Darte Center for Performing Arts

Welcome and Introduction

Presented by Sandy Slstrunk
Assistant Resident Director

Music.....Mr. Rich Hufiman/Ms Jessica Wrubel

Welcome to this summer's edition of the Upward Bound Music Class! Come with us as we take you back to Motown and groove to songs: Build Me Up Buttercup, My Girl, Signed Sealed Delivered, and The Way You Do The Things You Do. The group has worked very hard to prepare this performance for you. Please sit back and enjoy the exceptional talent of our Upward Bound Music Class students.

Students: Jessica Bachman, David Baker, Kevin Ionahus, Therese Kasson, Kaila Sakowski, Kevin Thewan, Robin Steidinger

Literary Magazine.....Mr. Pat Peters

This year the Literary Magazine's theme is **Upward Bound: A Summer To Remember**. The magazine's movie theme stayed consistent with the overall theme of the summer. The 2006 edition contains different styles of poetry, essays, short stories and art work. The "Lit Mag" staff did a great job collecting and organizing the enormous number of contributions and finally designing the magazine as a whole.

Magazine Staff: Tiffany Archer, Traci Boston, Tony Carroll, Sara Doughton, Bridget Knapp, Tashalee Moun, Kirk Riley, Eric Swells

The awards students earn in academic and special interest classes indicate that the students have mastered new material, have shown real effort, and have achieved a high level of success. Although many students do well in the classes each summer, only one student from each class or subject area can be selected.

Awards in Mathematics

Mr. Paul Evans
Ms Maria Konopke

Dance.....Ms Courtney Mullen

Our class goal this year was to use steps and movements learned in class and apply them to a dance piece. The students learned the dance they are performing in a matter of four classes and perfected in the remaining few weeks. Hopefully, you will experience the same excitement and happiness watching the piece, as the students that are performing the piece have experienced. I also want to thank The T's especially Mark & Jayme for helping us!

Dance Company: David Baker, Traci Boston, Kristina Ender, John Frederick, Anthony Mell, Kerry Yara, Christis Perillo, Liz Rasimas, Kate Rocca, Robin Steidinger, Elsie Turkovich, Scott Yarnel

Awards in English

Ms Marcie Riebe
Mr. Jerry Hromslin
Mr. Pat Peters
Mr. Matt Treese

THEATRE.....Ms Karen Padden

This series of comedy parodies some of today's most popular television shows. Playlets feature spoofs of "Survivor", "Family Feud", and "The Oprah Winfrey Show". Be prepared to laugh and play along with your favorite theatrical Upward Bound students from Ms Padden's afternoon class.
