products, the engineering services, and manufacturing service staff activities. He studied electrical en-gineering at the University of During the past Minnesota, where he received his Bachelor of Science degree in 1923.

Hagley, Thomas, Hancock, Chisarick Get Assistants' Posts

Joseph P. Olexy, graduate of Wyoming Seminary, has been named to the position of Editor-in-Chief of the 1960-61 Beacon. Appointed to assist him are: Cynthia A. Hagley, news editor; Wayne Thomas, news editor; Donald B. Hancock, sports editor; and Joseph J. Chisarick, business manager.

In addition to the above group appointed by the Publications Board and announced by Mr. Salley, Beacon advisor, Olexy has named Gloria Zaludek to succeed Steve Cooney as exchange editor.

Olexy is the son of Attorney and Mrs. Joseph P. Olexy, 118 W. Main St., Plymouth. At Wilkes, he has been active in the Lettermen's club, having earned his letter in golf, is currently a member of that team. He picked up his journalistic experience as copyboy on the Phila-delphia Inquirer while he attended the University of Pennsylvania in 1956-57. After transferring to Wilkes, he became a staff member for the Beacon, specializing in

He has participated in CCUN activities, was a delegate to the 1959 Model General Assembly held here, and worked on the maintenance crew during his first year at Wilkes. In his off-campus hours, he works for the American Red Cross Regional Blood Center, Wilkes-Barre.

Cynthia Hagley

Miss Hagley will be a junior elementary education major when she resumes her duties next year as news editor. Daughter of Mr. and Mrs. David M. Hagley, 308 Carey Ave., city, she has been a Beacon staff member since her freshman year. This year she filled a vacancy in the staff, taking over the duties of news editor in mid-year. She has served two years on the staff of the Manuscript, two years as a member of TDR, and has been on TDR's executive council during the past year.

She is a graduate of Meyers High School and currently serves as student assistant to George F. Ermel, cataloguing librarian at

Wayne Thomas

Wayne Thomas is the son of Mr. and Mrs. William Thomas, 301 Phillips St., Lyndwood, city. He will be a first-semester junior in the Fall, majoring in secondary education.

He has been a member of the Beacon staff over the past two years, has also served on the Amniand the School Spirit committee.

Recently he was elected to serve as treasurer of his class for the 1960-61 year.

Beverly Major has been appointed editor of next year's yearbook, according to word received from Mr. O'Toole, faculty advisor for the publication. Harry Collier has been named assistant editor; Joan Leggetts, picture editor; and Richard Lewin, business manager. This year's editor, Frank Ed-

wards, announced this week that the yearbook will be available at the bookstore next Wednesday. In a preview description of the edition, Edwards told the Beacon that the book will feature a full color photo at the beginning of the book. This photo is of Chase Hall and represents a new idea in the Amnicola. The remaining color motif is white with aqua lettering. There are 184 pages in the publication this year, with a larger section than ever devoted to graduates. The senior pictures this year are larger than previously and take up 35-40

EDITORIALS —

Thank You, One and All

Behind the scenes of every newspaper, there are a great many people whose work is never visible on the printed page, but whose efforts make possible the appearance of the paper. We on the Beacon have our share of such people and we can't close our pages for the year without giving them their long overdue recognition.

First and foremost, we are grateful to Bill Zdancewicz of the College Public Relations Office. Bill has been a member of the staff both before and after his graduation from the College. His office has been a gold-mine of information and supplies, but more than that, his cheerful willingness to assist us in every way and his unquestioning "Okay" to every request we've made are in no small way responsible for whatever success the Beacon has enjoyed this year. To Bill go our hearty thanks and good wishes as he leaves the Colege scene to make new friends

To our advisor, Mr. Francis J. Salley, we also give a tip of the editorial hat. Mr. Salley has been patient and long-suffering and has given us encouragement, free rein, and several good "tips," in addition to serving in his official capacity. We know we've made him sweat a few times, but he has always supported

us fully in spite of our forays off the straight and narrow path. We have made mention of our mechanical department several times in the past as being the "unofficial school of journalism" at Wilkes. Now that we have finished the year, we can only add a hearty "amen" to our previous praises of Schmidt's Printery. They have been more than good to the Beacon over the past year and have never hesitated to help us solve a technical problem or advise us on our plans for future editions. With their recent acquisition of a brand new imported printing press, the physical appearance of the Beacon has been improved and the efficiency of this modern mechanical marvel has enabled them to keep intact our record of prompt appearances every Friday. To "Pop" Schmidt, proprietor and compositor; to Eddie Schmidt, linotye operator, our technical advisor and punster par excellence; and to Leo Schmidt, pressman and the last one to handle the Beacon before it is transformed from idea to finished product, we wish to express our sincere thanks for a long and warm friendship which goes far beyond the mere niceties of a business relationship.

