FRESHMEN INVADERS

10 COMMANDMENTS OF SUCCESS

Charles M. Schwab

1. **Work hard.** Hard work is the best investment a man can make.
2. **Study hard.** Knowledge enables a man to work more intelligently and effectively.
3. **Have initiative.** Ruts often deepen into graves.
4. **Love your work.** Then you will find pleasure in mastering it.
5. **Be exact.** Slipshop methods bring slipshop results.
6. **Have the spirit of conquest.** Thus you can successfully battle and overcome difficulties.
7. **Cultivate personality.** Personality is to the man what perfume is to the flower.
8. **Help and share with others.** The real test of business greatness lies in giving opportunities to others.
9. **Be democratic.** Unless you feel right toward your fellow men, you can never be a successful leader of men.
10. **In all things do your best.** The man who has done his best has done everything. The man who has done less than his best has done nothing.

THE STUDENT FEDERALIST

The Student Federalist Club does not belong to the list of extra curricular organizations at Bucknell. This Club was organized by a group of young students in New York who were interested in world affairs, and who took as their theme, Federal Union. The chapters of this Club are scattered through the various states but keep in contact with one another through the columns of the Student Federalist newspaper which is issued to all members.

Through interesting and explanatory moving pictures the Club hopes to enlarge the Chapter here at Bucknell and to also introduce new Chapters in the valley high schools.

Anyone wishing information about the Student Federalist organization can speak to Dr. Nicholson, the faculty adviser of the Bucknell Chapter.

ENGINEERING CLUB

The one and only requirement needed to be a member of the Engineering Club is that you must be an Engineering student. You may be a Civil Engineer, a Mechanical Engineer, a Chemical Engineer, an Electrical Engineer, or an Aeronautical Engineer.

During the year tours are made to different plants and factories in or near Wilkes-Barre. Ever since last spring the new slogan of the Engineers is "Remember Stegmaier's."

The president of the Engineers Club is Doris Raub; the vice-president is Ralph Weaver, and the secretary-treasurer is Bill Ellis. Professor Voris B. Hall is the faculty adviser.

FRESHMAN INITIATIONS

MEN AND WOMEN

1. Wear beanies all semester.
2. Carry books in bucket during Freshman Week.
3. Wear ruffled aprons.
4. Unmatched shoes.
5. No smoking on campus.
6. Use of ping pong tables forbidden during Freshman Week.
7. Stand in presence of all upper classmen until they are seated.
8. Memorize Bucknell Junior College Song and paragraph on student honor.
9. Wear two signs; one for front and one for back. Sign should have in three-inch letters: name, high school, course, ambition and hobby.
10. Carry matches at all times.

MEN

1. Wear black bow ties and socks; wear pants rolled up three rolls and two different shoes.
2. Wear coats turned backwards.
3. Do not use billiard table.

WOMEN

1. Wear no makeup (lipstick, nail polish, etc.)
2. Wear one black stocking.
3. Wear hair in pigtails.

CHORAL CLUB

Sing! Sing! Sing! and be happy. Join the Choral Club now. Regular meetings are held in the Music Room every other Monday at 11:00 and alternate with Assembly programs.

With a large membership and understanding cooperation many possibilities may be realized in great accomplishments such as radio programs and recitals.

Read the article in the October issue of the Etude entitled "Choral Art for America" by Robert Shaw, the vocal director for Fred Waring's Pennsylvanians. He says, "the best choirs are those that really want to sing." Under the direction of Mr. Gies ("Pop" to the students) everyone wants to sing.

On the social side there are parties and dances. This summer we spent a day in the Poconos at "Pop's" lake. Everyone talked about the hamburgs (you'll hear more about "Pop" as a cook and expert coffee-maker), fish?, and football game for weeks afterward. Any of the participants will confirm my enthusiasm.

Happy Choralling!
P. S.: On the Academic side might be mentioned the fact that for a year's work with the Choral Club you receive one credit to add to your total.

BUY VICTORY BONDS

PRE-MED CLUB

The Pre-Med Club of Bucknell Junior College will resume its activities this semester with its usual trips to various institutions of medicine, since the club has as its object the furtherance of knowledge in the medical world.

The only entrance requirement necessary for membership in the club is that the student be enrolled in the pre-med course.

Meetings of the club will be held Thursday afternoons in Chase Hall's reception room. Faculty adviser for the club is Dr. Ward. Any interested student of the pre-med course is invited to attend the club meetings.

Past activities of the club included trips to Retreat and other mental hospitals where students witnessed examples of the electric shock treatment.

GIVE TO THE COMMUNITY WELFARE DRIVE

THE STUDENT COUNCIL

The Student Council is composed of representatives from each of the student organizations grouped under College Activities.

It is responsible for the support of student activities and for the planning of social and extra-curricular programs in cooperation with the Faculty Advisers, the Dean of Women, and the Director. It may initiate new activities and obtain consideration of proposals important to the welfare of the students and the college. The Council is also responsible for the budgeting of student funds.

Once each month the Council meets with the Director, the Dean of Women, and the faculty advisers. In this meeting, plans and policies are discussed, but final action is left to the Student Council.

DRAMA

Drama is one of the many extra-curricular activities offered at Bucknell Junior College. Each year the college presents two full-length plays, sometimes several one-act plays, and some radio programs. All students, new and old, are privileged to take part in the interesting process of play production.

The purpose of drama is to give each student an opportunity to display his talent in some particular phase of the drama. All potential actors and actresses are needed, but there is ample work for anyone interested in such activities as sewing, carpentry, lighting, make-up, painting, designing, properties, costuming, etc. Each play must go through the intricate business of preparation, and the man behind the scenes is just as necessary to the theatre as the man on stage.

All students who are interested in drama can show their interest by registering at the theatre and then coming to try-outs. When the curtain rises on the opening night, each of you will feel your labors well repaid. So let's see more of you.

The first staff meeting of the Beacon will be held Friday, October 26th in the Beacon office at 12:30. Freshmen be sure to attend.

WELCOME

This year the faculty and students take great pleasure in welcoming the largest freshman class in the history of Bucknell. Also this year we have the first Junior class at the college. Through the generosity of philanthropic citizens of Wilkes-Barre, we have had another building presented to the college.

With the close of the war, we are now looking ahead to higher goals. We have put away the destructive tools of war and now we are attempting to rebuild that which we have torn down in the last eight years of war. You have waited and striven for this day. Now it is at hand. Make the most of every second of it. You are young men and women starting on the pathway of life and your college career is the most important era of your life. You have reached a stage of adulthood and you are now preparing yourself for your life ahead. What that will be depends on you and the efforts you put forth. So, Welcome to Bucknell. We shall look forward to working and having fun with you, and you are sure to enjoy your stay here as much as we are enjoying ours.

CAFETERIA AND LIBRARY

Of course, everyone of us must eat some place, and what better place can be found than the Bucknell Cafeteria. Tasty food is served by Mrs. Brennan and her efficient staff of student helpers who are always on hand at the regular 12:00 lunch hour, as well as various other times during the day. If you cannot be served at first due to the large number of students ahead of you, don't be discouraged, but return later. Your patience will be well rewarded.

Bucknell maintains one of the finest city libraries, and you are invited to make good use of these excellent facilities. You will find books covering every college course which can be used to your advantage as research and supplementary material. Fictional books and current periodicals are also found there. If you are in need of advice concerning any book, Miss Brennan will be glad to help you.