We have our share of critics, whose comments also go a long way towards making a newspaper. Without defining the limits of the membership of this group of citizens we would have to include just about every one of our acquaintances. We'd like to narrow the field to several faculty members whose words have been most valued. Miss Dworski, in her triple role of teacher, critic, and friend, has been one of these, as has Mr. Disque. Both have served as ex officio consciences by means of subtle admonitions, gentle proddings, and a general observance of our work which served to keep us on our toes.

Just about every other member of the faculty and administration has aided us in this respect, but to single out a few of the most prominent, we'd like to recognize the influence of Dr. Reif, Mr. Miller, Mr. Hoover, and Mr. Elliot, who have always taken an interest in our efforts.

Closing out the round of bouquets to the non-student citizen-, we salute the grandest personality of them all, without whom ry, we salute the grandest personality of them all, without whom Wilkes College would be a very gloomy place indeed, the genial manager of the bookstore, Miss Mildred Gittins. Millie has been on the scene for 16 years and has seen a lot of students come and go. She has always been a cheerful source of information, but we are more grateful to her for something of greater value than material help — that is her friendship.

Staff and Students, Too

Among the student body there are many who have aided us in our weekly task. We can't single any of them out for mention here; the list would be too vast. We are deeply grateful for the help of every organization. In particular, we are happy to have had the valued aid of the Student Government. We feel that this year's group has been the best in recent years, showing a most reasonable and moderate attitude in their conduct of student affairs.

Of course, our own staff members have made great contributions to this year's Beacon. Special thanks go to Cynthia Hagley, who stepped in to fill a vacancy smoothly and efficiently and to Jay Olexy, next year's editor, who has taken to his tasks like a duck to water. Also of significant import has been the business department under the unbelievable efficiency of Dan Lewis and his small, but effective staff. Steve Cooney and Gloria Zaludek have done yeoman service with our exchange in the same capacity, picture editor. service, as well as giving the **Beacon** files their first updating in twenty years.

Professional critics have rated our sports section as the top feature of the Beacon. We are proud of the accomplishments in this field, the sole responsibility of Ray Yanchus, who took

time out from a busy schedule to edit that section.

Our chief asset in preparation of copy for the press has been the flying fingers of Jean Shofranko, a first-class typist who has also borne a lion's share of the reporting and writing chores. We don't mean to overlook any staff members, but there are many more whose names we can't list here. Their by-lines have appeared above their stories, however, and that is our way of thanking them for their work.

A Blanket Apology

In the course of our duties we have made more than our share of mistakes, perhaps. This is inevitable, but in our case inexcusable. It is our duty to present the news accurately, objectively, and completely. We know that we have failed to do this in all too many cases. We have had "goof-ups" large and small under the pressure of time and human error.

To: The Wilkes College Student Body

From: Gordon E. Roberts, Student Government President

I would like to extend to you the appreciation of your Student Government and myself for the tremendous cooperation rendered to this governing body in the past year. We feel, as we hope you do, that Student Government at Wilkes College has continued to grow. This growth is the result of serious thinking, adequate planning, and genuine cooperation among those who represented you on the Student Government.

It is my hope that this thinking, planning, and cooperation will continue. The newly elected officers of the Student Government will need all the assistance that can be extended to them. I am sure that this help will be forthcoming, for every action and decision of the Student Government should be geared to the goal of making the vision of Wilkes College reach its

Tennyson once wrote, "I am a part of all that I have met." Surely, Wilkes College is very much a part of all of us.

Sincerely, Gordon E. Roberts

Campus Observer

THANKS

As this is the last column that will appear this year under the title of the Campus Observer, I would like to take this opportunity to thank you, the many persons who have helped to make this column the small success that it was. At times during the past year, there was a large number of persons, both students and faculty members, who knew the identity of the author of this column. No name or by-line was used, not for the purpose of secrecy, but to provide interest and inquisitiveness on the part of the students. Much of what you have read here was mere rumor; a larger part was fact; and a small part was prediction. Some of the rumors were true, others turned out to be false; some of the predictions came true, others did not. Facts are still facts: I didn't make the news, just reported it as I saw it. True, much of it was personal opinion: mine. Many of those who disagreed with the opinions printed here took the opportunity to voice their own ideas. This was one of the purposes of this column: to bring into print controversial issues. At times I took sides, but I always took the side that I thought was right. Such is the freedom of opinion.

I would especially like to thank Dick Myers, editor of this publication, for the help and advice he has given in the past. Without his help, this column would still be a dream — or maybe a nightmare. Steve Cooney has numerous times provided information that otherwise would never have been known, as had Fred Jacoby, Cynthia Hagley, Jean Shofranko, Bob Washburn, Gordon Roberts, and many, many others. As the Campus Observer, I could not be everywhere; but, through the eyes and ears of others, I could report the happenings on

The cartoon that has appeared at the head of this column several times was drawn especially for use in this column by Richard Blisick,

a resident of Butler Hall. Mr. Arthur Hoover has helped and guided me on numerous occasions, as has the faculty advisor for this publication, Mr. Francis J. Salley. I am happy to say that this column has never been censored edited, corrected, and guided, but never censored. This freedom from censorship was a privilege, not a right, and not infrequently this privilege was trod upon. Myers, as the editor, knew that even though he was not the author, anything that appeared in this column would be thrown right back in his face. Several times he took the brunt of the attack by persons disagreeing with the opinions voiced here. Again Dick, many thanks.

Last, but definitely not least, I wish to thank Rose Ann Belletieri for the moral and psychological help in writing this column in the past

To one and all of you who have read and shown an interest in this column, thank you, thank you, THANK YOU!

ACCIDENT VICTIMS

Last Tuesday afternoon two young men from Wilkes were riding down Market Street, Kingston, on a blue motor-scooter when they were suddenly struck down by an automobile. The impact threw the students over the automobile. They landed head first on the pavement, knocking them both unconscious. The students were Bob Kundreskas and John Thomas, both day students from the West Side. We hope that by the time this is published both of them will have already recovered.

Yours truly, Robert Bearley The Campus Observer

Golfers Host Albright, **Look to Even Record** On Season's Play

This afternoon the golf team hosts Albright College at the Irem Temple Country Club for its final meet of the season. The meet will begin at 2:00 p.m.

A match which had been scheduled with Lycoming College last Friday was cancelled because of rain. The team record now stands at three wins and four losses and this afternoon's meet affords them an opportunity to even up the slate at an even .500 percentage.

The linksmen will be relying on the continued good performances of Al Stralka and Bob Januszko to aid them today and will be looking to close the season on a winning

Ray's Recruits Battle Back to Take **National League Crown with 3 Wins**

"If you don't succeed at first, try, try again." Ray's Recruits, with this motto in mind struggled through three playoff games to emerge as National League champions for the second consecutive year.

At the end of the regular season of play, the league was in a threeway tie between the Recruits, Blivits, and Rowdies. On a toss of a coin for position in the playoffs, the Rowdies drew a bye.

Last Friday afternoon the Recruits got ten runs in the third inning to coast to a 12-2 victory over the Blivits. Clem Gavenas, strong-arm pitcher for the Recruits, allowed only four hits in posting his fourth win of the year.

Gavents had a no-hitter going until Tom "Guffy" Pugh got a bunt single in the fifth inning. This hit followed by a single by Gary "Gazelle" Vanderberg and two walks composed the Blivits' threat for the

Bern Radecki and Carl Havira lead the Recruits in hitting. Radecki had another home run to increase his league-leading total to 7. **Protested Contest**

On Monday, the Recruits thought they copped the league championship, as they downed the Rowdies, 7-4. They had come from behind with three runs in the sixth inning to take what looked like the final contest in the National League. However, a protest was lodged by the Rowdies on a disputed sixth inning play that cut off a rally by the footballers.
"Likeable" Fred Williams was

charged with intimidation of an umpire and on the ensuing play the umpire changed his mind on a decision. The protest was upheld by from the Alumni Association.

the director of athletics and the two teams were ordered to play again.

Tuesday the battle was on. A special crew of officials was imported from the NACC, consisting of Tom Hurley, Dr. Gaito, and Tom Evans, to try and keep order.

As the game unraveled, the defense of the Recruits, along with the strong, but weary arm of Clem Gavenas, proved too much for the Rowdies. The final score was Recruits 14, Rowdies 4.

Fred Williams and Bernie Radecki continued their great hitting by smashing home runs. Williams connected for a towering blast to dead centerfield that accounted for two runs and Radecki sent a smash into right for three more tallies. Carl Kemmerer also hit a home run with one on and drove in two other runs with a double.

Don Eller led the Rowdies in a losing cause with two hits out of a total of six.

Thursday the Recruits met Dr. Gaito's Human Beans for the overall championship. The game was built up as a pitchers' duel between fireballer Clem Gavenas and Paul "no-hit" Debee.

The Alumni Association w honor Mr. Russell Picton at a Fa well Party to be held at the Am can Legion June 6. At this ti he will be presented with a pla

Lockerroom Chatter

by RAY YANCHUS, Sports Editor

It doesn't seem possible but a whole year has passed in the swiftest way I could ever imagine it to pass, but it has. Some of us will be coming back next year to enjoy another semester or two of study, finals; study, finals; and that sort of thing. For others graduation is here, myself included, and it's back to the salt mines.

With this issue we close out the Beacon for another semester, and as you know, to accomplish any project, many hands are needed, hands that work in cooperation with each other, and therefore, a thank you is in order to all the friends who helped us make the deadline every Friday morning, and present to you the sports scene as we saw it.

A paper is only as good as its head and I believe we had an exceptional one at the helm this year in Dick Myers. Many a time he pulled me out of trouble spots with page layout, more space, and especially a most boring job of proofreading my atrocious typing. The sports action could only be reported by a number of snoop and scoop hounds such as pounded out their message on their keys throughout the various sports campaigns. Don Hancock, next year's sports editor, was a great aid; George Tensa added life to any story he wrote; John Nork kept us alive on the bowling news; Jay Olexy told us about inside golf; and Tom "Dewey" Evans made the intramural program a big part of the campus.

Something we never could have done without was the typing aid given by Jean Shofranko when circumstances piled up, and that was usually every week. Steve Cooney took us across the nation and gave us helpful tips from other newspapers with his roundup of the exchange program, and Dan Lewis kept us squared away in the financial department.

Our friends in public relations, headed by Bill Zdancewicz and Mrs. Herbert, took excellent care of us, as did the rest of the personnel in Chase Hall. Russell Picton was always available to give us a life when it was needed.

Mr. Reese and Mr. Ralston rendered their services inumerable times with their cooperative gestures on any type of matter. A special note of appreciation is necessary for Art Hoover who worked hand in hand with us and gave us first call on all sports literature coming into the college. His was an enduring task of putting up with our constant chatter and shortcomings. No paper is workable without a mechanical department and we had the best, barring none; Pop, Leo, and Eddie Schmidt took us over the ropes and were invaluable throughout the year with their patience and understanding.

And finally, deepest appreciation is in order to the sports teams and their coaches. They provided us with the action that could be turned into copy and presented to you, the reading public. Without them we hadn't any existence. They gave us plenty of thrills, loads of excitement, and lots to be proud of in the way of prestige and good sportsmanship. They were the backbone, not only of our department, but of the entire sports activities at the college, and so to you, the athletic squads of 1959-1960, a most special salute and thank you for

a tremendous year.

ATHLETE OF THE WEEK

Bobby Ontko Earns Last 'Beacon' Award; Hits Homer, Double

Bobby Ontko, slugging third baseman on the baseball team, earns this week's "Beacon" Award for his play during the past week.

Ontko has been a consistently good hitter throughout the present campaign as reflected in his .327 batting average for the year.

Against Albright College last Saturday he provided Wilkes with its only run of the game to avoid a possible shutout when he stepped to the plate in the top of the ninth inning and blasted a long home run to left-centerfield. The blow was his first four-bagger of the season.

In the third inning of the same game he hit a double but was left stranded on the base paths.

Ontko also figured in the scoring in the Ursinus game played on Tuesday when he led off the third inning with a single and later scored on a hit by George Gacha.

For the week, Ontko gathered three hits in eight trips to the plate, two of those being for extra bases.

Before the Albright contest he had three extra base blows to his credit, all of these being triples.

Ontko is a junior from Kingston, where he played baseball and basketball and was active in Teener League baseball. He is presently working toward a B.S. degree in mathematics.

DIRTY SNEAKERS COP TITLE

The Dirty Sneakers captured the girls' volleyball crown when they defeated the Butterflies in a recent championship game held at the gym. Final score was 61-22.

Members of the winning squad were: Diane Yudiskas, capt., Carol Rhines, Carol Pelsar, Joyce Roberts, Carol Thomas, Nancy Davies, Jule Znaniecki, Regina Ritgie, Ellie Nielson, Eleanor Brehm, and Terry DeFrancesco.

Face Lycoming in Home Games as Season Ends; 3 Seniors in Finale

The baseball team closes out the 1960 season tomorrow against Lycoming College in a doubleheader that will get underway at 1 p.m. in Artillery Park.

This will be the second meeting between the two clubs this year. Lycoming emerged with a 5-4 victory in the first contest played earlier this campaign at Lycoming. That game went 14 innings.

The Colonels now stand at 3-10 for the season not counting yester-day's game with Scranton.

Three seniors complete their intercollegiate careers against the Warriors. Ralph Hendershot and George Gacha are pictured to the left. John Mattey was absent when the photo was taken.

Hendershot has been a top performer on the baseball nine ever since his freshman days. He has consistently been among the top hitters and RBI leaders on the team. He was named outstanding player on the 1958 team.

Gacha is also a four-year letterwinner in baseball. He has served in many capacities during his fouryear stint, as he has played third base, left field, first base, and pitched. This season he has been used primarily as a pitcher, but lately is adding power to the lineup at first base.

John Mattey is another four-year performer behind the plate. He earned his letter last year, and is the number one receiver this campaign. Mattey is considered one of the finest defensive catchers to play at Wilkes in recent years.

Albright 4, Wilkes 1

Albright College scored twice in the first inning and that was all that they needed to gain a 4-1 victory over the Colonels last Saturday at Reading.

The Lions tallied again in the second and closed out their scoring in the eighth.

Thirdsacker Bobby Ontko erased the Albright hopes for a shutout in the top of the ninth when he led off the inning with a home run. Ontko also collected a double earlier in the game.

Rightfielder Nick Alesandro hit a double and George Gacha and Dick Harvey added the only other Wilkes hits.

Ursinus 6, Wilkes 5

The Colonels dropped their fifth straight contest on Tuesday as the Ursinus Bears edged out a 6-5 win on their home field.

Gene Mathews pitched a threehitter for the Colonels, but walked nine and hit one batter to present the Bears with scoring opportunities. Loose fielding also aided in the Ursinus victory, four of the six runs were unearned.

Ursinus scored two in the first inning to grab an early lead. The Colonels came back with two in the second on a single by John Mattey and a sacrifice fly by Walt Folek. Wilkes went ahead in the third on a bingle by Gacha, but Ursinus got two unearned runs in the fourth to lead, 4-3.

The Colonels tied the score again in the sixth and forged ahead for the second time in the game in the seventh on a double by Ralph Hendershot. The Bears won the game in the eighth inning when they scored twice, the deciding marker being unearned.

Hendershot lead the Colonels at the plate with three hits in five appearances, while Gacha had two singles in four trips to the batter's box. Mathews chipped in with a double.

Final reports will be given after which President John Hosage will conduct the new business session.

Members of the Student Government who have served for the past year were presented with awards at the assembly program on Tuesday.

I.C.G.

Steve Robertson was voted president of the Intercollegiate Conference on Government for the coming year. At their meeting held last month Betsy Hoeschele was elected permanent chairman, and Carol Tangorra will be secretary. Three positions have been left vacant, to be filled next year. These are the office of treasurer, and the positions of corresponding secretary and parlimentarian. Mr. Arthur J. Hoover is faculty advisor of the organization.

Presently the newly-elected officers are formulating plans for next fall. Tentative plans include two prominent political figures, an assembly program featuring mock presidential elections on campus prior to the national elections, November 8. Possible debates on party platforms, and a lecture series are still in the scheduling stage.

Accounting Club Ends First Year

The newest entry into the oncampus activity program, the Accounting Club has ended a very successful first year this week by presenting an internal revenue agent as its speaker, and by beginning a comprehensive survey of the accounting curriculum at Wilkes.

The survey, which received a great boost by the complete co-operation of Dr. Mailey and Dr. Rosenberg, is attempting to obtain a student evaluation for the present accounting program. Questionnaires were passed out to all accounting majors last week, and, by next September, the club hopes to have completed a summary of the accounting students' opinions and attitudes toward the curriculum. This summary will be presented to the accounting faculty and the Ad-
